Battletech Compendium FASA Corp 1995-09 BattleTech celebrates its tenth anniversary with the BattleTech Compendium: the Rules of Warfare, the ultimate guide to combat in the 31st century. All the rules needed to simulate exciting conflicts between BattleMechs, vehicles, and infantry are included, revising and streamlining material from BattleTech, 3rd Edition, CityTech, 2nd Edition, and the original BattleTech Compendium. The Rules of Warfare also contains a concise history of the BattleTech universe and its movers and shakers, several new BattleMech and OmniTech designs, rules for miniatures play, and full-color illustrations.

BattleTech: Shell Games Jason Schmetzer 2020-05-06 STRENGTH VS. HONOR For more than a decade, the Republic of the Sphere’s army hid in silence behind the mysterious, impregnable Wall of Fortress Republic. But now the Wall has come down, and Paladin Max Ergen, commander of Operation Eruptio, has his sights set on an invaluable prize. His target: Dieron, a Draconis Combine military district capital, a former Republic world harboring secrets from past wars. His troops have spent years training in isolation behind the Wall, and they are hungry for battle, ready to remind the Inner Sphere that the wounded Republic is still a force to be reckoned with. But Dieron is also the fortress of Warlord Kambei Okamoto, one of the Combine’s top military officials, and he and his Dieron Regulars are committed to holding the line and defending their home against Republic aggression, no matter the cost. Although the Republic may have surprise and numbers on their side, the Combine troops boast the strength of an impregnable redoubt—and the keen edge of their own unimpeachable honor. And when these two forces clash, the battle for Dieron will be a titanic one indeed...

Affective Health and Masculinities in South Africa Hans Reihling 2020-04-24 Affective Health and Masculinities in South Africa explores how different masculinities modulate substance use, interpersonal violence, suicidality, and AIDS as well as recovery cross-culturally. With a focus on three male protagonists living in very distinct urban areas of Cape Town, this comparative ethnography shows that men’s struggles to become invulnerable increase vulnerability. Through an analysis of masculinities as social assemblages, the study shows how affective health problems are tied to modern individualism rather than African ‘tradition’ that has become a cliché in Eurocentric gender studies. Affective health is conceptualized as a balancing act between autonomy and connectivity that after colonialism and apartheid has become compromised through the imperative of self-reliance. This book provides a rare perspective on young men’s vulnerability in everyday life that may affect the reader and spark discussion about how masculinities in relationships shape physical and psychological health. Moreover, it shows how men change in the face of distress in ways that may look different than global health and gender-transformative approaches envision. Thick descriptions of actual events over the life course make the study accessible to both graduate and undergraduate students in the social sciences. Contributing to current debates on mental health and masculinity, this volume will be of interest to scholars from various disciplines including anthropology, gender studies, African studies, psychology, and global health.

BattleTech Kevin Stein 1987 Describes and illustrates combat vehicles and other military equipment used in the BattleTech series of games.

Mercenary's Handbook Contemporary Books 1988-12-12 A BattleTech and MechWarrior supplement describing the mercenary way of life.

Explorer Corps Chris Hartford 1996-09-01 This BattleTech takes players and gamemasters on a thrilling journey into the uncharted regions of deep space.

Yvain Chretien de Troyes 1987-09-10 The twelfth-century French poet Chrétien de Troyes is a major figure in European literature. His courtly romances fathered the Arthurian tradition and influenced countless other poets in England as well as on the continent. Yet because of the difficulty of capturing his swift-moving style in translation, English-speaking audiences are largely unfamiliar with the pleasures of reading his poems. Now, for the first time, an experienced translator of medieval verse who is himself a poet provides a translation of Chrétien’s major poem, Yvain, in verse that fully and satisfyingly captures the movement, the sense, and the spirit of the Old French original. Yvain is a courtly romance with a moral tenor; it is ironic and sometimes bawdy; the poetry is crisp and vivid. In addition, the psychological and the socio-historical perceptions of the poem are of profound literary and historical importance, for it evokes the emotions and the values of a flourishing, vibrant medieval past.

Invading Clans Brent Carter 1994

Good Omens Neil Gaiman 2006-02-28 There is a distinct hint of Armageddon in the air. According to The Nice and Accurate Prophecies of Agnes Nutter, Witch (recorded, thankfully, in 1655, before she blew up her entire village and all its inhabitants, who had gathered to watch her burn), the world will end on a Saturday. Next Saturday, in fact. So the armies of Good and Evil are amassing, the Four Bikers of the Apocalypse are revving up their mighty hogs and hitting the road, and the world's last two remaining witch-finders are getting ready to fight the good fight, armed with awkwardly antiquated instructions and stick pins. Atlantis is rising, frogs are falling, tempers are flaring. . . . Right. Everything appears to be going according to Divine Plan. Except that a somewhat fussy angel and a fast-living demon -- each of whom has lived among Earth's mortals for many millennia and has grown rather fond of the lifestyle -- are not particularly looking forward to the coming Rapture. If Crowley and Aziraphale are going to stop it from happening, they've got to find and kill the Antichrist (which is a shame, as he's a really nice kid). There's just one glitch: someone seems to have misplaced him. . . . First published in 1990, Neil Gaiman and Terry Pratchett's brilliantly dark and screamingly funny take on humankind's final judgment is back -- and just in time -- in a new hardcover edition (which includes an introduction by the authors, comments by each about the other, and answers to some still-burning questions about their wildly popular collaborative effort) that the devout and the damned alike will surely cherish until the end of all things.

Mechwarrior Vanguard Wizkids LLC 2006-05-31 Power and war abhor vacuums, and the lack of structure in the Inner Sphere means a free-for-all as Houses and Clans grab as many worlds as possible! MechWarrior: Vanguard brings this frantic drive to consolidate power to the MechWarrior collectable miniatures game (CMG), and House Liao's military might leads the charge. As infrastructure further crumbles, new high-risk, high-reward gear is introduced, which could mean the key to victory - or self-destruction!

Stand Firm Paul Gould 2018-11 In an age of skepticism and disenchantment, people long for something that satisfies our mind's search for truth and our heart's desire for beauty and meaning. Stand Firm: Apologetics and the Brilliance of the Gospel argues that the gospel satisfies both of these needs. It is true and rational, but it is also inherently attractive and provides meaning and purpose. In short, the gospel is brilliant. It is brilliant, in one sense, because of the broad variety of evidences for its truth. But it is also brilliant given its beauty, goodness and the meaningful life it offers. The book provides up to date responses to questions about the existence of God, the reliability of the Bible, Jesus and the resurrection, and the problem of evil. It also treats unique topics such as understanding truth, knowledge and faith, the claims of alternate faiths, religious disagreement, etc. Each chapter attempts to connect these considerations with the gospel so that we may stand firm in our faith.
