1998-03-13 Jay Chiat, founder of the prestigious Chiat/Day advertising agency (which created campaigns for the Energizer Bunny and Fruitopia) called it "The best new-business tool ever invented.

Billboard 1945-06-23 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

On Sovereign Ground

Brent Melton 2016-10-21 Sergeant Sebastian Gray is trying to acclimate himself to the ordinary routine of life on base in Corpus Christi, Texas, after being wounded in battle during

a terrorist surge in Syria. When terrorists commence a series of high profile lone-wolf attacks within the United States, his hatred for them is heightened by his inability to take the fight to them. On the anniversary of the deaths of his team, Sebastian finds himself surrounded by terrorists in a well-planned attack on his base. This time, the terrorists are American soldiers. Or are they? With the help of DEA Agent Sean Ray, Sebastian attempts to distinguish friend from foe in a deadly race against time to stop the deadly attack.

The Magical Land of Noom
Johnny Gruelle 1922 When Johnny and Janey take off in their flying machine, Gran'ma and Gran'pa follow them to the "Land Back of the Moon," a place of magic and fantasy.

Billboard 1958-06-16 In its 114th year, *Billboard* remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. *Billboard* publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

Tis Herself Maureen O'Hara 2005-03 The Hollywood star traces her career and personal life, discussing such topics as her relationships with fellow actors, her

marriage to plane crash victim Charles F. Blair, and her work on specific causes.

Open Book Jessica Simpson 2020-02-04 The #1 New York Times Bestseller Jessica reveals for the first time her inner monologue and most intimate struggles. Guided by the journals she's kept since age fifteen, and brimming with her unique humor and down-to-earth humanity, *Open Book* is as inspiring as it is entertaining. This was supposed to be a very different book. Five years ago, Jessica Simpson was approached to write a motivational guide to living your best life. She walked away from the offer, and nobody understood why. The truth is that she didn't want to lie. Jessica couldn't be authentic with her readers if she wasn't fully honest with

herself first. Now America's Sweetheart, preacher's daughter, pop phenomenon, reality tv pioneer, and the billion-dollar fashion mogul invites readers on a remarkable journey, examining a life that blessed her with the compassion to help others, but also burdened her with an almost crippling need to please. Open Book is Jessica Simpson using her voice, heart, soul, and humor to share things she's never shared before. First celebrated for her voice, she became one of the most talked-about women in the world, whether for music and fashion, her relationship struggles, or as a walking blonde joke. But now, instead of being talked about, Jessica is doing the talking. Her book shares the wisdom and inspirations she's

learned and shows the real woman behind all the pop-culture clichés – “chicken or fish,” “Daisy Duke,” “football jinx,” “mom jeans,” “sexual napalm...” and more. Open Book is an opportunity to laugh and cry with a close friend, one that will inspire you to live your best, most authentic life, now that she is finally living hers.

Educational Research R.

Burke Johnson 2016-09-15

Assuming no prior

knowledge, Educational

Research by R. Burke

Johnson and Larry

Christensen offers a

comprehensive, easily

digestible introductory

research methods text

for undergraduate and

graduate students.

Readers will develop an

understanding of the

multiple research methods and strategies used in education and related fields; how to read and critically evaluate published research; and the ability to write a proposal, construct a questionnaire, and conduct an empirical research study on their own. Students rave about the clarity of this best seller and its usefulness for their studies, enabling them to become critical consumers and users of research.

Fast Food Nation Eric Schlosser 2012 Explores the homogenization of American culture and the impact of the fast food industry on modern-day health, economy, politics, popular culture, entertainment, and food production.

Evil Never Dies Cora Hudson 2012-05 Cally was like any other teenage girl; she was smart,

funny, caring, and beautiful. She loved going shopping with her mother, Kate, as well as beating her dad, Bill, at a game of basketball. Sure, she had her fair share of problems, like peer pressure and the occasional arguments with her parents--which usually led to being grounded. However, none of this could ever prepare her for the ultimate problem, an abusive boyfriend. Cally had been with her boyfriend, Ryan, for exactly one year. Nine months of that year was absolutely wonderful. They did everything together and were very much in love. However, the last three months were a pure and living hell for Cally. Ryan had started drinking very heavily and had become mentally and physically abusive. The abuse was terrible for Cally; in only three months Ryan

had busted her lip and had put bruises all over Cally's body. The abuse was getting worse by the day and Cally knew that she had to end the relationship soon. Cally still cared for Ryan, despite his cruel and abusive ways, but she knew that he was not going to change; he was too far gone. Cally had planned to break up with him on prom night, but as a fatal turn of events unfolds, Cally discovers that it's not so easy to escape from Ryan's grip.

Christ Monograms Mark Flynn 2016-10-20 *Christ Monograms* is a daily devotional which examines the meaning behind the Chrismon symbols commonly found on Christmas trees in churches. "Chrismon" is a combination of the words "Christ Monograms." Each symbol on our trees can teach us more about who Jesus

is - which enables us to better understand the meaning of his birth at Christmas. Because these designs have been used by his followers since biblical times, they are the heritage of all Christians and serve to remind us of the one we follow. Studying the symbolism found in Chrismons over the course of the Advent season is a wonderful way to prepare for the birth of Jesus Christ and understand why his coming is the hinge on which all of human history turns.

