**Emotions** Kristin Hanley  
2017-01-19 When the world says, "Let your emotions lead you," we as Christ-followers must find a different course, navigating through the minor whirlpools, unpredictable winds, and sometimes ferocious hurricanes. Christ's words and actions guide our ships into deeper waters and beyond to the other shore. This book explores scriptural anchoring points, personality influence,

and past experiences to give us a new vision of the weighted tension between letting loose with our feelings or cinching up and ignoring them altogether. As human beings, we are created with emotional dimension, and within Christ, we are called to surrender these feelings, using them in a healthy and biblical way. *To Burn Notebook* N. D. **The Robot Planet** Yehong Fanfan Jiang 2015-11-15 This is a sequel to "Fly to the New Planet" and "Adventure to the New Planet". After FcF discovered the new planet LH and adventured to it, he decided to send robots to construct Planet LH before everything from Earth migrate there. FcF wanted robots instead of human to deal with the dangerous jobs. He formed a company, SDW, with a group of boys. They submitted the proposal to the government and got the contract to build Planet LH. FcF really liked that way of formatting the planet and thought that it would lead to success. FcF and team made that come true! How could they make enough robots for planet construction? How could they make the entire planet operated by only robots? I hope you enjoy the book. -- FanFan Jiang, 2015

**A Warrior's Prayerbook for Spiritual Warfare** Kathryn

McBride 2014-04-24 INCLUDED ARE PRAYERS BY: Dr. Mark I. Bubeck, Dr. Neil T. Anderson, Brother Andrew, Nancy Leigh Demoss, Dr. Fred C. Dickason, Rev. Paul Estabrooks, Dr. Erwin W. Lutzer, Stormie Omartian, Dr. Ray Pritchard, Dr. Marcus Warner, and others. Newly updated to include an "Introduction to Spiritual Warfare" by Dr. Marcus Warner. The Bible is clear — from the moment we draw our first breath, WE ARE AT WAR. Satan hates us and wants to destroy us — because the Lord loves us. A supernatural battle is waging all around us and if you are not a warrior, you will be a casualty. Christians must face this battle head-on by learning to put on the full armor of God every day. If we are not equipped properly, we will wonder why we live such defeated lives. Satan is alive and well and "prowling around like a lion seeking whom he can devour." We must use the weapons that God has provided for us to do battle for ourselves and for those that we love. A Warrior's Prayerbook is a clear

and concise resource designed to help you put on the full armor of God. This book is filled with doctrinally sound prayers, written by great men and women of faith, past and present, that will help you be a fearsome prayer warrior in your spiritual battle.

ENDORSEMENTS A Warrior's Prayerbook will be a great help to many and a service to the Body of Christ. Many will have never seen anything like these prayers. They should not only be a help to those who use them but also a wake-up call and challenge to many who never thought of warfare and practical praying against evil. Kathryn has done a great work in compiling, organizing, presenting, and publishing this book. Good art work. Great need. Great taste. DR. C. FRED DICKASON Author and Fmr. Systematic Theology Chair - Moody Bible Institute, Chicago "The Christian life is not a playground; it is a battleground." Warren Wiersbe We're in a battle every day. If we take seriously Paul's call to "Put on the whole armor of

God" (Ephesians 6:11), then we know that we need to pray. But how should we pray when we go into battle? My friend Kathryn McBride has helped us hugely by compiling A Warrior's Prayerbook for Spiritual Warfare. The first part of the book contains prayers from esteemed Christian leaders like Erwin Lutzer, Mark Bubeck, Fred Dickason, and Brother Andrew, arranged in categories such as "Affirm," "Resist," "Renounce," and "Prayers for Others." The book also includes the full text of many Scriptures on spiritual warfare along with very helpful quotes from noted Christian leaders. This is the most comprehensive guide to spiritual warfare praying that I have seen. We need a book like this so that when the enemy surrounds us, we will know how to get in contact with the Captain of our Salvation. Read it and you will be better prepared to stand strong when the devil attacks you and your family. DR. RAY PRITCHARD

