**Paper Pom-poms and Other Party**

**Decorations** Juliet Carr 2015-09 Discover how to create a spectacular setting for your next party with these 35 fabulous projects. From eye-catching pom-poms to pretty garlands and stunning giant flowers, you'll want to make every one of these wonderful paper decorations. Begin with the classic pom-poms--popular in the 60s and 70s, but enjoying a stylish revival today. Make them in different sizes and colors for a real impact. Learn, too, how to make honeycomb balls, a star piata, and rosette snowflakes--all beautiful hanging decorations that will look great hung from the ceiling, in a window, or on a Christmas tree. In chapter 2, you'll find garlands and bunting--why not try the cupcake garland, using cupcake cases to sit around fairy lights and look like twinkling flowers? Or have a go at the vintage book bunting that would add character at a themed party, or even in your workspace. Finally, create impressive centerpieces--giant roses and daffodils, a coffee filter flower wreath, and waxed floating lilies are among the striking designs. The projects use a variety of paper materials, including tissue, cardstock, and crepe paper, as well as recycled magazine pages and gift-wrap--and no specialist craft experience is needed. Step-by-step photography will show you exactly what to do. You'll also find out about all the different types of paper available--such as water-resistant tissue paper, and two-tone paper that has a different color on each side of it--as well as where to buy them. Plus, every template you'll need is included at the back of the book.

**My Prescription for Anti-Depressive Living** Jonathan Adler 2005-11-08 My Prescription for Anti-Depressive Living offers a window into the life and mind of an extraordinarily creative person who was once told by a pottery professor that he had no talent and should consider another career. Not only did Adler stick with pottery, he transformed it from a dreary, unappealing summer camp craft into a contemporary signifier of modern, handcrafted luxury and became America's first (and only) celebrity potter. Interior designer Bill Sofield has declared, "Jonathan Adler does for American pottery what Noel Coward did for cocktail parties -- he makes life witty, sophisticated, and simply delicious." And now, on a much larger canvas, Adler reveals how you can do the same. My Prescription for Anti-Depressive Living explores Jonathan's own tongue-in-cheek design "manifesto," with each chapter devoted to a different "tenet," moving through the major incarnations of his interiors and products and ending with the story of his personal creative odyssey. The book is a visual feast, jam-packed with images of interiors and objects for the home, both those designed by Jonathan and those that have inspired him. At the heart of the book are ten of Adler's signature interiors, ranging from photographer Andrea Stern's landmark modernist beach house to the Parker Palm Springs, a desert resort that Adler gave a head-to-toe makeover. Overviews and details of the Parker are prominently featured throughout

the book, as are images of the three homes (in Greenwich Village, Shelter Island, and Palm Beach) Jonathan and his partner, Simon Doonan, share with their dog, Liberace, and five other private residences. Part portrait of the artist as a young decorator, part call to armchairs, Adler's much-anticipated literary debut is spirited, provocative, and, ultimately, inspiring.

**The Art of the Fold** Hedi Kyle 2018-10-02 The renowned and influential book artist Hedi Kyle shows you step-by-step how to create her unique designs, using folding techniques. **Crepe Paper Flowers** Lia Griffith 2018-08-07 With 30 projects and an introduction to both crafting paper flowers and working with crepe paper, this book is full of inspiration and expert advice for beginners. If you have a Cricut Maker, you can download the templates to your machine so you can enjoy your own homemade bouquets in no time. Crepe paper is the best material for creating paper flowers, especially for beginners. It's forgiving and malleable--easy to cut, bend, curl, and shape into peony petals, daffodil trumpets, chrysanthemum blooms, and more. And if you have a Cricut Maker, you can easily cut out the shapes from templates you download for free on Lia Griffith's website using a code. Then, follow instructions for crafting the flowers to arrange and display in vases and pots and as bouquets and wreaths.

**Asgard and the Gods** Wilhelm Wagner 1887  
**Yeti and the Bird** Nadia Shireen 2015-02-24 Even hairy, scary monsters need friends! This heartwarming tale of unlikely playmates features bright artwork and a sweet message from the author-illustrator of Hey, Presto! and Good Little Wolf. Deep in the forest lives the biggest, hairiest, scariest yeti anyone has ever seen. And he is also the loneliest yeti around. Then one day...THUNK! Someone lands on Yeti's head. And that someone isn't scared of Yeti at all. Could that someone be a friend? This fun story of fur, feathers, and friendship delights and inspires—a welcome reminder that friends can be found in even the most improbable places.
