Gilded Age Ivan Franceschini, Nicholas Loubere, 2018-04-01 According to the Chinese zodiac, 2017 was the year of the 'fire rooster', an animal often associated with the mythical fenghuang, a magnificently beautiful bird whose appearance is believed to mark the beginning of a new era of peaceful flourishing. Considering the auspicious symbolism surrounding the fenghuang, it is fitting that on 18 October 2017, President Xi Jinping took to the stage of the Nineteenth Party Congress to proclaim the beginning of a 'new era' for Chinese socialism. However, in spite of such ecumenical proclamations, it became immediately evident that not all in China would be welcome to reap the rewards promised by the authorities. Migrant workers, for one, remain disposable. Lawyers, activists and even ordinary citizens who dare to express critical views also hardly find a place in Xi's brave new world. This Yearbook traces the stark new 'gilded age' inaugurated by the Chinese Communist Party. It does so through a collection of more than 40 original essays on labour, civil society and human rights in China and beyond, penned by leading scholars and practitioners from around the world.

Eurogames Stewart Woods,2012-08-16 While board games can appear almost primitive in the digital age, eurogames--also known as German-style board games--have increased in popularity nearly

concurrently with the rise of video games. Eurogames have simple rules and short playing times and emphasize strategy over luck and conflict. This book examines the form of eurogames, the hobbyist culture that surrounds them, and the way that hobbyists experience the play of such games. It chronicles the evolution of tabletop hobby gaming and explores why hobbyists play them, how players balance competitive play with the demands of an intimate social gathering, and to what extent the social context of the game encounter shapes the playing experience. Combining history, cultural studies, leisure studies, ludology, and play theory, this innovative work highlights a popular alternative trend in the gaming community.

Bringing God Up to Date John Hunt, 2021-10-29 Religion is an essential part of our humanity. We all follow some form of religion, in the original meaning of the word. But organized religion establishes definitions, boundaries and hierarchies which the founders would be amazed by. This is perhaps more true of Christianity than most other religions, due to the short life of Jesus, his sudden death, the lack of any contemporary records. His teaching about the kingdom of God is great; it could see us through our time on earth. But his followers watered it down and soon lost it altogether. It became a kingdom in heaven for the few, rather than one here and now for everyone. The Church, or Churches, that resulted became increasingly irrelevant, even a hindrance, to seeing it realized. Many will always find security and truth in the traditions that developed, and good for them. But for those who can't, for those who have given up on religion or never thought it worth considering, the original teachings are worth another look. If we could recover them and live by them, we could change ourselves and the world for the better. We could

bring God up to date.

Medievalism in Technology Old and New Karl Fugelso, Carol L. Robinson, 2008 Medievalism examined in a variety of genres, from fairy tales to today's computer games. As medievalism is refracted through new media, it is often radically transformed. Yet it inevitably retains at least some common denominators with more traditional responses to the middle ages. This latest volume of *Studies in Medievalism* explores this phenomenon with a special section on computer games, examining digital echoes of the medieval past in subjects ranging from the sovereign ethics of empire in *Star Wars* to gender identity in on-line role playing. Medievalism in more conventional venues is also addressed, ranging from early French fairy tales to nineteenth-century neo-Byzantine murals. Great innovation and extraordinary continuity are thus juxtaposed not only within each article but also across the volume as a whole, in yet further testimony to the exceptional flexibility and enduring relevance of medievalism. CONTRIBUTORS: ALICIA C. MONTOYA, ALBERT D. PIONKE, GRETCHEN KREAHLING MCKAY, CHENE HEADY, BRUCE C. BRASINGTON, STEFANO MENGGOZZI, CAROL L. ROBINSON, OLIVER M. TRAXEL, AMY S. Dog Days Ivan Franceschini, Nicholas Loubere, 2019-04-05 According to the Chinese zodiac, 2018 was

the year of the 'earthly dog'. In the middle of the long, hot, and feverish dog days of the summer of 2018, some workers at Shenzhen Jasic Technology took their chances and attempted to form an independent union. While this action was met by the harshest repression, it also led to extraordinary demonstrations of solidarity from small groups of radical students from all over the country, which in turn were immediately and severely suppressed. China's year of the dog was also imbued with the spirit of another canine, Cerberus—the three-headed hound of Hades—with the ravenous advance of the surveillance state and the increasing securitisation of Chinese society, starting from the northwestern region of Xinjiang. This Yearbook traces these latest developments in Chinese society through a collection of 50 original essays on labour, civil society, and human rights in China and beyond, penned by leading scholars and practitioners from around the world.

