

Ship

If you ally obsession such a referred **ship** ebook that will meet the expense of you worth, acquire the definitely best seller from us currently from several preferred authors. If you desire to comical books, lots of novels, tale, jokes, and more fictions collections are next launched, from best seller to one of the most current released.

You may not be perplexed to enjoy every books collections ship that we will definitely offer. It is not not far off from the costs. Its not quite what you infatuation currently. This ship, as one of the most in force sellers here will totally be in the course of the best options to review.

Navy Maintenance United States. General Accounting Office 1992
Ice Ship Charles W. Johnson 2014-10-07 In the golden age of polar exploration (from the mid-1800s to the early 1900s), many an expedition set out to answer the big question—was the Arctic a continent, an open ocean beyond a barrier of ice, or an ocean covered with ice? No one knew, for the ice had kept its secret well; ships trying to penetrate it all failed, often catastrophically. Norway’s charismatic scientist-explorer Fridtjof Nansen, convinced that it was a frozen ocean, intended to prove it in a novel if risky way: by building a ship capable of withstanding the ice, joining others on an expedition, then drifting wherever it took them, on a relentless one-way journey into discovery and fame . . . or oblivion. *Ice Ship* is the story of that extraordinary ship, the Fram, from conception to construction, through twenty years of three epic expeditions, to its final resting place as a museum. It is also the story of the extraordinary men who steered the Fram over the course of 84,000 miles: on a three-year, ice-bound drift, finding out what the Arctic really was; in a remarkable four-year exploration of unmapped lands in the vast Canadian Arctic; and on a two-year voyage to Antarctica, where another famous Norwegian explorer, Roald Amundsen, claimed the South Pole. *Ice Ship* will appeal to all those fascinated with polar exploration, maritime adventure, and wooden ships, and will captivate readers of such books as *The Endurance*, *In the Heart of the Sea*, and *The Last Place on Earth*. With more than 100 original photographs, the book brings the Fram to life and light.

Clipper Ship Thomas P. Lewis 1992 Captain Murdock is accompanied by his wife and children as he commands a clipper ship from New York to San Francisco.

Ship It Britta Lundin 2018-05-01 CLAIRE is a sixteen-year-old fangirl obsessed with the show *Demon Heart*. FOREST is an actor on *Demon Heart* who dreams of bigger roles. When the two meet at a local Comic-Con panel, it's a dream come true for Claire. Until the Q&A, that is, when Forest laughs off Claire's assertion that his character is gay. Claire is devastated. After all, every last word of her super-popular fanfic revolves around the romance between Forest's character and his male frenemy. She can't believe her hero turned out to be a closed-minded jerk. Forest is mostly confused that anyone would think his character is gay. Because he's not. Definitely not. Unfortunately for *Demon Heart*, when the video of the disastrous Q&A goes viral, the producers have a PR nightmare on their hands. In order to help bolster their image within the LGBTQ+ community—as well as with their fans—they hire Claire to join the cast for the rest of their publicity tour. What ensues is a series of colorful Comic-Con clashes between the fans and the show that lead Forest to question his assumptions about sexuality and help Claire come out of her shell. But how far will Claire go to make her ship canon? To what lengths will Forest go to stop her and protect his career? And will Claire ever get the guts to make a move on Tess, the very cute, extremely cool fanartist she keeps running into? *Ship It* is a funny, tender, and honest look at all the feels that come with being a fan.

The World of the Newport Medieval Ship Evan T. Jones 2018-05-14 The Newport Medieval Ship is the most important late-medieval merchant vessel yet recovered. Built c.1450 in northern Spain, it foundered at Newport twenty years later while undergoing repairs. Since its discovery in 2002, further investigations have transformed historians' understanding of fifteenth-century ship technology. With plans in place to make the ship the centerpiece for a permanent exhibition in Newport, this volume interprets the vessel, to enable visitors, students and researchers to understand the ship and the world from which it came. The volume contains eleven chapters, written by leading maritime archaeologists and historians. Together, they consider its significance and locate the vessel within its commercial, political and social environment.