built in Beatrice, California in the early 1950's by animation genius Gomer Steady, the Park reinvented itself over time by incorporating tons of cutting-edge technology as it grew in popularity. But some of these entertainment advances came at a high price. The computer-driven animated technology known as audioroboticals was developed in secret, with little or no oversight regarding safety. Over time, Park employees and even some Park Guests were exposed to dangerous side effects. The bigshots treated Park customers like lab rats flush with cash. During a period of rapid expansion, management installed those nasty little audioroboticals all over the Park. There were thousands of robots in the much-loved (and much-hated) It's A Doll's World and The Polynesian Bird Room. And then there was Steady's personal favorite - the patriotic George Washington exhibit - a presidential audiorobotical that was, in fact, as dangerous as Three Mile Island. The Park administrators knew of the

problem, but they decided to cover-up the "situation" rather than spend hundreds of millions of dollars fixing it. As a result, many of the Park's long-time employees began to experience gruesome metabolic deterioration. The Park's Suits retired the George Washington exhibit and mothballed the robot inside a storage facility deep underground. But "he" is about to be liberated from exile by ex-employees seeking revenge. And revenge - as everybody knows - is a dish best served very, very hot. Oh, and please keep your hands and feet inside the ride vehicle at all times.

**Most Holy Warrior** Michael K. Pasque 2014 We are all warriors at heart. A critical question remains: Why? We develop the heart of a warrior when we seek Jesus because Jesus is and always has been a warrior. This is not to disparage the humility, compassion, mercy, and love that flow from the New Testament characterization of the Gospel of Jesus Christ. If the Word of God is to be accepted in its

entirety, however, Old Testament battle descriptions of the Warrior of warriors must also be included in forming the complete picture of Jesus. These descriptions tell us that Jesus also has the heart of a warrior. Not only will this warrior heart be manifest on the Day of the Lord, but it has already been revealed in Old Testament battle. Jesus was a fierce Old Testament warrior. The evidence is compelling. The story is amazing. The incarnate Son of God was physically engaged in fierce Old Testament battle.

Note: 50% of the proceeds from this book will be donated to a mental health organization focused on helping anxiety, depression, and suicide.\* Hey YOU! Yes... you... the (really cool) person reading the back summary of this book. How are you? Having a good day? Since you are reading the back cover of this book I'm guessing that you're curious what the heck it's about. Right? Well, let me tell you, this ain't no children's book. Full of love, sex, anxiety, and depression this book will chew you up and spit you back out before chapter 4. The story begins with me, sitting in a cafe with my girlfriend of three months. Overcome by love, I

(stupidly) decide to proclaim my love for her in the middle of a coffee shop. "I love you. And I know that one day I'm supposed to marry you." Man... do I regret that moment -/ I wish I could tell you that the awkwardness stops there but that would be a bold faced lie. If I was in marketing (I'm not) I would say something like...

"From navigating online dating apps and relationships, to self-centered friends, and emotionally abusive alcoholics, James (that's me!) constantly feels like he's at the bottom of the social food chain. His only comfort is his love for music, which displays itself in the form of original lyrics throughout the book. One crazy day, James runs into Nikki, a bold, spit-fire, do-things-her-own-way type of person who changes his world-view forever." Well... If you made it down here I'd say this book is for you. If you didn't, oh well. #YOURLOSSBUDDY.

*The Warrior Mindset* Ron Kness  
2017-07-28

What does it mean to have a "warrior mindset"? What is different in the way a warrior thinks than the rest of us? Throughout the ages, warriors - ancient and modern - have had a determination to win like no other. They are willing to take calculated risks for the betterment of their fellow warriors. They live to stand for something greater than themselves. The warrior mindset is different. It is about knowing what you want and going for it. It's about being hard and it's about not letting little things get you down. It's about pushing ahead with what you know is right and it's about carrying responsibility and hardship on your shoulders with dignity and pride. It's about not letting your emotions get the better of you and it's about not taking the easy answer or the easy route to solve your problems. Instead, it's about taking the hard right and not the easy wrong. Now imagine if you could take that same

mindset and apply it to modern life. Instead of getting tired or bogged down, instead of being distracted and tempted, you would instead drive forward with an unstoppable, bulletproof mentality. Your enemies would quake knowing that there was nothing they could do to stop you and the obstacles that normally would block another person's career, relationship goals and financial plans would all crumble beneath your will. Developing a warrior mindset makes you unstoppable. You are a warrior! In *Warrior Mindset*, we delve into how a warrior thinks and how you can learn that same way of thinking and apply it to your career, relationships and financial goals.