Endangered Minds Jane M. Healy 2011-07-19 Is today's fast-paced media culture creating a toxic environment for our children's brains? In this landmark, bestselling assessment tracing the roots of America's escalating crisis in education, Jane M. Healy, Ph.D., examines how television,

video games, and other components of popular culture compromise our children's ability to concentrate and to absorb and analyze information. Drawing on neuropsychological research and an analysis of current educational practices, Healy presents in clear, understandable language:

- How growing brains are physically shaped by experience
- Why television programs -- even supposedly educational shows like Sesame Street -- develop "habits of mind" that place children at a disadvantage in school
- Why increasing numbers of children are diagnosed with attention deficit disorder
- How parents and teachers can make a critical difference by making children good learners from the day they are born

American Mafia Thomas

Repetto 2016-06-07

"Repetto's book earns its place among the best . . . he brings fresh context to a familiar story worth retelling."

—The New York Times Book Review Organized crime—the Italian American kind—has long been a source of popular entertainment and legend. Now Thomas Repetto provides a balanced history of the Mafia's rise—from the 1880s to the post-WWII era—that is as exciting and readable as it is authoritative.

Structuring his narrative around a series of case histories featuring such infamous characters as Lucky Luciano and Al Capone, Repetto draws on a lifetime of field experience and access to unseen documents to show us a locally grown Mafia. It wasn't until the 1920s, thanks to Prohibition, that the

Mafia assumed what we now consider its defining characteristics, especially its octopuslike tendency to infiltrate industry and government. At mid-century the Kefauver Commission declared the Mafia synonymous with Union Siciliana; in the 1960s the FBI finally admitted the Mafia's existence under the name La Cosa Nostra. American Mafia is a fascinating look at America's most compelling criminal subculture from an author who is intimately acquainted with both sides of the street.

Paper Wife Laila Ibrahim 2018-10 From the bestselling author of *Yellow Crocus* comes a heart-wrenching story about finding strength in a new world. Southern China, 1923. Desperate to secure her future, Mei Ling's parents arrange a marriage to a

widower in California. To enter the country, she must pretend to be her husband's first wife--a paper wife. On the perilous voyage, Mei Ling takes an orphan girl named Siew under her wing. Dreams of a better life in America give Mei Ling the strength to endure the treacherous journey and detainment on Angel Island. But when she finally reaches San Francisco, she's met with a surprise. Her husband, Chinn Kai Li, is a houseboy, not the successful merchant he led her to believe. Mei Ling is penniless, pregnant, and bound to a man she doesn't know. Her fragile marriage is tested further when she discovers that Siew will likely be forced into prostitution. Desperate to rescue Siew, she must convince her husband that an orphan's life is worth fighting for. Can

Mei Ling find a way to make a real family--even if it's built on a paper foundation?

The Silent Brotherhood
Kevin J. Flynn 1989 This

is the terrifying story of the most dangerous radical-right hate group to surface since the Ku Klux Klan first rode a century ago. The Silent Brotherhood attracted seemingly average citizens with their call for pride in race, family, and religion and their mission to save white, Christian America from a communist conspiracy. Here is how they became criminals and assassins in their effort to establish an Aryan homeland. 8-page photo insert.

Don't Mess It Up Les Trachtman 2018-05-01 In Don't Mess It Up: How Founders and Their Successors Can Avoid the Clichés That Inhibit Growth, author and six-time second CEO Les Trachtman offers his expertise on the most effective ways to successfully hand off your company to a worthy successor. He also has

advice for those who are inheriting a business and want to take it to the next level, as well as for boards who are dealing with these leadership transitions. In his direct, no-nonsense approach, Les shows readers how seemingly harmless business clichés such as “get it right” and “be careful” can have a detrimental effect on a company’s future by conveying that such imperative ingredients such as risk and innovation are things to now be avoided. Readers will learn how to:

- Understand the metamorphosis required to transition from great founder to great CEO
- Know when, and if, it’s time to replace yourself
- Pick the right successor
- Prepare yourself and your company for the fragile transition
- Create a successful CEO

transition • Separate yourself from the company □There is likely no one more experienced in founder transitions than Les Trachtman. He has been an innovative and respected successor at six different companies; let his hard-won advice guide you through your transition and toward success.

