Achtung-Panzer! Heinz Guderian 1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

All Blacks Don't Cry John Kirwan 2011-04-04 I've been to hell and I'm back. If you're in that same place, then I understand what you're going through. 'John Kirwan was one of the most devastating wingers New Zealand, and world, rugby had ever seen. A prominent and revered figure at the dawn of the professional age of rugby, he seemed to live a

charmed life. But nobody knew, though, that behind closed doors 'JK' was living a life of torment. Afflicted with depression for many years including those as a high-profile sportsman. Kirwan was able to survive by reaching out, seeking help from those closest to him. All Blacks Don't Cry is John Kirwan's story of hope, of working through the pain and living a full life. It is a poignant, inspirational and helpful example for anybody battling depression. At my worst moments, I lost all sense of hope for the future. As I began to slowly get better, I began to be able to say to myself, 'this will pass, you'll get through this. Hang on to hope.'
