Mendl Mann's 'The Fall of Berlin' ,2020-11-30 Mendl Mann's autobiographical novel *The Fall of Berlin* tells the painful yet compelling story of life as a Jewish soldier in the Red Army. Menakhem Isaacovich is a Polish Jew who, after fleeing the Nazis, finds refuge in the USSR. Translated into English from the original Yiddish by Maurice Wolfthal, the narrative follows Menakhem as he fights on the front line in Stalin's Red Army against Hitler and the Nazis who are destroying his homeland of Poland and exterminating the Jews. Menakhem encounters anti-Semitism on various occasions throughout the novel, and struggles to comprehend how seemingly normal people could hold such appalling views. As Mann writes, it is odd that vicious, insidious anti-Semitism could reside in a person with elevated feelings, an average person, a decent person. *The Fall of Berlin* is both a striking and timely look at the struggle that many Jewish soldiers faced. An affecting and unique book, which eloquently explores a variety of themes – such as anti-Semitism, patriotism, Stalinism and life as a Jewish soldier in the Second World War – this is essential reading for anyone interested in the Yiddish language, Jewish history, and the history of World War II.

**Twelve Years a Slave** Solomon Northup,2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative *'Twelve Years a Slave'* depicts Northup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try *'Uncle Tom's Cabin'* by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir *'Twelve Years a Slave'*. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. *'Twelve Years a Slave'* was published a year after *'Uncle Tom's Cabin'* by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

*At the Gates of Moscow* Mendel Mann,1963 A Polish Jew in the Soviet Army is promoted, made an interpreter, but becomes the victim of deep-seated Russian anti-Semitism in 1941.

**Marshal of Victory** Georgy Zhukov,2014-01-13 The complete and unredacted autobiography by Stalin's star general, chronicling his many campaigns throughout WWII. At Moscow, Leningrad, Stalingrad, Kursk and Berlin—as well as virtually all the principal battles on the Eastern Front during the Second World War—Georgy Zhukov played a major role. He was Stalin's pre-eminent general throughout the conflict, and he chronicled his brilliant career as he saw it in this essential text. Here, Zhukov reveals intriguing insights into who he was, both as a man and as a commander. He also delves into the military thinking and decision-making at the highest level of the Soviet command—making this volume essential reading for anyone studying the conflict in the east. This edition of the memoirs, which were first published in heavily censored form, features an introduction by Professor Geoffrey Roberts in which he summarizes the additional material omitted from previous editions. He also provides, in an appendix, a translation of Zhukov's account of the 1953-7 period as well as an interview with Zhukov that has previously not been available in English.

The Pogroms in Ukraine, 1918-19: Prelude to the Holocaust Nokhem Shtif, 2019-06-10 Between 1918 and 1921 an estimated 100,000 Jewish people were killed, maimed or tortured in pogroms in Ukraine. Hundreds of Jewish communities were burned to the ground and hundreds of thousands of people were left homeless and destitute, including orphaned children. A number of groups were responsible for these brutal attacks, including the Volunteer Army, a faction of the Russian White Army. The Pogroms in Ukraine, 1918-19: Prelude to the Holocaust is a vivid and horrifying account of the atrocities committed by the Volunteer Army, written by Nokhem Shtif, an eminent Yiddish linguist and social activist who joined the relief efforts on behalf of the pogrom survivors in Kiev. Shtif's testimony, published in 1923, was born from his encounters there and from the weighty archive of documentation amassed by the relief workers. This was one of the earliest efforts to systematically record human rights atrocities on a mass scale. Originally written in Yiddish and here skillfully translated and introduced by Maurice Wolfthal, The Pogroms in Ukraine, 1918-19 brings to light a terrible and historically neglected series of persecutions that foreshadowed the Holocaust by twenty years. It is essential reading for academics and students in the fields of human rights, Jewish studies, Russian and Soviet studies, and Ukraine studies. Maurice Wolfthal has also written the award-winning translation of Bernard Weinstein's The Jewish Unions in America, also published by Open Book Publishers.

In the Shadow of the Red Banner Yitzhak Arad, 2010 Over 500,000 Jews fought under the Soviet banner in World War Two, of which an approximate 40 percent gave their lives - the highest percentage of all the nations of the Soviet Union and among all the other nations that fought in the Second World War. Dr. Arad now sets the record straight on the immense contribution of Soviet Jewry in the battle against Nazi Germany, a part of history long concealed by the Soviet government. After outlining the military progress of the war, the book documents the contributions of Soviet Jewry on the battlefronts and in the weapons development industry, in the ghetto undergrounds and in partisan warfare. In addition, the book records the Soviet government's deliberate attempts to downplay the Jewish effort and the anti-Semitism that Jewish soldiers and partisan groups suffered at the hands of the Soviet establishment, even while giving their lives for their country. Replete with the stories of individual heroes of all ranks, the book pays a debt of gratitude to those who paid the ultimate price to achieve our victory.

