**Heart-life in Song** Frances Harrison Marr,1883

**The Yellow Sign** Robert William Chambers,2020-09-28 That evening I took my usual walk in Washington Park, pondering over the occurrences of the day. I was thoroughly committed. There was no back out now, and I stared the future straight in the face. I was not good, not even scrupulous, but I had no idea of deceiving either myself or Tessie. The one passion of my life lay buried in the sunlit forests of Brittany. Was it buried forever? Hope cried “No!” For three years I had been listening to the voice of Hope, and for three years I had waited for a footstep on my threshold. Had Sylvia forgotten? “No!” cried Hope. I said that I was not good. That is true, but still I was not exactly a comic opera villain. I had led an easy-going reckless life, taking what invited me of pleasure, deploring and sometimes bitterly regretting consequences. In one thing alone, except my painting, was I serious, and that was something which lay hidden if not lost in the Breton forests. It was too late now for me to regret what had occurred during the day. Whatever it had been, pity, a sudden tenderness for sorrow, or the more brutal instinct of gratified vanity, it was all the same now, and unless I wished to bruise an innocent heart my path lay marked before me. The fire and strength, the depth of passion of a love which I had never even suspected, with all my imagined experience in the world, left me no alternative but to respond or send her away. Whether because I am so cowardly about giving pain to others, or whether it was that I have little of the gloomy Puritan in me, I do not know, but I shrank from disclaiming responsibility for that thoughtless kiss, and in fact had no time to do so before the gates of her heart opened and the flood poured forth. Others who habitually do their duty and find a sullen satisfaction in making themselves and everybody else unhappy, might have withstood it. I did not. I dared not. After the storm had abated I did tell her that she might better have loved Ed Burke and worn a plain gold ring, but she would not hear of it, and I thought perhaps that as long as she had decided to love.somebody she could not marry, it had better be me. I, at least, could treat her with an intelligent affection, and whenever she became tired of her infatuation she could go none the worse for it. For I was decided on that point although I knew how hard it would be. I remembered the usual termination of Platonic liaisons and thought how disgusted I had been whenever I heard of one. I knew I was undertaking a great deal for so unscrupulous a man as I was, and I dreaded the future, but never for one moment did I doubt that she was safe with me. Had it been anybody but Tessie I should not have bothered my head about scruples. For it did not occur to me to sacrifice Tessie as I would have sacrificed a woman of the world. I looked the future squarely in the face and saw the several probable endings to the affair. She would either tire of the whole thing, or become so unhappy that I should have either to marry her or go away. If I married her we would be unhappy. I with a wife unsuited to me, and she with a husband unsuitable for any woman. For my past life could scarcely entitle me to marry. If I went away she might either fall ill, recover, and marry some Eddie Burke, or she might recklessly or deliberately go and do something foolish. On the other hand if she tired of me, then her whole

life would be before her with beautiful vistas of Eddie Burkes and marriage rings and twins and Harlem flats and Heaven knows what. As I strolled along through the trees by the Washington Arch, I decided that she should find a substantial friend in me anyway and the future could take care of itself. Then I went into the house and put on my evening dress for the little faintly perfumed note on my dresser said, “Have a cab at the stage door at eleven,” and the note was signed “Edith Carmichael, Metropolitan Theater, June 19th, 189—.”

**Fortress Frontier** Myke Cole,2013 An officer. An outcast. A fight for survival. The Great Reawakening did not come quietly. Suddenly people from all corners of the globe began to develop terrifying powers. Overnight the rules had changed... but not for everyone. Fortress Frontier is the second chilling thriller in Myke Cole's Shadow Ops trilogy, perfect for fans of Peter V. Brett and Brandon Sanderson. 'I suspect this is the best ride that military fantasy has to offer - you definitely will want to get on board' - Mark Lawrence, author of King of Thorns Alan Bookbinder might be a Colonel in the US Army, but in his heart he knows he's just a desk jockey, a clerk with a silver eagle on his jacket. But one morning he is woken by a terrible nightmare and overcome by an ominous drowning sensation. Something is very, very wrong. Forced into working for the Supernatural Operations Corps in a new and dangerous world, Bookbinder's only hope of finding a way back to his family will mean teaming up with former SOC operator and public enemy number one: Oscar Britton. They will have to put everything on the line if they are to save thousands of soldiers trapped inside a frontier fortress on the brink of destruction, and show the people back home the stark realities of a war that threatens to wipe out everything they're trying to protect. What readers are saying about Fortress Frontier: 'An excellent mix of military drama, sci-fi, adventure and mystical mayhem all rolled into one' 'Grips you from the beginning, and the fast pace doesn't let up. A great continuation' 'The action really races with surprising twists and turns'