Bound Spirits, Book 1 Karen Wiesner, 2016-01-22 Nestled on Lake Superior in northern Wisconsin is a small, secluded town called Bloodmoon Cove with volatile weather, suspicious folk...and newly awakened ghosts bent on revenge. Esmeralda Esme Dumas comes to the town looking to find work surrounded by wide-open nature, and most of all looking for a place to hide. Park Ranger John Kotter returns to his hometown to find a squatter in the campground host house. He can't help wondering if Esme had anything to do with his father's disappearance last year, but he senses Esme has ghosts of her own. As a child, Esme was kidnapped and locked in a cold, dark basement. Her friends were rodents, insects, and the changeable terror that held her hostage. The only thing that kept her sane those nightmare years were her books. She's been on the run since her escape a few months ago, never expecting to find another bound spirit

come back to life.

Tortured Cardboard Philip E. Orbanes,2019-07-23 The term “tortured cardboard” sums up what happens to cardboard when making a board game (bound, cut, folded, punched). And, as you’ll learn, great board games often reflect whatever “tortures” culture. Each gained immortality after a chaotic beginning

and a chance survival. Why? Because—be it chess, backgammon, Clue®, Monopoly®, Scrabble®, Settlers of Catan®, or one of ten others featured in this book—each is replete with “lessons” applicable to achievement in your life. As the twenty-first century gathers momentum, our love affair with board games continues to strengthen. They involve us, they refine social skills, and they teach great lessons applicable in real life. “Tortuous” is the journey of every great board game, from birth in chaotic times, through survival by mere chance, to raging popularity and eventual immortality. Tortured Cardboard reveals how the great ones came to endure and—all fun aside—how each teaches us something about our own behavior while providing “rules” that can work in your life.

Lycidus Aphra Behn, 2020-09-15 I Have receiv'd your melancholy Epistle, with the Account of your Voyage to the Island of Love; of your Adventures there, and the Relation of the death of your Aminta: At which you shall forgive me if I tell you I am neither surpris'd nor griev'd, but hope to see you the next Campagne, as absolutely reduc'd to reason as myself. When Love, that has so long deprived you of Glory, shall give you no more Sighs but at the short remembrances of past Pleasures; and that after you have heard my Account of the Voyage I made to the same place, with my more lucky one back again, (for I, since I saw you, have been an Adventurer) you will by my Example become of my Opinion, (notwithstanding your dismal Tales of Death and the eternal Shades,) which is, that if there be nothing that will lay me in my Tomb till Love brings me thither, I shall live to Eternity. I must confess 'tis a great Inducement to Love, and a happy Advance to an Amour, to be handsom, finely shap'd, and to have a great deal of Wit; these are Charms that subdue the Hearts of all the Fair: And one sees but very few Ladies, that

can resist these good Qualities, especially in an Age so gallant as ours, yet all this is nothing if Fortune do not smile: And I have seen a Man handsom, well shap'd, and of a great deal of Wit, with the advantage of a thousand happy Adventures, yet finds himself in the end, fitter for an Hospital than the Elevation of Fortune: And the Women are not contented we should give them as much Love as they give us, (which is but reasonable,) but they would compel us all to Present and Treat 'em lavishly, till a Man hath consumed both Estate and Body in their Service. How many do we see, that are wretched Examples of this Truth, and who have nothing of all they enjoyed remaining with 'em, but a poor Idæa of past Pleasures, when rather the Injury the Jilt has done 'em, ought to be eternally present with 'em. Heaven keep me from being a Woman's Property. There are Cullies enough besides you or I, Lysander. One would think now, That I, who can talk thus Learnedly and Gravely, had never been any of the number of those wretched, whining, sighing, dying Fops, I speak of, never been jilted and cozen'd of both my Heart and Reason; but let me tell those that think so, they are mistaken, and that all this Wisdom and Discretion, I now seem replenish'd with, I have as dearly bought as any keeping Fool of 'em all. I was Li'd and flattered into Wit, jilted and cozen'd into Prudence, and, by ten thousand broken Vows and perjured Oaths, reduced to Sense again; and can laugh at all my past Follies now. After I have told you this, you may guess at a great part of my Story; which, in short, is this: I would needs make a Voyage, as you did, to this fortunate Isle, and accompanied with abundance of young Heirs, Cadets, Coxcombs, Wits, Blockheads, and Politicians,