Little Pig Saves the Ship David Hyde Costello 2018-08-01 Little Pig is too

small to go to sailing camp with his brothers and sisters, so his grandfather makes him a model ship, and together they sail it on the stream—until it gets carried away by the current, and Little Pig has to rescue the ship before it is wrecked.

Ship of Magic Robin Hobb 2015-09-10 Bingtown is a hub of exotic trade and home to a merchant nobility famed for its liveships—rare vessels carved from wizardwood, which ripens magically into sentient awareness. The fortunes of one of Bingtown's oldest families rest on the newly awakened liveship Vivacia. For Althea Vestrit, the ship is her rightful legacy unjustly denied her—a legacy she will risk anything to reclaim. For Althea's young nephew Wintrow, wrenched from his religious studies and forced to serve aboard ship, Vivacia is a life sentence. But the fate of the Vestrit family—and the ship—may ultimately lie in the hands of an outsider. The ruthless pirate Kennit seeks a way to seize power over all the denizens of the Pirate Isles...and the first step of his plan requires him to capture his own liveship and bend it to his will.

A Practical Course in Wooden Boat and Ship Building Richard Montgomery Van Gaasbeek 2007 Originally published on the eve of WWI, *A Practical Course in Wooden Boat and Ship Building* was developed to train carpenters and other woodworkers in the practical aspects of building a wooden ship.

Ship in a Bottle Andrew Prahin 2021-06-01 A valiant mouse sets sail in her ship in a bottle to seek a better life in this gentle allegory about refugees and immigration. All Mouse wants to do is eat gingersnaps, lie in the sun, and enjoy her ship in a bottle. All Cat wants to do is eat Mouse. This is a problem. So one day, Mouse sets off in her ship in a bottle in search of a new home. But the great big world is a scary place for one small mouse. As she sails downriver, she faces grabby seagulls, selfish rabbits, and stormy waters before finally finding refuge in a park on the shores of an enormous city, where she is welcomed by friends of all shapes and sizes. Readers will cheer Mouse's quiet perseverance on her epic journey as she seeks a tiny spot to call her own.

Liner Ship Fleet Planning Tingsong Wang 2017-05-18 *Liner Ship Fleet Planning: Models and Algorithms* systematically introduces the latest research on modeling and optimization for liner ship fleet planning with demand uncertainty. Container shipping companies have struggled since the financial crisis of 2007-2008, making it critical for them to make informed decisions about their fleet planning and development. Current and future shipping professionals require systematic approaches for investigating and solving their fleet planning problems, as well as methodologies for addressing their other shipping responsibilities. *Liner Ship Fleet Planning* addresses these needs, providing the most recent quantitative research of liner shipping in maritime transportation. The research and methods provided assist those tasked with optimizing shipping efficiency and fleet deployment in the face of uncertain demand. Suitable for those with any level of quantitative background, the book serves as a valuable resource for both maritime academics, and shipping professionals involved in planning and scheduling departments.

Introduces the latest research on maritime transportation problems Analyzes problems of liner ship fleet planning, taking uncertainty into account Promotes the use of mathematics to manage uncertainty, using stochastic programming models, and proposing solution algorithms to solve proposed models Includes case studies that provide detailed examples of real-world examples of fleet optimization Explains how stochastic programming modeling methods and solution algorithms can be applied to other research fields featuring uncertainty, such as container yard planning, berth allocation and vehicle deployment problems

The Wrecking of La Salle's Ship Aimable and the Trial of Claude Aignon Robert S. Weddle 2009-05-01 When Robert Cavelier, sieur de La Salle, landed on the Texas coast in 1685, bent on founding a French colony, his enterprise was doomed to failure. Not only was he hundreds of miles from his intended landfall—the mouth of the Mississippi—but his supply

