Lonely Planet Japan Lonely Planet, Rebecca Milner, Ray Bartlett, Andrew Bender, Craig McLachlan, Kate Morgan, Simon Richmond, Tom Spurling, Benedict Walker, Wendy Yanagihara, Phillip Tang, 2017-08-01 Lonely Planet Japan is your passport to the most relevant, up-to-date advice on what to see and skip, and what hidden discoveries await you. Explore a bamboo grove in Arashiyama, marvel at Shinto and Buddhist architecture in Kyoto, or relax in the hot springs of Noboribetsu Onsen; all with your trusted travel companion.

Sake Confidential John Gauntner, 2014-06-03 An American sake expert takes you to a whole new level of insider knowledge and expertise

Finnish Nightmares Karoliina Korhonen, 2019-08-20 From awkward interactions on public transportation to avoiding small talk with salespeople, introverts from all over the world will find something to love in this comic sensation from Finland. Mild-mannered protagonist Matti is a typical Finn who appreciates peace, quiet, and personal space--but things do not always go according to his wishes. Finnish Nightmares is an illustrated collection of his and many people's worst fears when it comes to social interactions. Divided into sections on dealing with neighbors, going shopping, sharing public spaces, tense dining situations, and more, there is a comic for every squeamish scenario, from having to sing your own praises in a job interview, to being unable to leave your apartment because a neighbor is in the hallway. A fascinating look at Nordic culture, globe trotters and armchair travelers alike will enjoy this insider's glimpse into the local life and habits of Finland. With a charming and quirky universality, there is an awkward and laughable situation that everyone can relate to in Finnish Nightmares.

Shinto the Kami Way Sokyo Ono, Ph.D., William P. Woodard, 2011-09-13 An excellently rounded introduction by an eminent Shinto scholar.--Library Journal Shinto, the indigenous faith of the Japanese people, continues to fascinate and mystify both the casual visitor to Japan and the long-time resident. Relatively unknown among the religions of the world, Shinto: The Kami Way provides an enlightening window into this Japanese faith. In its general aspects, Shinto is more than a religious faith. It is an amalgam of attitudes, ideas, and ways of doing things that through two millennia and more have become an integral part of the way of the Japanese people. Shinto is both a personal faith in the kami--objects of worship in Shinto and an honorific for noble, sacred spirits--and a communal way of life according to the mind of the kami. This introduction unveils Shinto's spiritual characteristics and discusses the architecture and function of Shinto shrines. Further examination of Shinto's lively festivals, worship, music, and sacred regalia illustrates Shinto's influence on all levels of Japanese life. Fifteen photographs, numerous drawings and Dr. Ono's text introduce the reader to two millennia of indigenous Japanese belief in the kami and in communal life. Chapters include: The Kami Way Shrines Worship and Festivals Political and Social Characteristics Some Spiritual Characteristics

Japanese Homes and Their Surroundings Edward Sylvester Morse, 1885

Japan Jan Dodd, Simon Richmond, 1999 The award-winning Rough Guide to Japan makes the ideal travel companion to one of the world's most unique and dynamic countries. In full color throughout, this opinionated guide is packed with essential information on the latest and best places to sleep, eat, party and shop and includes pointers on etiquette and other cultural niceties. Maps of all the main tourist destinations and easy-to-read color transportation

maps of the Tokyo and Osaka train and subway systems help you navigate the major cities. From neon-soaked Tokyo to temple-studded Kyoto and snow-topped Mount Fuji, all of the major travel hotspots are covered in full, and The Rough Guide to Japan also points the way to off-the-beaten-track gems: Soak in a live-volcano hot spring on Kyushu island, go diving in tropical Okinawa, or wind your way through mountain traverses in the Japan Alps. You'll also find a richer understanding of the country through chapters on Japan's history, religions, arts, movies, music, and pressing environmental issues. Make the Most of Your Time on Earth with The Rough Guide to Japan. About Rough Guides: For thirty years, adventurous travelers have turned to Rough Guides for up-to-date and intuitive information from expert authors. With opinionated and lively writing, honest reviews, and a strong cultural background, Rough Guides travel books bring more than two hundred destinations to life.

