Common Errors in English Usage Paul Brians, 2003 Online version of Common Errors in English Usage written by Paul Brians.

The Rozabal Line Shawn Haigins, 2007-09-21 The tomb of Rozabal in Kashmir has contained the body of a great saint called Yuz Asaf since 112 A.D. But who was Yuz Asaf and what secret does the ancient tomb contain? Father Vincent Morgan is unwittingly sucked into the Rozabal tornado when flashes of his own previous lifetimes reveal some uncomfortable truths about the life and death of Jesus Christ. Vincent is soon caught in the crossfire between the Osama-bin-Laden inspired warriors of Islam, led by Ghalib-bin-Isar, and the fundamentalists of the Crux Decussata Permuta. The secret held securely within Rozabal for two millennia threatens to upset the world's balance of power. Zipping around the world caught up in a whirlwind of events, people, religion and time, from Jesus to Muhammad; from the Crusades to 9/11; from the Vatican to the White House; from Skull & Bones to the Illuminati; from Buddhist meditation to past-life regression; from the Virgin birth to nuclear destruction; and from Mary Magdalene to Osama-bin-Laden; The Rozabal Line has it all.

Love Never Dies Jamie Turndorf, Dr., 2014-08-26 Love Never Dies is guaranteed to give immense hope to those grieving the perceived loss of a loved one. Dr. Jamie Turndorf . . . provides stunning evidence of the continuity of love and life, along with the tools to help anyone connect with those in the unseen world. — Suzanne Giesemann, author of Messages of Hope Famed relationship therapist, author, and media personality Dr. Jamie Turndorf—known worldwide as Dr. Love—shares the amazing true story of her spiritual reconnection with her beloved deceased husband, internationally renowned former Jesuit priest Emile Jean Pin. Discovering for herself that relationships don't end in death, Jamie recounts her remarkable experience where, through the depths of her grief after Jean's sudden passing, her husband made his continued presence—and undying love—known. Drawing on these personal encounters, Jamie has created a groundbreaking new form of grief therapy that combines her acclaimed conflict-resolution techniques with after-death communication. The result: an unprecedented method that enables the bereaved to reconnect, resolve unfinished business, and make peace with the deceased. Filled with dozens of examples of spirit contact and communication, this book eliminates any doubt about life after death and shows that contact is ongoing. Loved ones in spirit don't just linger briefly before going to heaven and disappearing from your life. Rather, heaven is a state, not a place, and your loved ones have eternity to support you and heal any issues left behind when they passed on. Come to recognize the numerous signs from spirit that you may have been missing. Learn to trust yourself and the process that's right for you—not a shortened, artificial grief period prescribed by conventional doctors. Practice techniques for heightening your senses, expanding your awareness, and entering an open state, culminating in Jamie's method for Dialoguing with the Departed. When connection and love live on, fear is banished and relationships can grow and heal as never before. Begin opening your mind and your heart today!

The Plague Year Lawrence Wright, 2021-06-08 From the Pulitzer Prize-winning author of The Looming Tower, and the pandemic novel The End of October: an unprecedented, momentous account of Covid-19—its origins, its wide-ranging repercussions, and the ongoing global fight to contain it A book of panoramic

breadth ... managing to surprise us about even those episodes we ... thought we knew well ... [With] lively exchanges about spike proteins and nonpharmaceutical interventions and disease waves, Wright's storytelling dexterity makes all this come alive." -The New York Times Book Review From the fateful first moments of the outbreak in China to the storming of the U.S. Capitol to the extraordinary vaccine rollout, Lawrence Wright's *The Plague Year* tells the story of Covid-19 in authoritative, galvanizing detail and with the full drama of events on both a global and intimate scale, illuminating the medical, economic, political, and social ramifications of the pandemic. Wright takes us inside the CDC, where a first round of faulty test kits lost America precious time . . . inside the halls of the White House, where Deputy National Security Adviser Matthew Pottinger's early alarm about the virus was met with confounding and drastically costly skepticism . . . into a Covid ward in a Charlottesville hospital, with an idealistic young woman doctor from the town of Little Africa, South Carolina . . . into the precincts of prediction specialists at Goldman Sachs . . . into Broadway's darkened theaters and Austin's struggling music venues . . . inside the human body, diving deep into the science of how the virus and vaccines function—with an eye-opening detour into the history of vaccination and of the modern anti-vaccination movement. And in this full accounting, Wright makes clear that the medical professionals around the country who've risked their lives to fight the virus reveal and embody an America in all its vulnerability, courage, and potential. In turns steely-eyed, sympathetic, infuriated, unexpectedly comical, and always precise, Lawrence Wright is a formidable guide, slicing through the dense fog of misinformation to give us a 360-degree portrait of the catastrophe we thought we knew.