ship, *Aimable*, was wrecked at the mouth of Matagorda Bay, leaving the colonists with scant provisions and little protection against local Indian tribes. In anger and disgust, he struck out at the ship's captain, Claude Aigron, accusing him of wrecking the vessel purposely and maliciously. Captain Aigron and his crew escaped the doomed colony by returning to France on the warship that had escorted the expedition on its ocean crossing. Soon after reaching France, Aigron found himself defendant in a civil suit filed by two of his officers seeking recompense for lost salary and personal effects, and then imprisoned on order of King Louis XIV while La Salle's more serious accusations were being investigated. In this book, Robert Weddle meticulously recounts, through court documents, the known history of Aigron and the *Aimable*, and finds that despite La Salle's fervent accusations, the facts of the case offer no clear indictment. The court documents, deftly translated by François Lagarde, reveal Captain Aigron's successful defence and illuminate the circumstances of the wreck with Aigron's testimony. Much is also revealed about the French legal system and how the sea laws of the period were applied through the French government's L'Ordonnance de la Marine.

Ship Choice in the Container Age Sidney Gilman 1980 Includes bibliographical references.

We Are the Ship Kadir Nelson 2008-01-08 Using an "Everyman" player as his narrator, Kadir Nelson tells the story of Negro League baseball from its beginnings in the 1920s through the decline after Jackie Robinson crossed over to the majors in 1947. Illustrations from oil paintings by artist Kadir Nelson.

Report to the Congress: Economies Available Through Improved Management of Navy Ship-board Inventories United States. General Accounting Office 1973

Looking for a Ship John McPhee 2011-04-01 This is an extraordinary tale of life on the high seas aboard one of the last American merchant ships, the S.S. *Stella Lykes*, on a forty-two-day journey from Charleston down the Pacific coast of South America. As the crew of the *Stella Lykes* makes their ocean voyage, they tell stories of other runs and other ships, tales of disaster, stupidity, greed, generosity, and courage.

Ship Registers and Enrollments of New Orleans, Louisiana: 1821-1830 Survey of Federal Archives (U.S.). 1941

The Elfin Ship James P. Blaylock 2012-06-21 A trilogy sets sail with a novel that's "charming, light-hearted and funny . . . Feels a little like *The Hobbit* or *The Wind in the Willows*" (Fantasy Literature). James P. Blaylock's debut novel *The Elfin Ship* has become a classic of whimsical fantasy. With echoes of Kenneth Graham and Mark Twain, it's a gentle, eccentric, and hilarious novel that will delight readers of all ages. Trading with the elves used to be so simple. Every year Master Cheeser Jonathan Bing would send his very best cheeses downriver to traders who would eventually return with Elfin wonders for the people of Twombly Town. But no more . . . First, the trading post at Willowood Station was mysteriously destroyed. Then, a magical elfin airship began making forays overhead. Something was definitely amiss. So Jonathan set off downriver to deliver the cheeses himself, accompanied by the amazing Professor Wurzle, the irrepressible Dooly, and his faithful dog Ahab. It would have been such a pleasant trip, if not for the weeping skeleton, mad goblins, magic coins, an evil dwarf, a cloak of invisibility—and a watch that stopped time. If only the return trip were so simple. "Madcap's not a word heard much these days, but it's a great one to apply to the characters and their adventures in *The Elfin Ship*. From start to finish, Blaylock maintains a high level of inventive goofiness that never lets up. If you want about as great a break as possible from the brutalities and cynicism of much of today's fantasy, this book is it."
—Black Gate

It's Your Ship D. Michael Abrashoff 2014-07-02 The former commander of the U.S.S. *Benfold* describes the management principles that he used to command one of the U.S. Navy's most modern warships and explains how these principles can be used in a business environment.