Out of the Red Shadows Gennadii Kostyrchenko, 1995 Sifting through thousands of recently declassified documents in the formerly secret archives of the Central Committee of the Communist Party and the KGB, Gennadi Kostyrchenko uncovers irrefutable evidence of Stalin's intentionally anti-Semitic policy. The documents describe the suppression of all free manifestations of Jewish life, forced assimilation, and the purging of Jews from most official positions.

**Who Will Write Our History?** Samuel D. Kassow, 2018-08-01 In 1940, the historian Emanuel Ringelblum established a clandestine organization, code named Oyneg Shabes, in Nazi-occupied Warsaw to study and document all facets of Jewish life in wartime Poland and to compile an archive that would preserve this history for posterity. As the Final Solution unfolded, although decimated by murders and deportations, the group persevered in its work until the spring of 1943. Of its more than 60 members, only three survived. Ringelblum and his family perished in March 1944. But before he died, he managed to hide thousands of documents in milk cans and tin boxes. Searchers found two of these buried caches in 1946 and 1950. Who Will Write Our History tells the gripping story of Ringelblum and his determination to use historical scholarship and the collection of documents to resist Nazi oppression.

The Moments We Stand Ashlee Birk, Kathy Campbell, 2014-07-30 My name is Ashlee. I am a victim of murder. Through a series of events and by two shots of a gun, I was made a widow at the age of 28, with my youngest child just six weeks old. I am a victim of infidelity. I have felt unlovable. I have felt rejected. I have had days in my life when I wasn't sure if I would ever take a breath again, let alone be able to raise my five children by myself. I have lived in fear. I have felt much heartache. I have felt truly broken to my core. I have carried some heavy burdens...not only of my own, but burdens put upon my shoulders by the death of my husband. I have felt alone. I have felt humiliated. I have been humbled to my knees. I have searched my soul to find my worth in this world, and in the life that was left for me. My world has been totally shattered. I have faced realities I never knew were possible, and found strength within myself to keep up the fight and live every day as if it was on purpose. I have been carried by Angels...both earthly beings and those unseen. I have found that being a victim doesn't mean we have an excuse to stop living. Being a victim means finding a reason for seeking a higher road. I have picked up the pieces left and carried on. I am a mother. We are survivors. In one way or another, we are all victims. There are times in our lives when we are forced to question who we are at our core. When we are presented with a path...we can go this way or we can choose that way. For some, this moment comes when the one person whom we love the most decides we are not enough. This person leave us-at a most vulnerable moment-alone to search within ourselves for who we really are. We are left trying to find who it is that was left behind. Sometimes the person we love dies. Sometimes it is merely an internal battle we are facing...all alone inside our minds. Whatever the situation and wherever you have been...you have been hurt. You have felt alone. You have been abandoned, either by your parents, your lover, your friends, complete strangers, or even yourself. We have all been at that crossroad where all we have left is ourselves.

Sometimes these moments of lows have brought you to your knees and caused you to reflect and ponder your relationship with God...and other times they have made you question if He is even there, or if He knows you are alone. Whatever that moment has been for you, it is personal and real. It has defined and refined who you are, who you think you were, and who you want to become. This is my story...the defining moments that have truly brought me to my knees, the times when I've questioned to my core my very existence, and the experiences I've had that have shown me who I really am and who my Heavenly Father still needs me to become. The night of my husband's death was my darkest hour, but also the very moment when I saw firsthand that my Heavenly Father sent Angels on errands for me. He carried me. It was the hour when all my fears and all the pain of this world collided together and He was there...putting back together all the pieces, one step at a time.

*Blinking with Fists* Billy Corgan, 2004-10-01 the river runs south/thru barrios and ghettos and starched neighborhood squares and everywhere the dogs howl I don't even trust the sound of my own voice here my own impermanence haunts me, but this thought alone relieves the pressure from the mirror to the gutter, gutter tongued my heart speaks to the silence in me let me walk alone/home as the dead stoplights wave goodnight -from *The River Runs Foul* Having risen to fame during the grunge era in the early 90s, Billy Corgan is among the most respected figures of the alternative rock world—a visionary artist who, over a decade later, still commands a devoted following. Long admired for his evocative songwriting, Corgan here embarks on a deeper exploration of literary terrain as a poet. Full of “the regretful melancholy of his music [and] the rhythmic, angular wordplay of his best Pumpkins lyrics (Jeff Vrabel, Chicago Sun-Times), the poems in this collection form an imagistic journey through the intensely personal as Corgan throws into sharp relief issues of love, loss, identity, and loyalty. Crafted with a thoughtful and cadenced approach that shares the same allegiance to thunder and quiet found in his music, these writings further solidify Corgan's place as the voice of a generation.
