**Achtung-Panzer!** Heinz Guderian,1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

Alice McKinley's freshman year is not as "lucky" as she was hoping it would be. But she's is trying to look on the bright side. There are worse things than being single for a semester... for a school year...for the whole summer.... At least Alice can count on her best friends for support—in theory, anyway. Lately they haven't been all that there-for-her. In fact, it seems like Pam and Liz are suddenly involved in intense, secret conversations whenever Alice is around. **Football: Then to WOW!** The Editors of Sports Illustrated Kids,2014-08-12 See how all aspects of football have evolved in this highly visual book filled with history and trivia about the game. **The Fast and the Furriest** Andy Behrens,2011-07-12 Meet Kevin Pugh, 12-year-old couch potato. Now meet Cromwell, his part beagle, part potato chip dog. Kevin's looking forward to spending his summer doing as little as possible. Unfortunately, Kevin's father, former Chicago Bears star player/super-sports fanatic, Howie Pugh, feels differently. So does Cromwell, who has suddenly and mysteriously developed a fascination with agility competitions: running up seesaws, leaping over hurdles, soaring

through hoops (sometimes). If he has to do anything, Kevin would rather do something for newly obsessed Cromwell, but dog agility lessons do not constitute a sport in his father's mind, so football camp it is. Until some well-timed events collide, literally, and soon Kevin's found a way for he and Cromwell to take classes, and the upstart Team Cromwell is born. Andy Behrens has written a hilarious novel with a dry-as-dirt protagonist who's constantly tortured by the goings-on around him. It's also a charming story about a boy and his dog, as well as a meaningful and heartfelt look at a relationship between a boy and his father who don't always see eye-to-eye.

By My Brother's Side Tiki Barber, Ronde Barber, 2010-11-16 Tiki and Ronde were each other's best friends. Together from the start, these twins might not have been the strongest or the tallest, but they were fast and worked hard at what they loved. And they loved sports, especially football. Then one day Tiki badly hurt his knee in a biking accident, and he was sure he'd never be able to play again. Their mother had always told them, You are each other's best friends. Stick together, believe in yourselves, and you can do anything. They kept her words in their hearts and never gave up. Based on the childhood of National Football League superstars Ronde and Tiki Barber, this inspiring book about the values of family, hard work, and determination is the story of what it takes to be a champion.
