Prominent Indonesian Chinese Leo Suryadinata,1995 The ethnic Chinese in Indonesia, numbering more than six millions, constitute the largest single group of ethnic Chinese in Southeast Asia. They are economically strong, culturally diversified, and socially active. This book presents the profiles of leading figures in the Indonesian Chinese community in the twentieth century in the economic, political, religious, cultural, academic, and social fields. This is the first systematic and comprehensive book of its kind. It is useful for scholars interested in research on Indonesia or Chinese minorities in Southeast Asia generally. First published in 1971, it was revised and developed into the present format in 1978 and has since been revised several times. This is the third and most up-to-date version.

Doing Dissertations in Politics David Silbergh,2003-08-27 This guide has been designed to help undergraduates develop an understanding of practical research methods, and their application in the undergraduate dissertation. Written in an accessible and engaging style, it offers advice on all aspects of undergraduate research, from choosing a dissertation subject through to presenting the finished article. Features of this book: concise chapters which provide an introduction to various aspects of research methods, including: why it is important; quantitative and qualitative methods; and practical application advice, hints and tips on planning, presenting, researching and writing undergraduate dissertations a wide range of examples of research to clearly illustrate different issues and methods which students may encounter guides to further reading and thinking at the end of each chapter.

Keywords in Qualitative Methods Michael Bloor,Fiona Wood,2006-07-06 An essential companion for students across the social and health sciences, this text provides a wide-ranging coverage of qualitative methods complemented by extended illustration from the array of academic disciplines in which qualitative research is found and employed. Written in a lively and reader-friendly style, the guide covers a comprehensive range of topics, including: - a concise definition of the method - a description of distinctive features - examples to convey the flavour of a technique or principle - a critical and reflective evaluation of the method or approach under consideration - cross references to associated concepts within the dictionary - a list of key readings

SIPRI Yearbook 2006 Stockholm International Peace Research Institute,2006 The 37th edition of the SIPRI Yearbook analyses key developments in 2005 in security and conflicts; military spending and armaments; non-proliferation; arms control; and disarmament. This major publication will also contain extensive annexes on arms control and disarmament agreements, and a chronology of security- and arms-control related events.

From Defence to Development Jacklyn Cock,2014-05-28 Remember the global peace dividend - the budget surpluses that were supposed to result from the raising of the Iron Curtain and the end of the arms race? As war-torn societies in the Middle East, Latin America, and parts of Africa found peace and began building democratic societies, governments were supposed to use the money they once spent on the military to better meet basic human needs. But has it happened?
