**Achtung-Panzer!** Heinz Guderian,1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

Lucky Hans and Other Merz Fairy Tales Kurt Schwitters,2009 Kurt Schwitters revolutionized the art world in the 1920s with his Dadaist Merz collages, theater performances, and poetry. But at the same time he was also writing extraordinary fairy tales that were turning the genre upside down and inside out. Lucky Hans and Other Merz Fairy Tales is the first collection of these subversive, little-known stories in any language and the first time all but a few of them have appeared in English. Translated and introduced by Jack Zipes, one of the world's leading authorities on fairy tales, this book gathers thirty-two stories written between 1925 and Schwitters's death in 1948--including a complete English-language recreation of The Scarecrow, a children's book illustrated with avant-garde typography that Schwitters created with Kate Steinitz and De Stijl founder Theo van Doesburg. Lucky Hans and Other Merz Fairy Tales also includes brilliant new illustrations that evoke the 1920s, 1930s, and 1940s. Schwitters wrote these darkly humorous, satirical, and surreal tales at a time when traditional German fairy tales were being co-opted by the Nazis. Filled with sharp critiques of German life during the Weimar and early Nazi eras, Schwitters's tales are rich with absurdist events and insist that not everyone--and perhaps not anyone--lives happily ever after. In Lucky Hans, the starving protagonist tries to catch a rabbit only to have it shed its fur like a coat and run off naked into the forest. In other tales, a sarcastic gypsy stands in for a fairy godmother and an army recruit is arrested for growing to monstrous size. Lucky Hans and Other Merz Fairy Tales is a delightfully strange and surprising book.

**Meow the Infinite** Anna Rettberg,2020 *Meow the Infinite* is the epic story of a young girl whose universe is threatened by a destructive force beyond her comprehension, and the fearless starfaring feline with whom she must confront it--

Paraja (Oip) Gopinath Mahanty,1993-09 Written originally in Oriya in 1945 and translated here for the first time, *Paraja* is a classic of modern Indian fiction. It tells on an epic scale the story of a tribal patriarch and his family in the mountainous jungles of Orissa. The slow decline in the fortunes of this family - from the quiet prosperity of a subsistence livelihood towards bondage to the local moneylender - is both poignantly individualized as well as symbolic of the erosion of a whole way of life within peasant communities. The novel, furthermore, transcends what it documents because its characters are not merely primitive tribesmen ensnared by a predatory moneylender. Mohanty's protagonists are also quintessentially men and women waging heroic but futile war against a hostile universe. As the citation of the Jnanpith Award of 1974 put it - 'in Mohanty's hands the social is lifted to the level of the metaphysical.'