Ghost Ship of Diamond Shoals Bland Simpson 2002 The extraordinary wreck of a majestic ship, a mysteriously missing crew, a message in a bottle, the lost captain's determined daughter - these are all elements of a great sea yarn, and one that happens to be true. Bland Simpson weaves them together in this nonfiction novel, his reconstruction of a ghost ship's final voyage and its baffling aftermath. Using contemporary sources including newspapers, FBI reports, ship's logs, and personal and official correspondence, Simpson dramatizes the ghost ship's final voyage, in the same style he employed so successfully in the award-winning nonfiction novel *The Mystery of Beautiful Nell Cropsey*. Interwoven with the historical narrative are the voices of three key

participants in the drama: Lula Wormell, the "nervy and sturdy young Maine girl" who inspired the investigation; Christopher Columbus Gray, the fisherman whose discovery caused a sensational panic; and W. O. Saunders, the well-known Elizabeth City, N.C., newspaper editor who was also featured in *Nell Cropsey*. To this day, the fate of the *Carroll A. Deering* is considered one of the greatest mysteries of maritime history. Bland Simpson's haunting chronicle keeps the story alive, an apt memorial to the ghost ship and its lost crew.

To Amend the Ship Mortgage Act, 1920, as Amended United States. Congress. House. Committee on Merchant Marine and Fisheries 1954 Considers legislation to establish procedures for U.S. lender foreclosure on foreign flagship overdue mortgages.

The Good Ship Ian Friel 1995 Traces the momentous advances in ship design during the Middle Ages that made possible the wars, explorations, and trade that followed. Focuses on two innovations, the lateen rig, which uses two or more masts in place of the single-masted square-rigger; and the change from clinker to carvel, or skeleton, construction. Also describes the economic and social forces that shaped the shipbuilding industry, the shipyards, and the workers. Illustrated with drawings and woodcuts. Annotation copyright by Book News, Inc., Portland, OR

Plague Ship (SF Classic) Andre Norton 2019-12-18 This eBook edition has been formatted to the highest digital standards and adjusted for readability on all devices. *Plague Ship* follows the adventures of Dane Thorson, a Cargo-master-apprentice on the Free Trader rocket ship the *Solar Queen*. Free Traders take on trading contracts on remote and recently discovered planets, which can be dangerous and unpredictable. The *Solar Queen* has recently obtained a valuable trading contract on the planet Sargol and are building a relationship with one of the races on the planet, the cat-like Salariki. The process goes slowly till the Salariki discover that the *Solar Queen* is carrying catnip and other plants from Terra that are unknown on Sargol. The traders exchange what little of the plants they have for the rare and valuable Koros stones and collect a native red-colored wood to exchange at home. A few days after leaving the planet, several members of the crew suffer from attacks, which start with severe headaches and end in a semi-coma state. Only 4 of the younger members of the crew are unaffected, including Dane Thorson. Upon exiting hyperspace on return to the vicinity of Terra, the crew discovers that they are pariah and have been declared a plague ship.

Down With This Ship Katie Kingman 2021-06-08 In this funny, flirty, and geeky rom com, teenage fanfic writer Kole must come to terms with internet fame, her insecurities, and a crush she never saw coming.
Sheep on a Ship Nancy E. Shaw 2010-02-15 The rhyming misadventures of a group of zany sheep on a pirate ship.

The Last Slave Ship Ben Raines 2022-01-25 The incredible true story of the last ship to carry enslaved people to America, the remarkable town its survivors founded after emancipation, and the complicated legacy their descendants carry with them to this day—by the journalist who discovered the ship's remains. Fifty years after the Atlantic slave trade was outlawed, the *Clotilda* became the last ship in history to bring enslaved Africans to the United States. The ship was scuttled and burned on arrival to hide evidence of the crime, allowing the wealthy perpetrators to escape prosecution. Despite numerous efforts to find the sunken wreck, *Clotilda* remained hidden for the next 160 years. But in 2019, journalist Ben Raines made international news when he successfully concluded his obsessive quest through the swamps of Alabama to uncover one of our nation's most important historical artifacts. Traveling from Alabama to the ancient African kingdom of Dahomey in modern-day Benin, Raines recounts the ship's perilous journey, the story of its rediscovery, and its complex legacy. Against all odds, Africatown, the Alabama community founded by the captives of the *Clotilda*, prospered in the Jim Crow South. Zora Neale Hurston visited in 1927 to interview Cudjo Lewis, telling the story of his enslavement in the *New York Times* bestseller *Barracoon*. And yet the haunting memory of bondage has been passed on through generations. *Clotilda* is a ghost haunting three communities—the descendants of those transported into slavery, the descendants of their fellow Africans who sold them, and the descendants of their American enslavers. This connection binds these groups together to this day. At the turn of the century, descendants of the captain who financed the *Clotilda*'s journey lived nearby—where, as significant players in the local real estate market, they disenfranchised and impoverished residents of Africatown. From these parallel stories emerges a profound depiction of America as it struggles to grapple with the traumatic past of slavery and the ways in which racial oppression continue to this day. And yet, at its heart, *The Last Slave Ship* remains

