The Disappearing Spoon Sam Kean, 2010-07-12 From New York Times bestselling author Sam Kean comes incredible stories of science, history, finance, mythology, the arts, medicine, and more, as told by the Periodic Table. Why did Gandhi hate iodine (I, 53)? How did radium (Ra, 88) nearly ruin Marie Curie's reputation? And why is gallium (Ga, 31) the go-to element for laboratory pranksters? The Periodic Table is a crowning scientific achievement, but it's also a treasure trove of adventure, betrayal, and obsession. These fascinating tales follow every element on the table as they play out their parts in human history, and in the lives of the (frequently) mad scientists who discovered them. *THE DISAPPEARING SPOON* masterfully fuses science with the classic lore of invention, investigation, and discovery--from the Big Bang through the end of time. *Though solid at room temperature, gallium is a moldable metal that melts at 84 degrees Fahrenheit. A classic science prank is to mold gallium spoons, serve them with tea, and watch guests recoil as their utensils disappear.

Anime Rayna Denison, 2015-10-22 *Anime: A Critical Introduction* maps the genres that have thrived within Japanese animation culture, and shows how a wide range of commentators have made sense of anime through discussions of its generic landscape. From the battling robots that define the mecha genre through to Studio Ghibli's dominant genre-brand of plucky shojo (young girl) characters, this book charts the rise of anime as a globally significant category of animation. It further thinks through the differences between anime's local and global genres: from the less-considered niches like nichijo-kei (everyday style anime) through to the global popularity of science fiction anime, this book tackles the tensions between the markets and audiences for anime texts. Anime is consequently understood in this book as a complex cultural phenomenon: not simply a "genre," but as an always shifting and changing set of texts. Its inherent changeability makes anime an ideal contender for global dissemination, as it can be easily re-edited, translated and then newly understood as it moves through the world's animation markets. As such, *Anime: A Critical Introduction* explores anime through a range of debates that have emerged around its key film texts, through discussions of animation and violence, through debates about the cyborg and through the differences between local and global understandings of anime products. *Anime: A Critical Introduction* uses these debates to frame a different kind of understanding of anime, one rooted in contexts, rather than just texts. In this way, *Anime: A Critical Introduction* works to create a space in which we can rethink the meanings of anime as it travels around the world.

Twelve Years a Slave Solomon Northup, 2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Northup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

A History of Writing in Japan Christopher Seeley, 2023-11-20 This book deals chronologically with the history of writing in Japan, a subject which spans a period of 2,000 years, beginning with the transmission of writing from China in about the first or second century AD, and concluding with the use of written Japanese with computers. Topics dealt with include the adoption of Chinese writing and its subsequent adaptation in Japan, forms of writing employed in works such as the *Kojiki* and *Man'yōshū*, development of the kana syllabaries, evolution of mixed character-kana orthography, historical kana usage, the rise of literacy during the Edo period, and the main changes that have taken place in written Japanese in the modern period (ca. 1868 onwards). This is the first full-length work in a European language to provide the Western reader with an overall account of the subject concerned, based on extensive examination of both primary and secondary materials.

Adventure Time: the Enchiridion and Marcys Super Secret Scrap Boo Adventure Time, 2016-02-01

Sissy Dreams: From Boyfriend to Girlfriend Paul Zante, Receiving a text from Sasha, my girlfriend, at work was always risky. Especially when she wanted to know if her girlfriend was horny. A short and sweet (and filthy) story.

Fresh from the Farm 6pk Rigby, 2006

Tropical Plant Science G. K. Berrie, A. Berrie, J. M. O. Eze, 1987

Tacky Rax King, 2021-11-02 An irreverent and charming collection of deeply personal essays about the joys of low pop culture and bad taste, exploring coming of age in the 2000s in the age of Hot Topic, Creed, and frosted lip gloss—from the James Beard Award-nominated writer of the *Catapult* column *Store-Bought Is Fine*—Tacky is about the power of pop culture—like any art—to imprint itself on our lives and shape our experiences, no matter one's commitment to good taste. These fourteen essays are a nostalgia-soaked antidote to the millennial generation's obsession with irony, putting the aesthetics we hate to love—snakeskin pants, *Sex and the City*, Cheesecake Factory's gargantuan menu—into kinder and sharper perspective. Each essay revolves around a different maligned (and yet, Rax would argue, vital) cultural artifact, providing thoughtful, even romantic meditations on desire, love, and the power of nostalgia. An essay about the gym-tan-laundry exuberance of Jersey Shore morphs into an excavation of grief over the death of her father; in *You Wanna Be On Top*, Rax writes about friendship and early aughts girlhood; in another, Guy Fieri helps her heal from an abusive relationship. The result is a collection that captures the personal and generational experience of finding joy in caring just a little too much with clarity, heartfelt honesty, and Rax King's trademark humor. A VINTAGE ORIGINAL

