Living among Free-Range Humans Sharon May 2004-12-22 Living among Free-Range Humans: A Collection of Humor on the Species is a collection of her readers' favorite columns over the six years since author Sharon May began writing her humor column for the Hurricane Valley Journal, a newspaper serving the fast-growing southern Utah community of the Hurricane Valley, doorway to the Grand Circle of National Parks of the Southwest. The book's eight chapters focus on the ordinary craziness of life that we all experience, such as modern life's droll ironies, the universally humorous scuffles in the female-male relationship, the not-always delightful whimsy of Mother Nature, the weirdness of pet behavior, a witty take on the holiday experience, the sometimes peculiar regionalisms encountered in moving to and taking up life in small-town southern Utah, a comic look inside the high school classroom, and the laughable personal foibles we can all relate to, not the least of which is encountering the disconcerting changes of middle age—all delivered in an entertaining mix of intelligent wit and gentle sarcasm. This is a book that is universal in its appeal to both genders and to all ages. You are bound to recognize something of your own experiences in its pages, something sure to elicit a knowing chuckle, brighten your outlook, and keep a grin on your face.

Christmas Judith Flanders 2017-10-24 A critically acclaimed New York Times bestselling author explores the Christmas holiday, from the original festival through present day traditions.

Christmas has always been a magical time. Or has it? Thirty years after the first recorded Christmas, the Pope was already warning that too many people were spending the day, not in worship, but in partying and eating to excess. By 1616, the playwright Ben Jonson was nostalgically remembering Christmas in the old days, certain that it had been better then. Other elements of Christmas are much newer – who would have thought gift-wrap is a novelty of the twentieth century? That the first holiday parade was neither at Macy's, nor even in the USA? Some things, however, never change. The first known gag holiday gift book, *The Boghouse Miscellany*, was advertised in the 1760s 'for gay Gallants, and good companions', while in 1805, the leaders of the Lewis and Clark expedition exchanged – what else? – presents of underwear and socks. Christmas is all things to all people: a religious festival, a family celebration, a period of eating and drinking. In *Christmas: A Biography*, bestselling author and

acclaimed social historian Judith Flanders casts a sharp eye on myths, legends and history, deftly moving from the origins of the holiday in the Roman empire, through Christmas trees in central Europe, to what might be the first appearance of Santa Claus - in Switzerland - to draw a picture of the season as it has never been seen before.

So Far Out That He's In Robert Winthrop Curley For thirty-three years Robert Curley worked as a reporter and photographer for newspapers in Rome, Oneida, and Syracuse, New York. In this colorful memoir he vividly recounts the many remarkable events and personal encounters of his long career and rich family life. Through a series of imaginary dialogues with his alter ego Win, Curley (aka Prof. Quirky) examines the politics, history, and popular culture of the last two decades. There are opinions galore here, plus prognostications and some Irish blarney as well. One might assume that a newspaperman in central New York State would be confined to issues of only regional interest. But in fact Mr. Curley had opportunities to meet and interview several world-class newsmakers, including Robert Kennedy; New York Governors W. Averell Harriman, Nelson Rockefeller, and Hugh Carey; New York City Mayor John Lindsey; Henry Kissinger; Mikhail Gorbachev; and author Alex Haley. Among the highlights of these meetings was a handshake and photo-op with Mikhail Gorbachev, Henry Kissinger predicting in an interview that the Soviet Union would collapse, and a gift from Alex Haley of an unpublished chapter from his soon-to-be released biography of Malcolm X. Many more similar episodes of interest fill this work, along with political commentary and much appreciation for his wife of many years and family of six children and numerous grandchildren. Robert Winthrop Curley Sr. (Oneida, NY) received a degree in journalism from Rider College in Trenton, NJ, in 1954, and then spent the next thirty-three years as a reporter and photographer in Rome, Oneida, and Syracuse, NY. A veteran of both the Coast Guard and the U.S. Army, in his youth he won the base middleweight boxing championship and served as the supply sergeant for an army field bakery that fed 100,000 men a day. Later in life he founded the 1988 Peace Club in an effort to bring an end to the Cold War, which eventually led to a meeting with Mikhail Gorbachev.

Rudolph the Red-Nosed Reindeer Ronald D. Lankford, Jr. 2016-10-04 Ronald D. Lankford has written the definitive history of this iconic and much-loved Christmas character. Rudolph the Red-Nosed Reindeer was the creation of Robert May, a staff copywriter who wrote the original poem as a Montgomery Ward Christmas giveaway in 1939. More than 2.4 million copies were printed and given away that holiday season. Thus the legend began. Johnny Marks adapted the poem into what would become the Gene Autry hit "Rudolph the Red-Nosed Reindeer," which instantly became - and still remains - one of the most popular Christmas songs of all time. The legend of Rudolph soared even higher with the Rankin/Bass stop-motion television special in 1964, which has gone on to inspire a cottage industry of toys and decorative items. In this festive and informed look at the most famous reindeer of all, Lankford discusses all of Rudolph's iterations, including comic books, sequels, advertising tie-ins, movies, and much more. Lankford has produced the first complete history of Rudolph that both celebrates and explains the undying popularity of Rudolph and his friends. The result is both a glowing tribute and a rigorously researched biography that will appeal to fans and lovers of classic American holiday culture.

Rudolph the Red-Nosed Reindeer Robert L. May 2011-11-01 Fans of the greatest reindeer of all will have a double helping of Christmas fun with this collection, which includes the title story plus "Rudolph Shines Again." Near and dear to so many hearts, this is the story, the original story, of Rudolph the Red-Nosed Reindeer, written by Robert L. May in 1939. Rudolph, loveable and generous, humble and good, embodies the spirit of Christmas, and reminds us of the magical possibilities that exist within us all. In the companion story, "Rudolph Shines Again," Rudolph loses his light and is certain he is of no use to Santa now; he decides to go far away, where no one knows how bright his nose used to be. But on his journey, something magical happens. As enchanting as the original story, Robert L. May's uplifting sequel to his classic tale Rudolph the Red-Nosed Reindeer is a joyous celebration of the spirit of Christmas. Also included in the audio is a selection of holiday songs for kids to help you ring in the season: "Jingle Bells," "Up on the Housetop," "Deck the Halls," "Over the River and through the Woods," "We Wish You a Merry Christmas," and "O, Christmas Tree."

Rudolph the Red-Nosed Reindeer Thea Feldman 2016-10-04 The Rudolph the Red-Nosed Reindeer television special first aired on December 6, 1964.