optimistic—an epic tale of one community's triumphs over great adversity and a celebration of the power of human curiosity to uncover the truth about our past and heal its wounds.

The Long Ships Frans Gunnar Bengtsson 2016 Set in the tenth century, when Vikings roamed and rampaged from Scandinavia to the Mediterranean. A boy abducted by the Vikings from his Danish home is made to take his place at the oars of their ships. Later, he is captured by the Moors in Spain and, escaping from captivity, washes up in Ireland, where he marvels at the Christian monks. Eventually, he contributes to the Viking defeat of the army of the king of England, and returns home a Christian and a very rich man.

Mad Ship Robin Hobb 2003-12-30 "A truly extraordinary saga . . . The characterizations are consistently superb, and [Hobb] animates everything with love for and knowledge of the sea."—Booklist As the ancient tradition of Bingtown's Old Traders slowly erodes under the cold new order of a corrupt ruler, the Vestrits anxiously await the return of their liveship—a rare magic ship carved from sentient wizardwood, which bonds the ships mystically with those who sail them. And Althea Vestrit waits even more avidly, living only to reclaim the ship as her lost inheritance and captain her on the high seas. But the Vivacia has been seized by the ruthless pirate captain Kennit, who holds Althea's nephew and his father hostage. Althea and her onetime sea mate Brashen resolve to liberate the liveship—but their plan may prove more dangerous than leaving the Vivacia in Kennit's ambitious grasp. **BONUS:** This edition includes an excerpt from Robin Hobb's *Ship of Destiny*. Praise for Robin Hobb and the *Liveship Traders Trilogy* "Fantasy as it ought to be written . . . Robin Hobb's books are diamonds in a sea of zircons."—George R. R. Martin "A major work of high fantasy, reading like a cross between Tolkien and Patrick O'Brian . . . one of the finest fantasy sagas to bridge the millennium."—Publishers Weekly "Rich, complex . . . [Hobb's] plotting is complex but tightly controlled, and her descriptive powers match her excellent visual imagination. But her chief virtue is that she delineates character extremely well."—Interzone

Fighting Ship and Cruising Ship Bills United States. Congress. Senate. Committee on Commerce 1932 Corrected Print. Considers legislation to refuse customs clearance to foreign vessels that increase competition with U.S. shipping or carry passengers between U.S. ports. "Fighting ship" refers to any vessel used to exclude, prevent, reduce or increase competition for the purpose of driving another carrier out of such trade.

The Ship Antonia Honeywell 2017-04-25 In this thought-provoking and lyrical debut novel, a young woman's only hope for survival in the dystopian future is a ship, a Noah's Ark, that can rescue 500 people. London burned for three weeks. And then it got worse. . . Young, naive, and frustratingly sheltered, Lalla has grown up in near-isolation in her parents' apartment, sheltered from the chaos of their collapsed civilization. But things are getting more dangerous outside. People are killing each other for husks of bread, and the police are detaining anyone without an identification card. On her sixteenth birthday, Lalla's father decides it's time to use their escape route -- a ship he's built that is only big enough to save five hundred people. But the utopia her father has created isn't everything it appears. There's more food than anyone can eat, but nothing grows; more clothes than anyone can wear, but no way to mend them; and no-one can tell her where they are going.