Dark State Charles Stross, 2018-01-11 *Dark State* is the second book in a thrilling series - set in the same world as Charles Stross' *Merchant Princes* series. This book follows *Empire Games*. The time for peace is ending . . . In the near future, one America is experiencing its first technological revolution - whilst in a parallel world, the United States is a hi-tech police state. But both timelines are poised for conflict. Miriam Burgeson's America is heading for civil war. However, a high profile defection might avert this crisis, if only Miriam and her agents can arrange it in time. And Rita Douglas, rival US spy, arrives during this turmoil. Rita's world is rocked when she realizes Miriam is her birth mother, changing her own mission irrevocably. Then her United States discovers yet another parallel earth, and the remains of an advanced society. Something destroyed that civilization, Rita's people are about to rouse it - and two worlds will face the consequences.

Breathing Room Elayne Savage, 2016-04-19 Is resentment eating away at your relationship? Are you tired of hurt feelings and misunderstandings? Would you like to rebuild connection and intimacy? *Breathing Room* provides practical tips to improve all relationships: -Balance your needs -Improve communication, teamwork, and trust -Bounce back from disappointments, hurt, and differences *Breathing Room* gives you the tools to take your relationship skills to a new level!

Captivate Vanessa Van Edwards, 2017-04-25 Do you feel awkward at networking events? Do you wonder what your date really thinks of you? Do you wish you could decode people? You need to learn the science of people. As a human behavior hacker, Vanessa Van Edwards created a research lab to study the hidden forces that drive us. And she's cracked the code. In *Captivate*, she shares shortcuts, systems, and secrets for taking charge of your interactions at work, at home, and in any social situation. These aren't the people skills you learned in school. This is the first comprehensive, science backed, real life manual on how to captivate anyone—and a completely new approach to building connections. Just like knowing the formulas to use in a chemistry lab, or the right programming language to build an app, *Captivate* provides simple ways to solve people problems. You'll learn, for example... · How to

work a room: Every party, networking event, and social situation has a predictable map. Discover the sweet spot for making the most connections. · How to read faces: It's easier than you think to speed-read facial expressions and use them to predict people's emotions. · How to talk to anyone: Every conversation can be memorable—once you learn how certain words generate the pleasure hormone dopamine in listeners. When you understand the laws of human behavior, your influence, impact, and income will increase significantly. What's more, you will improve your interpersonal intelligence, make a killer first impression, and build rapport quickly and authentically in any situation—negotiations, interviews, parties, and pitches. You'll never interact the same way again.

Encyclopedia of Heavy Metal Music William Phillips, Brian Cogan, 2009-03-20 It has been reviled, dismissed, attacked, and occasionally been the subject of Congressional hearings, but still, the genre of music known as heavy metal maintains not only its market share in the recording and downloading industry, but also as a cultural force that has united millions of young and old fans across the globe. Characterized by blaring distorted guitars, drum solos, and dramatic vibrato, the heavy metal movement headbanged its way to the popular culture landscape with bands like Led Zeppelin and Black Sabbath the 1970s. Motley Crue and Metallica made metal a music phenomenon in the 1980s. Heavy metal continues to evolve today with bands like Mastodon and Lamb of God. Providing an extensive overview of the music, fashion, films, and philosophies behind the movement, this inclusive encyclopedia chronicles the history and development of heavy metal, including sub-movements such as death metal, speed metal, grindcore, and hair metal. Essential and highly entertaining reading for high school and undergraduate courses in popular music studies, communications, media studies, and cultural studies, the Encyclopedia of Heavy Metal Music and Culture offers a guide to the ultimate underground music, exploring its rich cultural diversity, resilience, and adaptability. Entries for musicians include a discography for those wanting to start or develop their music collections.

Twelve Years a Slave Solomon Northup, 2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

Chicken Soup for the College Soul Jack Canfield, Mark Victor Hansen, 2012-08-07 Readers will love having this invaluable collection to guide, inspire, support and encourage them throughout their college experience.

Too Many Tamales Gary Soto, 1996-08-08 This modern classic celebrates the tradition of tamales and family bonding at Christmas. Christmas Eve started out so perfectly for Maria. Snow had fallen and the streets glittered.

Maria's favorite cousins were coming over and she got to help make the tamales for Christmas dinner. It was almost too good to be true when her mother left the kitchen for a moment and Maria got to try on her beautiful diamond ring . . . This is the story of a treasure thought to be lost in a batch of tamales; of a desperate and funny attempt by Maria and her cousins to eat their way out of trouble; and the warm way a family pulls together to make it a perfect Christmas after all. Also available in Spanish as ¡Qué montón de tamales!