The Roads to Sata Alan Booth,2020-10-29 'A memorable, oddly beautiful book' Wall Street Journal 'A marvellous glimpse of the Japan that rarely peeks through the country's public image' Washington Post One sunny spring morning in the 1970s, an unlikely Englishman set out on a pilgrimage that would take him across the entire length of Japan. Travelling only along small back roads, Alan Booth travelled on foot from Soya, the country's northernmost tip, to Sata in the extreme south, traversing three islands and some 2,000 miles of rural Japan. His mission: 'to come to grips with the business of living here,' after having spent most of his adult life in Tokyo. The Roads to Sata is a wry, witty, inimitable account of that prodigious trek, vividly revealing the reality of life in off-the-tourist-track Japan. Journeying alongside Booth, we encounter the wide variety of people who inhabit the Japanese countryside - from fishermen and soldiers, to bar hostesses and school teachers, to hermits, drunks and the homeless. We glimpse vast stretches of coastline and rambling townscapes, mountains and motorways; watch baseball games and sunrises; sample trout and Kilamanjaro beer, hear folklore, poems and smutty jokes. Throughout, we enjoy the wit and insight of a uniquely perceptive guide, and more importantly, discover a new face of an often-misunderstood nation.

Lonely Planet Discover Japan Lonely Planet,Rebecca Milner,Ray Bartlett,Andrew Bender,Craig McLachlan,Kate Morgan,Simon Richmond,Tom Spurling,Benedict Walker,Wendy Yanagihara,Phillip Tang,2017-11-01 Lonely Planet's Discover Japan is your passport to the most relevant, up-to-date advice on what to see and skip, and what hidden discoveries await you. See traditional geisha in Kyoto, hike up Mt Fuji, or shop around the clock in Tokyo; all with your trusted travel companion.

Nginx Http Server Clement Nedelcu,2017-07-17 HTTP is the foundational protocol for exchanging information across the World Wide Web. With HTTP, you'll learn all about something you use on a daily basis, perhaps without realizing what goes on behind the scenes. You'll quickly learn about resources, requests and responses, safe and unsafe methods, connections, cookies, security, and so much more. Equipped with the information in this book, you'll be able to write better web apps and services, and debug them when something goes wrong. This updated and expanded second edition of Book provides a user-friendly introduction to the subject, Taking a clear structural framework, it guides the reader through the subject's core elements. A flowing writing style combines with the use of illustrations and

diagrams throughout the text to ensure the reader understands even the most complex of concepts. This succinct and enlightening overview is a required reading for all those interested in the subject . We hope you find this book useful in shaping your future career & Business.

Looking for the Lost Alan Booth,2021-04-21 A VIBRANT, MEDITATIVE WALK IN SEARCH OF THE SOUL OF JAPAN Traveling by foot through mountains and villages, Alan Booth found a Japan far removed from the stereotypes familiar to Westerners. Whether retracing the footsteps of ancient warriors or detailing the encroachments of suburban sprawl, he unerringly finds the telling detail, the unexpected transformation, the everyday drama that brings this remote world to life on the page. Looking for the Lost is full of personalities, from friendly gangsters to mischievous children to the author himself, an expatriate who found in Japan both his true home and dogged exile. Wry, witty, sometimes angry, always eloquent, Booth is a uniquely perceptive guide. Looking for the Lost is a technicolor journey into the heart of a nation. Perhaps even more significant, it is the self-portrait of one man, Alan Booth, exquisitely painted in the twilight of his own life.

