Tile & Till, 1915

Pedagogical Anthropology Maria Montessori, 2014-07-02 The Montessori Method represents an explicit idealism and turn away from war and violence toward peace and reconstruction. It is built on coherent visions of how to improve human society by helping children realize their full potential as intelligent, creative, whole persons. In the Montessori Method, children are viewed as active authors of their own development, strongly influenced by natural, dynamic, self-righting forces within themselves, opening the way toward growth and learning. Teachers depend for their work with children on carefully prepared, aesthetically pleasing environments that serve as a pedagogical tool and provide strong messages about the curriculum and about respect for children. Partnering with parents is highly valued in the Montessori Method, and children are evaluated by means other than traditional tests and grades.

Although he had no money, Roberto Clemente practiced and practiced until--eventually--he made it to the Major Leagues. America! As a right-fielder for the Pittsburgh Pirates, he fought tough opponents--and even tougher racism--but with his unreal catches and swift feet, he earned his nickname, The Great One. He led the Pirates to two World Series, hit 3,000 hits, and was the first Latino to be inducted into the Hall of Fame. But it wasn't just baseball that made Clemente legendary--he was also a humanitarian dedicated to improving the lives of others.

The Fast and the Furriest Andy Behrens, 2011-07-12 Meet Kevin Pugh, 12-year-old couch potato. Now meet Cromwell, his part beagle, part potato chip dog. Kevin's looking forward to spending his summer doing as little as possible. Unfortunately, Kevin's father, former Chicago Bears star player/super-sports fanatic, Howie Pugh, feels differently. So does Cromwell, who has suddenly and mysteriously developed a fascination with agility competitions: running up seesaws, leaping over hurdles, soaring through hoops (sometimes). If he has to do anything, Kevin would rather do something for newly obsessed Cromwell, but dog agility lessons do not constitute a sport in his father's mind, so football camp it is. Until some well-timed events collide, literally, and soon Kevin's found a way for he and Cromwell to take classes, and the upstart Team Cromwell is born. Andy Behrens has written a hilarious novel with a dry-as-dirt protagonist who's constantly tortured by the goings-on around him. It's also a charming story about a boy and his dog, as well as a meaningful and heartfelt look at a relationship between a boy and his father who don't always see eye-to-eye.

By My Brother's Side Tiki Barber, Ronde Barber, 2010-11-16 Tiki and Ronde were each other's best friends. Together from the start, these twins might not have been the strongest or the tallest, but they were fast and worked hard at what they loved. And they loved sports, especially football. Then one day Tiki badly hurt his knee in a biking accident, and he was sure he'd never be able to play again. Their mother had always told them, You are each other's best friends. Stick together, believe in yourselves, and you can do anything. They kept her words in their hearts and never gave up. Based on the childhood of National Football League superstars Ronde and Tiki Barber, this inspiring book about the values of family, hard work, and determination is the story of what it takes to be a champion.

Just Like Josh Gibson Angela Johnson, 2007-01-09 The story goes... Grandmama could hit the ball a mile, catch anything that was thrown, and do everything else -- just like Josh Gibson. But unfortunately, no matter how well a girl growing up in the 1940s played the game of baseball, she would have faced tremendous challenges. These challenges are not unlike those met by the legendary Josh Gibson, arguably the best Negro-League player to never make it into the majors. In a poignant tribute to anyone who's had a dream deferred, two-time Coretta Scott King Award-winning author Angela Johnson and celebrated artist Beth Peck offer up this reminder -- that the small steps made by each of us inspire us all.
