Achtung-Panzer! Heinz Guderian,1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

Taste of Salt Frances Temple,1994-08-05 Every Life Makes a Story Djo has a story: Once he was one of Titid's boys, a vital member of Father Jean-Bertrand Aristide's election team, fighting to overthrow military dictatorship in Haiti. Now he is barely alive, the victim of a political firebombing. Jeremie has a story: Convent-educated Jeremie can climb out of the slums of Port-au-Prince. But she is torn between her mother's hopes and her own wishes for herself ... and for Haiti. Father Jean-Bertrand Aristide has a story: A dream of a new Haiti, one in which every person would have a decent life ... a house with a roof ... clean water to drink ... a good plate of rice and beans every day ... a field to work in. At Aristide's request, Djo tells his story to Jeremie -- for Titid believes in the power of all of their stories to make change. As Jeremie listens to Djo, and to her own heart, she knows that they will begin a new story, one that is all their own, together.

A Hand Full of Stars Rafik Schami,2012-12-28 Amid the turmoil of modern Damascus, one teenage boy finds his political voice in a message of rebellion that echoes throughout Syria and as far away as Western Europe. Inspired by his dearest friend, old Uncle Salim, he begins a journal to record his thoughts and impressions of family, friends, life at school, and his growing feelings for his girlfriend, Nadia. Soon the hidden diary becomes more than just a way to remember his daily adventures; on its pages he explores his frustration with the government injustices he witnesses. A Story, a Story Gail E. Haley,1970-02-01 Many African stories, whether or not they are about Kwaku Ananse the spider man, are called, Spider Stories. This book is about how that came to be. The African storyteller begins: We do not really mean, we do not really mean that what we are about to say is true. A Story, a story; let it come, let it go. And it tells that long, long ago there were no stories on earth for children to hear. All stories belonged to Nyame, the Sky God. Ananse, the Spider man, wanted to buy some of these stories, so he spun a web up to the sky and went up to bargain with the Sky God. The price the Sky God asked was Osebo, the leopard of-the-terrible-teeth, Mmboro the hornet who-stings-like-fire, and Mmoatia the fairy whom-men-never-see. How Ananse paid the price is told in a graceful and clever text, with forceful, lovely woodcut illustrations.
