**Achtung-Panzer!** Heinz Guderian,1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

*Tortured Cardboard* Philip E. Orbanes,2019-07-23 The term "tortured cardboard" sums up what happens to cardboard when making a board game (bound, cut, folded, punched). And, as you'll learn, great board games often reflect whatever "tortures" culture. Each gained immortality after a chaotic beginning and a chance survival. Why? Because—be it chess, backgammon, Clue®, Monopoly®, Scrabble®, Settlers of Catan®, or one of ten others featured in this book—each is replete with "lessons" applicable to achievement in your life. As the twenty-first century gathers momentum, our love affair with board games continues to strengthen. They involve us, they refine social skills, and they teach great lessons applicable in real life. "Tortuous" is the journey of every great board game, from birth in chaotic times, through survival by mere chance, to raging popularity and eventual immortality. Tortured Cardboard reveals how the great ones came to endure and—all fun aside—how each teaches us something about our own behavior while providing "rules" that can work in your life.

*Notes from the Hyena's Belly* Nega Mezlekia,2015-04-07 In this acclaimed memoir, Mezlekia recalls his boyhood in the arid city of Jijiga, Ethiopia, and his journey to manhood during the 1970s and 1980s. He traces his personal evolution from child to soldier--forced at the age of eighteen to join a guerrilla army. And he describes the hardships that consumed Ethiopia after the fall of Emperor Haile Selassie and the rise to power of the communist junta, in whose terror thousands of Ethiopians died. Part autobiography and part social history, Notes from the Hyena's Belly offers an unforgettable portrait of Ethiopia, and of Africa, during the defining and turbulent years of the last century.

**I Like Him, He Likes Her** Phyllis Reynolds Naylor,2010-05-18 Find a Penny pick it up and all day long you'll have good luck...except, of course, if that Penny is charming and pretty and funny, and the person picking her up just happens to be your boyfriend. Alice McKinley's freshman year is not as "lucky" as she was hoping it would be. But she's is trying to look on the bright side. There are worse things than being single for a semester... for a school year...for the whole summer... At least Alice can count on her best friends for support—in theory, anyway. Lately they haven't been all that there-for-her. In fact, it seems like Pam and Liz are suddenly involved in intense, secret conversations whenever Alice is around. Single is starting to feel a whole lot like solo.

Confusions Alan Ayckbourn,2013-12-04 A student edition of five one-act plays by Britain's most popular playwright. Ayckbourn's series of plays for 4-5 actors typify his black comedies of human behaviour. First produced in 1976, the plays are alternately naturalistic, stylised and farcical, but underlying each is the problem of loneliness. The Mother Figure shows a mother unable to escape from baby talk; in The Drinking Companion an absentee husband attempts seduction without success; in Between Mouthfuls, a waiter oversees a fraught dinner encounter. A garden party gets out of hand in Gosforth's Fete whilst A Talk in the Park is a revue style curtain call piece for the five actors. Whether the comedies concern marital conflict, infidelity or motherhood and take place on a park bench or at a village fete, the characters are familiar and their cries for help instantly recognisable. Principally he is respected as a radical re-inventor of form Dominic Dromgoole

**Veins of the Earth** Lamentations of the Flame Princess,2017-07 They've knocked it out of the park. Hit it for six. Got it in an arm bar in the first round. Pick your sport, pick your metaphor, doesn't matter: the point is clear so soon after Fire on the Velvet Horizon, Patrick Stuart and Scrap Princess prove once again that something as unlikely as an RPG supplement can be art, of the most impressive kind. An amazing work. - China Miville

*Adrian Frutiger – Typefaces* Heidrun Osterer,Philipp Stamm,2014-05-08 The international creation of typefaces after 1950 was decisively influenced by the Swiss type designer Adrian Frutiger. His Univers typeface and the machine-readable font OCR-B, which was adopted as an ISO standard, are milestones, as is his type for the Paris airports, which set new standards for signage types and evolved into the Frutiger typeface. With his corporate types, he helped to define the public profiles of companies such as the Japanese Shiseido line of cosmetics. In all he created some fifty types, including Ondine, Méridien, Avenir, and Vectora. Based on conversations with Frutiger himself and on extensive research in France, England, Germany, and Switzerland, this publication provides a highly detailed and accurate account of the type designer's artistic development. All of his types – from the design phase to the marketing stage – are illustrated and analyzed with reference to the technology and related types. Hitherto unpublished types that were never realized and more than one hundred logos complete the picture. This second, revised and expanded study edition, which now has an index, makes Frutiger's achievement even more accessible.

*A Dirty World* Greg Stolze,2010-07-01 A roleplaying game of angry decisions, ugly ethics, and black city streets. A game of film noir. A Dirty World rethinks the One-Roll Engine to focus relentlessly on character. Hard-boiled private eyes, dirty cops and femmes fatale make their hard choices and hide their grubby secrets. A Dirty World features... \* A unified conflict mechanic, where gunfights, duels of deceit and emotional blackmail not only work the same way, but fuse seamlessly. \* Swift Justice character development. Instead of tracking and spending points, your character's abilities improve in direct reaction to the game's events. \* One-Roll Mysteries, a mechanic to spit out intricate plots with one throw of the dice. \* Rules that don't merely support drama, they are drama. Only meaningful choices push your character forward. There is no easy way, by definition.
