The Presence Process
Michael Brown 2010 Why is it so difficult to simply be present? The

reason is that our deeply suppressed emotional imprints from childhood – which Eckhart Tolle calls “the pain-body” – distract from an awareness of the present moment. We’re not broken and don’t need to be healed but rather, our discomfort needs to be integrated. The Presence Process is a journey that guides readers into taking responsibility for our emotional integration. It is a way to consciously grow up and become responsible for determining the quality of our personal experience. The book teaches readers how to exercise authentic personal responsibility in a practical manner and reveals the mechanics that shape the way they feel about their lives. It offers a simple, practical approach to accomplishing and

maintaining personal peace in the midst of globally accelerating change, discomfort, conflict, and chaos.

Helvetica Standard Bold Keiichi Arawi 2017-10-17 The follow-up to the hit manga series nichijou (and heavily referenced in the artwork of that series), Helvetica Standard is a full-color anthology of Keiichi Arawi's comic art and

design work. Funny and heartwarming, this two-part series is a humorous look at modern day Japanese design in comic form and a deep-dive into the artistic and creative mind of Keiichi Arawi. Part comic, part diary, part art and design book, Helvetica Standard is a deconstruction of the world of nichijou.