Lonely Planet Discover Thailand Lonely Planet,2018-08-03 Lonely Planet: The world's leading travel guide publisher Lonely Planet's Discover Thailand is your passport to the most relevant, up-to-date advice on what to see and skip, and what hidden discoveries await you. smartphones) Downloadable PDF and offline maps prevent roaming and data charges Effortlessly navigate and jump between maps and reviews Add notes to personalise your guidebook experience Seamlessly flip between pages Bookmarks and speedy search capabilities get you to key pages in a flash Embedded links to recommendations' websites Zoom-in maps and images Inbuilt dictionary for quick referencing Important Notice: The digital edition of this book may not contain all of the images found in the physical edition.

The Inland Sea Donald Richie,2015-09-28 An elegiac prose celebration . . . a classic in its genre.—Publishers Weekly In this acclaimed travel memoir, Donald Richie paints a memorable portrait of the island-studded Inland Sea. His existential ruminations on food, culture, and love and his brilliant descriptions of life and landscape are a window into an Old Japan that has now nearly vanished. Included are the twenty black and white photographs by Yoichi Midorikawa that accompanied the original 1971 edition. Donald Richie (1924–2013) was an internationally recognized expert on Japanese culture and film. Yoichi Midorikawa (1915–2001) was one of Japan's foremost nature photographers.

Tokyo as a Global City Toshio Kikuchi,Toshihiko Sugai,2018-03-28 This book examines Tokyo's changes, current challenges, and future trends through a new kind of regional geography and serves as an important source of comprehensive information about the past, present, and future perspectives of Tokyo as a global city. Regional geography relies on two main approaches. The traditional one addresses each geographical element of a region individually and in depth, in a descriptive and static manner. The other focuses on a region's specific phenomena and realities as a starting point and proceeds to identify the region's constituent elements and their interactions, which it records and explains in a systematic and dynamic manner. The present volume, unlike its predecessors, relies on the dynamic approach and endeavors to offer a fresh view of Tokyo's new and diverse geographical realities, analyzed in a holistic, systematic manner allowing identification of its specific features. The book covers a broad range of topics including landform variations and volcanic activity, biodiversity concerns, transportation management, waste management, population issues, religious functions, and urban tourism, all of which facilitate understanding of the unique characteristics of Tokyo. Extensive views from different fields of studies make the book a valuable reference to comprehend both the development of Tokyo into a global city and its sustainability.

Foreign Companies in Japan Nihon Bōeki Shinkōkai,1982

The Book of Tokyo Hideo Furukawa,Kaori Ekuni,Mitsuyo Kakuta,Banana Yoshimoto,Toshiyuki Horie,Nao-Cola Yamazaki,Hitomi Kanehara,Osamu Hashimoto,Hiromi Kawakami,Shuichi Yoshida,2015-06-12 A shape-shifter arrives at Tokyo harbour in human form, set to embark on an unstoppable rampage through the city's train network... A young woman is accompanied home one night by a reclusive student, and finds herself lured into a flat full of eerie Egyptian artefacts... A man suspects his young wife's obsession with picnicking

every weekend in the city's parks hides a darker motive... At first, Tokyo appears in these stories as it does to many outsiders: a city of bewildering scale, awe-inspiring modernity, peculiar rules, unknowable secrets and, to some extent, danger. Characters observe their fellow citizens from afar, hesitant to stray from their daily routines to engage with them. But Tokyo being the city it is, random encounters inevitably take place – a naïve book collector, mistaken for a French speaker, is drawn into a world he never knew existed; a woman seeking psychiatric help finds herself in a taxi with an older man wanting to share his own peculiar revelations; a depressed divorcee accepts an unexpected lunch invitation to try Thai food for the very first time... The result in each story is a small but crucial change in perspective, a sampling of the unexpected yet simple pleasure of other people's company. As one character puts it, 'The world is full of delicious things, you know.'

Edo, the City that Became Tokyo Akira Naito, Akira Naitō, 2003 An illustrated account of the growth and development of Japan's capital city from the 16th to the end of the 19th centuries, this text gives a full and vivid account of the development of Japan's premier urban landscape. Its highly visual approach encompasses historical maps which detail the development of the city. In addition to information on architectural development, the book also provides details concerning technologies, lifestyles and social structures.

Low City, High City Edward Seidensticker, 1983