The Cold Millions Jess Walter 2020-10-27 “One of the most captivating novels of the year.” – Washington Post NATIONAL BESTSELLER A Best Book of the Year: Bloomberg | Boston Globe | Chicago Public Library | Chicago Tribune | Esquire | Kirkus | New York Public Library | New York Times Book Review (Historical Fiction) | NPR's Fresh Air | O Magazine | Washington Post | Publishers Weekly | Seattle Times | USA Today A Library Reads Pick | An Indie Next Pick From the #1 New

York Times bestselling author of Beautiful Ruins comes another “literary miracle” (NPR)—a propulsive, richly entertaining novel about two brothers swept up in the turbulent class warfare of the early twentieth century. An intimate story of brotherhood, love, sacrifice, and betrayal set against the panoramic backdrop of an early twentieth-century America that eerily echoes our own time, *The Cold Millions* offers a kaleidoscopic portrait of a nation grappling with the chasm between rich and poor, between harsh realities and simple dreams. The Dolans live by their wits, jumping freight trains and lining up for day work at crooked job agencies. While sixteen-year-old Rye yearns for a steady job and a home, his older brother, Gig, dreams of a better

world, fighting alongside other union men for fair pay and decent treatment. Enter Ursula the Great, a vaudeville singer who performs with a live cougar and introduces the brothers to a far more dangerous creature: a mining magnate determined to keep his wealth and his hold on Ursula. Dubious of Gig's idealism, Rye finds himself drawn to a fearless nineteen-year-old activist and feminist named Elizabeth Gurley Flynn. But a storm is coming, threatening to overwhelm them all, and Rye will be forced to decide where he stands. Is it enough to win the occasional battle, even if you cannot win the war? Featuring an unforgettable cast of cops and tramps, suffragists and socialists, madams and murderers, *The Cold*

Millions is a tour de force from a "writer who has planted himself firmly in the first rank of American authors" (Boston Globe).

The Grownup Gillian Flynn 2015 When a charlatan "psychic" visits her Victorian home to find the source of her terror and grief, Susan, the psychic, and her teenage stepson are soon forced to confront the truth about ghosts. *The Billboard* 1948-05 *The Homiletic Review* 1923

Leaders Eat Last Simon Sinek 2017-05-23 Finally in paperback: the New York Times bestseller by the acclaimed, bestselling author of *Start With Why* and *Together is Better*. Now with an expanded chapter and appendix on leading millennials, based on Simon Sinek's viral video "Millennials in the workplace" (150+ million views). Imagine a world

where almost everyone wakes up inspired to go to work, feels trusted and valued during the day, then returns home feeling fulfilled. This is not a crazy, idealized notion. Today, in many successful organizations, great leaders create environments in which people naturally work together to do remarkable things. In his work with organizations around the world, Simon Sinek noticed that some teams trust each other so deeply that they would literally put their lives on the line for each other. Other teams, no matter what incentives are offered, are doomed to infighting, fragmentation and failure. Why? The answer became clear during a conversation with a Marine Corps general. "Officers eat last," he

said. Sinek watched as the most junior Marines ate first while the most senior Marines took their place at the back of the line. What's symbolic in the chow hall is deadly serious on the battlefield: Great leaders sacrifice their own comfort--even their own survival--for the good of those in their care. Too many workplaces are driven by cynicism, paranoia, and self-interest. But the best ones foster trust and cooperation because their leaders build what Sinek calls a "Circle of Safety" that separates the security inside the team from the challenges outside. Sinek illustrates his ideas with fascinating true stories that range from the military to big business, from government to investment banking.

The Psychosocial Implications of Disney Movies

Lauren Dundes
2019-07-11 In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious

reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward. **The Plague Year** Lawrence Wright 2021 Beginning with the absolutely critical first moments of the outbreak in China, and ending with

an epilogue on the vaccine rollout and the unprecedented events between the election of Joseph Biden and his inauguration, Lawrence Wright's *The Plague Year* surges forward with essential information-- and fascinating historical parallels-- examining the medical, economic, political, and social ramifications of the COVID-19 pandemic. Psychology Rose M Spielman 2018-08 The images in this textbook are in color. There is a less-expensive non-color version available - search for ISBN 9781680922363. *Psychology* is designed to meet scope and sequence requirements for the single-semester introduction to psychology course. The book offers a comprehensive treatment of core concepts, grounded in both classic studies and current and

emerging research. The text also includes coverage of the DSM-5 in examinations of psychological disorders. Psychology incorporates discussions that reflect the diversity within the discipline, as well as the diversity of cultures and communities across the globe.

God Delights in the Prayers of His Children
Terri Flynn 2013-03 Are you tired of your prayers lacking power? Would you like them to

be authoritative and prevailing instead? If you're ready for a revitalized prayer life that illustrates the marvelous capability of your Christian walk, then *God Delights in the Prayers of His Children* can help you get there. This collection of faith-building prayers is a powerful resource, designed to encourage believers to communicate intimately with God. Author Terri Flynn shows you how to enrich your prayer life by providing prayers that incorporate Scripture to help you pray with purpose and confidence. She targets specific prayer needs for children, family, finances, healing, deliverance, strength, encouragement, and much more. Flynn shares her spiritual experiences by using devotional prayers and commentary to illustrate how to have a personal relationship

with God. She explores some of the doubts, fears, and perplexities we experience and offers prayers that address these issues. In addition, she reveals the four basic elements of prayer, as well as methods for establishing a prayer life and interceding with power. If you desire an

intimate relationship with God, *God Delights in the Prayers of His Children* provides a foundation to help you develop a life-changing commitment to prayer. Connect your spirit to the knowledge of God's Word through prayer and see Him work in your life!
