Osama Bin Laden

Osama bin Laden Files ,2012-06-01 "An intriguing glimpse into the aging al-Qaeda leader's thoughts as his life neared its end." –Washington Post "A sort of anthropology of a terror network." –The New York Times "A rare, often fascinating glimpse of al-Qaeda and its leadership." –BBC News On May 2, 2011, US Navy SEALs and CIA operatives raided the secret compound of Osama bin Laden, killing the founder of the jihadist militant group al-Qaeda, which was responsible for the tragedies of September 11, 2001. A year after his death, documents and personal correspondence by bin Laden found in the compound have been made public for the first time, offering a rare glimpse into the mind of one of the most infamous terrorists in world history. A treasure trove of documents, including correspondence between bin Laden and other al-Qaeda leaders, have been translated from Arabic, accompanied by analysis and background information from members of the Combating Terrorism Center at West Point. The Osama bin Laden Diaries details the decision making behind one of the most nefarious terrorist organizations of all time.

Osama Bin Laden ,2011

Osama Bin Laden Elaine Landau,2002-01-01 Presents biographical information about militant Islamic leader Osama bin Laden, including his role in international terrorism and the beliefs that fuel his actions.

The Osama bin Laden I Know Peter L. Bergen,2006-01-20 The Osama bin Laden I Know is an unprecedented oral history of Osama bin Laden's

rise to revered leader of al Qaeda. Peter Bergen takes the reader onto the battlefields of Afghanistan as bin Laden goes from a shy, quiet teen to a leader; he brings you into Osama's intimate family life as he lives under the radar in Sudan, then Afghanistan; he puts you right in the room for al Qaeda's very first meeting; and he uses eyewitness accounts to relate what bin Laden said, and thought on 9/11 as he watched the twin towers fall. Derived from Bergen's interviews with more than 50 people who know bin Laden personally, from his highschool teacher to an early al Qaeda member who later became a US informant, *The Osama bin Laden I Know* recounts individual experiences with the man who has declared the US, and its allies, his greatest enemies.

The Rise and Fall of Osama Bin Laden Peter L. Bergen, 2011-08-03 Provides a reevaluation of the man responsible for precipitating America's long wars with al-Qaeda and its descendants, capturing bin Laden in all the dimensions of his life: as a family man, as a zealot, as a battlefield commander, as a terrorist leader, and as a fugitive

Osama bin Laden Suzanne Murdico, 2006-01-15 Examines the life and leadership skills of Osama bin Laden, whose terrorist network, al-Qaeda, is believed to be responsible for terrorist attacks on people and buildings around the world.

Killing Geronimo Darren G. Davis, 2012-12-04 This is the compelling graphic retelling of the hunt for Al Qaeda leader Osama bin Laden; from the initial order by President George W. Bush to the final fight between bin Laden and the U.S. Navy

SEALs.

Where in the World is Osama Bin Laden Morgan
Spurlock, 2008 With a baby on the way, and a need to make the world safe for infant-kind, an unassuming guy from West Virginia puts to use his complete lack of experience to find the most wanted and dangerous man on earth.

The Finish Mark Bowden, 2013 From Mark Bowden, the preeminent chronicler of our military and special forces, comes *The Finish*, a gripping account of the hunt for Osama bin Laden. With access to key sources, Bowden takes us inside the

rooms where decisions were made and on the ground where the action unfolded. After masterminding the attacks of September 11, 2001, Osama bin Laden managed to vanish. Over the next ten years, as Bowden shows, America found that its war with al Qaeda--a scattered group of individuals who were almost impossible to track--demanded an innovative approach. Step by step, Bowden describes the development of a new tactical strategy to fight this war--the fusion of intel from various agencies and on-the-ground special ops. After thousands of special forces missions in Iraq and Afghanistan, the right weapon to go after bin Laden had finally evolved. By Spring 2011, intelligence pointed to a compound in Abbottabad; it was estimated that there was a 50/50 chance that Osama was there. Bowden shows how three strategies were mooted: a drone strike, a precision bombing, or an assault by Navy SEALs. In the end, the President had to make the final decision. It was time for the finish.

Al Qaeda: Osama Bin Laden's Army of Terrorists
Phillip Margulies, 2003

Osama Bin Laden Bill Loehfelm, 2003 Osama bin Laden spent more than two decades creating himself as a radical leader and terrorist in the Middle East. After the September 11th, 2001 terrorist attacks on the United States, bin Laden came into international focus and became the world's most wanted man.

Holy War, Inc Peter L. Bergen, 2001 CNN's terrorism analyst examines Osama bin Laden's global terrorist network, al-Qaeda, discussing its operations and mission, the planning and execution

of specific terrorist acts, and future threats from militant Islamic movements.

In the Name of Osama Bin Laden Roland

Jacquard, 2002 This book is a portrait of one of the world's most wanted terrorist and his extensive brotherhood. The author explains the global character of bin Laden's organization, elaborating the extent of his sphere of influence in Europe and Asia. The English edition has been updated and includes a new introduction and afterword.

Messages to the World Osama Bin Laden, 2005-11-17

Despite the saturation of global media coverage, Osama bin Laden's own writings have been curiously absent from analysis of the "war on terror." Over the last ten years, bin Laden has issued a series of carefully tailored public statements, from interviews with Western and Arabic journalists to faxes and video recordings. These texts supply evidence crucial to an understanding of the bizarre mix of Quranic scholarship, CIA training, punctual interventions in Gulf politics and messianic anti-imperialism that has formed the programmatic core of Al Qaeda. In bringing together the various statements issued under bin Laden's name since 1994, this volume forms part of a growing discourse that seeks to demythologize the terrorist network. Newly translated from the Arabic, annotated with a critical introduction by Islamic scholar Bruce Lawrence, this collection places the statements in their religious, historical and political context. It shows how bin Laden's views draw on and differ from other strands of radical Islamic thought; it also

demonstrates how his arguments vary in degrees of consistency, and how his evasions concerning the true nature and extent of his own group, and over his own role in terrorist attacks, have contributed to the perpetuation of his personal mythology.

Osama Bin Laden Sean Stewart Price, 2011-07
September 11, 2001 is a day that no one will forget. In all, more than 3,000 people died. Once the rubble settled, it became clear who was responsible for this deadly terrorist attack--members of the al-Qaeda network, trained and led by a quiet bearded man named Osama bin Laden. Who is Osama bin Laden and why would he want to cause so much death and destruction? The exciting biographies in the Front-Page Lives series take an in-depth look at some of the world's most fascinating people.

Pentagon 9/11 Alfred Goldberg, 2007-09-05 The most comprehensive account to date of the 9/11 attack on the Pentagon and aftermath, this volume includes unprecedented details on the impact on the Pentagon building and personnel and the scope of the rescue, recovery, and caregiving effort. It features 32 pages of photographs and more than a dozen diagrams and illustrations not previously available.
