Origami Design Secrets Robert J. Lang
2011-10-05 The magnum opus of one of the world's leading origami artists, the second edition of *Origami Design Secrets* reveals the underlying concepts of origami and how to create original origami designs. Containing step-by-step instructions for 26 models, this book is not just an origami cookbook or list of instructions—it introduces the fundamental building blocks of origami, building up to advanced methods such as the combination of uniaxial bases, the circle/river method, and tree theory. With corrections and improved illustrations, this new expanded edition also covers uniaxial box pleating, introduces the new design technique of hex pleating, and describes methods of generalizing polygon packing to arbitrary angles. With coverage spanning the foundations of origami construction and advanced methods using both paper and pencil and custom-built free software, *Origami Design Secrets* helps readers cultivate the intuition and skills necessary to develop their own designs. It takes them beyond merely following a recipe to crafting a work of art.

[Is Daddy Coming Back in a Minute?](#) Elke Barber
2016-07-21 When we were on a No Girls Allowed! holiday, my daddy's heart stopped beating and I had to find help all by myself. He was very badly broken. Not even the ambulance people could help him... This honest, sensitive and beautifully illustrated picture book is designed to help explain the concept of death to children aged 3+. Written in Alex's own words, it is based on the real-life conversations that Elke

Barber had with her then three-year-old son, Alex, after the sudden death of his father. The book provides reassurance and understanding to readers through clear and honest answers to the difficult questions that can follow the death of a loved one, and carries the invaluable message that it is okay to be sad, but it is okay to be happy, too.

The Legend of Spookley the Square Pumpkin Joe Troiano 2014-10-08 One day in the pumpkin patch the strangest little pumpkin hatched . . . Spookley the Pumpkin was different. All the other pumpkins teased him, until Spookley proved that being different can save the day! This perennial best-selling children's book delivers a special message of tolerance and kindness that is just right for fall . . . and any time of year! This fixed-layout ebook, which preserves the design and layout of the original print book, features read-along narration.

[Origami for Halloween](#) Robyn Hardyman
2016-07-15 Even though for many kids Halloween is most associated with trick-or-treating, this holiday hasn't always been about candy! In fact, it's a very old holiday, and a lot of its traditions have lasted many years. Readers will enjoy learning about Halloween's roots while making origami projects to decorate for today's celebrations. A ghost, witch's hat, bat, and jack -o'-lantern are just some of the great paper-folding crafts readers can try by following clear, concise instructions. Full-color photographs guide them through each step and show off the spooky, completed origami!

origami models including: - cute ghosts with a lot of personality but only a few easy folds, - an easy diamond eyes bat, - a skull that you can color and decorate like a Mexican Calavera, - Mr. and Mrs. Ghost, - a pumpkin box to store your candy, - and even a cool talking pumpkin and a spider web in 3D! All models come with full-color diagrams and instructions, and videos are available if you need help. Giving life to paper with just a few folds and your own interpretation The models in this book are easy to fold but have a lot of character, and they give a lot of room for interpretation: - You can personalize many of the models and choose the size of eyes, teeth, arms and wings. - Most of the models do not require very precise folds. Small or big imperfections will make your model unique and give it personality! - Please experiment! Most of the models are quick to fold, so you can make them multiple times, and you can add or change a few folds to give your model a new touch. Folders of all levels - including kids and beginners - will thus be able to find pleasure from folding and interpreting the models in this book!

Big Pumpkin Erica Silverman 2011-08-09 A little bat uses brains over brawn in this not-so-scary Halloween picture book. The witch has grown the biggest pumpkin ever, and now she wants to make herself a pumpkin pie for Halloween. But the pumpkin is so big she can't get it off the vine. It's so big the ghost can't move it, either. Neither can the vampire, nor the mummy. It looks as if there'll be no pumpkin pie for Halloween, until along comes the bat with an idea to save the day. How can the tiny bat succeed where bigger and strong spooky creatures have failed? You'll be surprised!

When More Is Not Enough Amy L. Sullivan 2014-09-20 When more is not enough, what is? Amy L. Sullivan believes no one loves harder and more completely than children. She also believes selfies, cell phones, must-have tech gadgets, and the sparkly allure of possessions lull kids into an insatiable desire for more. "When More is Not Enough " celebrates the idea of more: more prayers cried out, more time spent together, more use of our talents, more interest in strangers, more forgiveness of hurt, more of what Jesus taught us each day of His life. This book focuses on helping children grow generous hearts, tender spirits, and a deep compassion for others. Filled with biblical reasoning, real-life anecdotes, practical resources, and start-this-very-second activities, "When More is Not Enough " is for families who are ready to move from seeing generosity as a series of tasks and instead, turn it into a way life.