Moon-face and Other Stories Jack London, 1906 JACK LONDON (1876-1916), American novelist, born in San Francisco, the son of an itinerant astrologer and a spiritualist mother. He grew up in poverty, scratching a living in various legal and illegal ways - robbing the oyster beds, working in a canning factory and a jute mill, serving aged 17 as a common sailor, and taking part in the Klondike gold rush of 1897. This various experience provided the material for his works, and made him a socialist. *The Son of the Wolf* (1900), the first of his collections of

tales, is based upon life in the Far North, as is the book that brought him recognition, *The Call of the Wild* (1903), which tells the story of the dog Buck, who, after his master's death, is lured back to the primitive world to lead a wolf pack. Many other tales of struggle, travel, and adventure followed, including *The Sea-Wolf* (1904), *White Fang* (1906), *South Sea Tales* (1911), and *Jerry of the South Seas* (1917). One of London's most interesting novels is the semi-autobiographical *Martin Eden* (1909). He also wrote socialist treatises, autobiographical essays, and a good deal of journalism.

Saiko and Lavender Diana X. Sprinkle, Michael Vega, 2003 Lavender the Purple Cat girl is the owner of a small magic potion shop with problems...many problems. Aside from her store being overrun by poisonous, pygmy elephants, the occasional alien abduction and the devil, a giant magic store chain has decided to move in next door and crush her hopes of ever making a sale. Not to mention that her only employee and faster than the speed of light bunny, Saiko, has the attention span of a chickpea and a disturbing affection for Lavender's enchanted car. Now Lavender must think fast before an over-zealous ex-superhero health inspector shuts her down for good. Will Lavender meet the inspector's demands on time? Where are the poisonous vermin coming from? Will Saiko's love for cars go too far? This publisher is a new client to Diamond Book Distributors!

Trichier Alessandra Ceretto,

Rorschach (2020-) #7 Tom King, 2021-04-13 Wil Myerson might have been the creator of Pontius Pirate, the most popular comic in history, before he put on the Rorschach mask and tried to kill a would-be president, but he's not the only artist who worked on the character. Other artists fell under Wil's influence, and now all these years later, his more renowned acolyte has fallen sway to Laura, the #1 Myerson superfan. Is it possible she influenced another comic book legend into playing vigilante? The key here is that tape the detective is trying to decipher, the one with the séance that has been haunting him since the very first issue! All this and a cameo by Dr. Manhattan to boot!

Estimating Market Value and Establishing Market Rent at Small Airports Aviation Management Consulting Group, Inc, Aeroplex Group Partners, Decker Associates, DKMG Consulting, Hangar Network, 2020 Staff from smaller airports typically lack specialized expertise in the negotiation and development of airport property or the resources to hire consultants. ACRP Research Report 213 provides airport management, policymakers, and staff a resource for developing and leasing airport land and improvements, methodologies for determining market value and appropriate rents, and best practices for negotiating and re-evaluating current lease agreements. There are many factors that can go into the analysis, and this report reviews best practices in property development.--Foreword.

Yvain Chretien de Troyes, Chrétien (de Troyes), 1987-09-10 A twelfth-century poem by the creator of the Arthurian romance describes the courageous exploits and triumphs of a brave lord who tries to win back his deserted wife's love

Duty and Desire Book Club Edition Anju Gattani, 2021-01-27 To uphold family honor and tradition, Sheetal Prasad is forced to forsake the man she loves and marry playboy millionaire Rakesh Dhanraj while the citizens of Raigun, India, watch in envy. On her wedding night, however, Sheetal quickly learns that the stranger she married is as cold as the marble floors of the Dhanraj mansion. Forced to smile at family members and cameras and pretend there's nothing wrong with her marriage, Sheetal begins to discover that the family she married into harbors secrets, lies and deceptions powerful enough to tear apart her world. With no one to rely on and no escape, Sheetal must ally with her husband in an attempt to protect her infant son from the tyranny of his family.sion.

Raising Vegetarian Children Joanne Stepaniak, Vesanto Melina, 2002-10-16 This handbook aims to debunk the myth that vegetarian diets provide inadequate nutrition for growing children. Separate chapters address the needs of infants, preschoolers, school-age children, and teenagers. There are lots of child-friendly recipes, and a resources section.