There's A Boy in the Girls' Bathroom Louis Sachar, 1988-08-12 The beloved bestseller from Newbery Medalist and National Book Award winner Louis Sachar (Holes), with a brand-new cover! "Give me a dollar or I'll spit on you." That's Bradley Chalkers for you. He's the oldest kid in the fifth grade. He tells enormous lies. He picks fights with girls, and the teachers say he has serious behavior problems. No one likes him—except Carla, the new school counselor. She thinks Bradley is sensitive and generous, and she even enjoys his far-fetched stories. Carla knows that Bradley could change, if only he weren't afraid to try. But when you feel like the most hated kid in the whole school, believing in yourself can be the hardest thing in the world. . . .

A Prairie Day with Annie Michelle Fattig, 2007-06 This story of Annie masterfully illustrates many of the experiences of a child with Attention Deficit Hyperactivity Disorder, Inattentive Type, (or ADD). Michelle captures the essence of an ADD child through Annie, and states it so clearly, How many times has she (Annie) tried to explain to someone that what she was thinking just now, was too broad of a question? How do you explain that just now she may have thought about..... The student can easily identify with Annie and her frequent distractible thoughts, that while wonderfully creative, frequently results in failure. Many ADD students frequently develop negative internal beliefs of I'm no good, I'm stupid, and as Michelle's Annie says 'Why can't I just.... Parents often read Annie, and not only see their own child (who may have ADD), but often see themselves, and question whether they may also have ADD. Teachers can easily recognize the frustration that they experience in their classroom and some see how they can approach situations differently. Michelle's depiction of Annie, her distractions within her mind, school, and family, mirrors many of the life experiences of my clients, their parents, and teachers. As a Clinical Psychologist, I have used this book (even prior to publication) with several of my young clients, as well as their parents, to help in their understanding and identification of ADD. A Prairie Day with Annie, is enjoyable and easy to read, while wonderfully illustrating the creative mind, frustrating experiences, and hopeful possibilities of one who has ADD. Paul Chleborad, Psy.D., MA, MFCT, Licensed Psychologist www.anniebooks.com

lost boy lost girl Peter Straub, 2003-10-07 A woman commits suicide for no apparent reason. A week later, her son—beautiful, troubled fifteen-year-old Mark Underhill—vanishes from the face of the earth. To his uncle, horror novelist Timothy Underhill, Mark's inexplicable absence feels like a second death. After his sister-in-law's funeral, Tim searches his hometown of Millhaven for clues that might help him unravel this mystery of death and disappearance. He soon learns that a pedophilic murderer is on the loose in the vicinity, and that shortly before his mother's suicide Mark had become obsessed with an abandoned house where he imagined the killer might have taken refuge. No mere empty building, the house on Michigan Street whispers from attic to basement with the echoes of a long-hidden true-life horror story, and Tim Underhill comes to fear that in investigating its unspeakable history, Mark stumbled across its last and greatest secret: a ghostly lost girl who may have coaxed the needy, suggestible boy into her mysterious domain. With *lost boy lost girl*, Peter Straub affirms once again that he is the master of literary horror.

Dogs Never Lie About Love Jeffrey Moussaieff Masson, 1998-09-08 Dogs fill our hearts with love and our minds with wonder, but their emotional lives

have remained unexplored since Darwin 125 years ago. Now in *Dogs Never Lie About Love*, controversial psychoanalyst Jeffrey Masson brilliantly navigates the rich inner landscape of our best friends. As he guides readers through the surprising depth of canine emotional complexity, Jeffrey Masson draws from myth and literature, from scientific studies, and from the stories and observations of dog trainers and dog lovers around the world. But the stars of the book are the author's own three dogs whose delightful and mysterious behavior provides the way to exploring a wide range of subjects--from emotions like gratitude, compassion, loneliness, and disappointment to speculating what dogs dream of and how their powerful sense of smell shapes their perception of reality. As he sweeps aside old prejudices on animal behavior, Masson reaches into a rich universe of dog feeling to its essential core, their master emotion: love. Like the dogs he loves, Masson's writing will capture the reader with its playful, mysterious, and serious sides. Its surprising insights provide a new dimension of understanding for dog owners everywhere.

Early Poems Ezra Pound, 2016-01-14 American poet Ezra Pound (1885-1972) was among the most influential literary figures of the twentieth century. As a poet, he founded the Imagist movement (c. 1909-17), which advocated the use of precise, concrete images in a free-verse setting. As an editor, he fostered the careers of William Butler Yeats, T. S. Eliot, and Robert Frost. As a force in the literary world, he championed James Joyce and Wyndham Lewis. Pound also helped to create a modern movement in poetry in which, in T. S. Eliot's words, English and American poets collaborated, knew each other's works, and influenced each other. Long an expatriate, Pound's questionable political activities during World War II distracted many from the value of his literary work. Nevertheless, his status as a major American poet has never been in doubt, as this choice collection of fifty-seven early poems amply proves. Here are poems – including a number not found in other anthologies – from *Personae* (1909), *Exultations* (1909), *Ripostes* (1912), and *Cathay* (1915) as well as selections from his major sequence *Hugh Selwyn Mauberley* (1920).
