All the Pretty People Ariel Gore 2011 Told through an authentic voice, the flash-memoir stories in this book bring out all of the dirt on the 1970s suburban hippies that author Ariel Gore used to know in California—the pretty people she wanted to be but never quite felt she was. At times heartrending and heartwarming, it's a queer love story with no shortage of shame, violence, and Barbie envy.

Mister Finch Mister Finch 2014-08 This first book by famous textile artist Mister Finch is a gorgeous collection of the artist's fantastical, one-of-a-kind creatures. Drawing inspiration from the natural world, as well as British folklore, Finch mingles fairytales and reality to create a magical world all his own. Peek inside Finch's Yorkshire studio, a place brimming with buttons and scraps of fabric, where spindly-legged spiders keep watch over mischievous hares and carpet-winged moths perch majestically atop bookshelves. Finch's critters have been called "wonderfully peculiar and completely charming," "a joy for the eye and the soul." Many of these pieces were born of treasures lost and forgotten: velvet curtains from an old hotel, a threadbare wedding dress and a vintage apron become birds and beasts, looking for new owners and adventures. The pages of this book are strewn with creatures who prove that anything is possible in the fairytale world of Mister Finch.

Disney Frozen Polar Nights: Cast Into Darkness Jen Calonita 2022-07-19 Anna, Queen of Arendelle, has been tirelessly preparing for the Polar Night's Celebration that is held every year to welcome the time when the sun doesn't rise in the Polar Circle. She has been working so hard, her fiancé Kristoff suggests she take a night off to visit her sister Elsa, the Snow Queen. Anna loves the idea. Accompanied by Kristoff, Sven, and Olaf, Anna reunites with Elsa in the Enchanted Forest. After telling spooky stories around the campfire, Olaf swears that one of the creatures of their tales has come to life! Who else is responsible for the sudden onset of storms and the earlier than normal darkening of the skies? Why else is everyone starting to become so forgetful? Anna and Elsa join forces to determine what is going on. Together they recall Kristoff's terrifying tale about a princess who turned into a draugr—an undead creature that steals memories in an effort to make others forget the misdeeds it committed when it was alive. Is it possible that Kristoff inadvertently unearthed memories of a draugr, and thus unleashed the monster upon Arendelle? Anna and Elsa must uncover the real story behind the tale before everyone in Arendelle forgets who they are and is cast into darkness forever....

Veronica Lake Paper Dolls 2012-01-01 One star streaked across the Hollywood firmament during the 1940s and became an instant icon of the WWII years. Veronica Lake, was a very petite, sultry actress who became famous for her peek-a-boo hair-do that almost covered one eye. Her career was brief, but her fame lives on and now Paper Studio Press is publishing a lavish paper doll book filled with costumes from many of her famed film noir hits. The book, created by artist David Wolfe and Richard Fellows (an expert on the Veronica Lake), features three Veronica dolls and eight pages of glamorous '40s fashions from her personal wardrobe and screen appearances including The Blue Dahlia, This Gun for Hire, The Glass Key, I Wanted Wings, I Married a Witch, Sullivan's Travels and Duffy's Tavern. Authenticated by Mr. Fellows who also penned a biography included in the book. Film buffs and vintage fashion fans will find this book to be a treasured collectible.

Heroes of History Will Durant 2002-04-23 In the tradition of his own bestselling masterpieces *The Story of Civilization* and *The Lessons of History*, Pulitzer Prize-winning historian Will Durant traces the lives and ideas of those who have helped to define civilization, from its dawn to the beginning of the modern world. *Heroes of History* is a book of life-enhancing wisdom and optimism, complete with Durant's wit, knowledge, and unique ability to explain events and ideas in simple, exciting terms. It is the lessons of our heritage passed on for the edification and benefit of future generations—a fitting legacy from America's most beloved historian and philosopher. Will Durant's popularity as America's favorite teacher of history and philosophy remains undiminished by time. His books are accessible to readers of every kind, and his unique ability to compress complicated ideas and events into a few pages without ever "talking down" to the reader, enhanced by his memorable wit and a razor-sharp judgment about men and their motives, made all of his books huge bestsellers. *Heroes of History* carries on this tradition of making scholarship and philosophy understandable to the general reader, and making them good reading, as well. At the dawn of a new millennium and the beginning of a new century, nothing could be more appropriate than this brilliant book that examines the meaning of human civilization and history and draws from the experience of the past the lessons we need to know to put the future into context and live in confidence, rather than fear and ignorance.

Ugly Ronney Sandra Kiss 2021-06-22 Ronney is an introverted young woman with a disgraceful appearance. She lives humbly in one of the poorest neighborhoods of Sheryl Valley, a town corrupted by the mafia in

Southern California. With no diploma, she works hard in her parents' restaurant and provides voice-overs for children's animated movies during the weekend. In accordance with a long-standing family tradition, Ronney's twenty-fifth birthday celebration comes with a dare from her cousins: she must knock on the front door of the infamous Khan household. The Khans' reputation proceeds them, rumored to be in association with the mafia. But when Ronney knocks on the door, before she has the chance to run, the Khan family matriarch, Camilia, takes an interest in Ronney. Ronney's lack of conventional beauty and disinterest in fashion draws Camilia in, leading her to offer Ronney the position of personal assistant to her eldest son, Yeraz, with a substantial salary at stake. It's an offer Ronney cannot refuse. To keep her job, Ronney's task is simple: do not fall in love with Yeraz. "Easy," she thinks. But what if destiny decides otherwise? Ugly Ronney is a romance in which the heroes enter the gallery of legendary lovers.

Sick Tom Leveen 2013-10-01 Brian and his friends are not part of the cool crowd. They're the misfits and the troublemakers—the ones who jump their high school's fence to skip class regularly. So when a deadly virus breaks out, they're the only ones with a chance of surviving. The virus turns Brian's classmates and teachers into bloodthirsty attackers who don't die easily. The whole school goes on lockdown, but Brian and his best friend, Chad, are safe (and stuck) in the theater department—far from Brian's sister, Kenzie, and his ex-girlfriend with a panic attack problem, Laura. Brian and Chad, along with some of the theater kids Brian had never given the time of day before, decide to find the girls and bring them to the safety of the theater. But it won't be easy, and it will test everything they thought they knew about themselves and their classmates.

Praise for **SICK** "The gore and action will leave enthralled readers thrilled and then sated with each kill on either side." —Booklist "Between the pacing and the heroes' salty, blue language (full of lovingly creative, genital-inspired insults), reluctant readers who love zombies will devour it, right up to the abrupt end." —Kirkus Reviews "Sick is well written, with great detail, even if it is a little gory." —VOYA Magazine Awards 2014 Quick Picks for Reluctant Young Readers list from YALSA

The Handbook of Ordinary Heroes Jigme Rinpoche 2019-09-03 Buddhism is said to be universal because it transcends all notions of time and culture. A French shepherd from the Middle Ages can apply it just as easily as a Singaporean businessman from the twenty-first century. The Buddha's teachings offer a method for understanding how to be and how to act—in other words, how to live our humanity while taking care of ourselves and others. The heroes referred to in this book are ordinary beings like us who choose to develop as individuals through their understanding and application of kindness and compassion. These heroes are bodhisattvas who wish for all beings to meet with lasting happiness and to experience protection from all causes for unhappiness. This handbook provides accessible explanations of what it means to live like a bodhisattva and offers a series of simple exercises directly related to daily life. It gives us key points for facing the difficulties we encounter in a new way and perceiving our lives according to altruistic values. Born in Tibet in 1949, Lama Jigme Rinpoche grew up and received his education with the principal teachers of the Kagyu lineage of Tibetan Buddhism. The Sixteenth Karmapa named Lama Jigme Rinpoche as his official representative and the spiritual director of Dhagpo Kagyu Ling in France. Ever since, Lama Jigme Rinpoche has filled this role. Strengthened by many years of experience in the West, his unique and modern approach renders the Buddha's millennia-old wisdom accessible and allows students to apply it concretely in daily twenty-first-century life.