It's Our Ship Captain D. Michael Abrashoff 2008-05-12 Captain D. Michael Abrashoff, legendary commander of the USS Benfold, continues in the same vein of his bestselling book *IT'S YOUR SHIP* with the knowledge he's gained from his speaking to and advising some of the top business minds in the world. The story of Captain Abrashoff and his command of USS Benfold has become legendary inside and outside the Navy. By governing his ship with his unique management techniques, Abrashoff turned the Benfold into a model of naval efficiency, with amazing cost savings, the highest gunnery score in the Pacific Fleet, and a highly motivated and top performing crew. In *IT'S YOUR SHIP*, he first demonstrated how to bring his successful management techniques from the ship to the boardroom. Now, in his newest book *IT'S OUR SHIP*, in the same rugged, can-do voice, Abrashoff will focus on the leadership, motivational, and management insights and tips that he has learned from his last six years of addressing business and corporate audiences. Abrashoff's timely advice will be eminently prescriptive, and will feature anecdotes and insights from leaders of businesses large and small and from public and non-profit sectors.

The White Ship Charles Spencer 2021-06-10

Slave Ship K. W. Jeter 1998 The bounty hunters introduced in "Shadows of the Empire", and who returned in "The Mandalorian Armor", come to

life in this compelling new novel as Boba Fett battles a conspiracy, Bossk struggles to rule the other bounty hunters, and Kuat fights the maneuverings of Prince Xizor.

Ship of Destiny Robin Hobb 2003-12-30 "A truly extraordinary saga . . . The characterizations are consistently superb, and [Hobb] animates everything with love for and knowledge of the sea."—Booklist As Bingtown slides toward disaster, clan matriarch Ronica Vestrit, branded a traitor, searches for a way to bring the city's inhabitants together against a momentous threat. Meanwhile, Althea Vestrit, unaware of what has befallen Bingtown and her family, continues her perilous quest to track down and recover her liveship, the Vivacia, from the ruthless pirate Kennit. Bold though it is, Althea's scheme may be in vain. For her beloved Vivacia will face the most terrible confrontation of all as the secret of the liveships is revealed. It is a truth so shattering, it may destroy the Vivacia and all who love her, including Althea's nephew, whose life already hangs in the balance. Praise for Robin Hobb and the *Liveship Traders Trilogy* "Fantasy as it ought to be written . . . Robin Hobb's books are diamonds in a sea of zircons."—George R. R. Martin "A major work of high fantasy, reading like a cross between Tolkien and Patrick O'Brian . . . one of the finest fantasy sagas to bridge the millennium."—Publishers Weekly "Rich, complex . . . [Hobb's] plotting is complex but tightly controlled, and her descriptive powers match her excellent visual imagination. But her chief virtue is that she delineates character extremely well."—Interzone

Ship Knowledge Klaas van Dokkum 2008

Ship Fever: Stories Andrea Barrett 1996-11-17 A collection of stories that consider the struggles of love and science includes the title work, in which a young Canadian doctor, treating Irish immigrants who have been driven out by the Great Famine, experiences one of history's most tragic epidemics

Ghost Ship A.D.A France-Williams 2020-07-10 The Church is very good at saying all the right things about racial equality. But the reality is that the institution has utterly failed to back up these good intentions with demonstrable efforts to reform. It is a long way from being a place of black flourishing. Through conversation with clergy, lay people and campaigners in the Church of England, A.D.A France-Williams issues a stark warning to the church, demonstrating how black and brown ministers are left to drown in a sea of complacency and collusion. While sticking plaster remedies abound, France-Williams argues that what is needed is a wholesale change in structure and mindset. Unflinching in its critique of the church, *Ghost Ship* explores the harrowing stories of institutional racism experienced then and now, within the Church of England. Far from being an issue which can be solved by simply recruiting more black and brown clergy, says France-Williams, structural racism requires a wholesale dismantling and reassembling of the ship - before it is too late.

Nonlinear Ship Loads and Ship Fatigue Reliability Alok K. Jha 1997 "Stochastic methods are described here to predict the effects of nonlinear ship loads on fatigue accumulation in random seas. These are found to be capable of predicting the net fatigue damage over many ship response cycles, at a fraction of the cost of direct time-domain analysis. It is also shown how these nonlinear ship load models can be used within a full reliability analysis of ship components. This uses first-order reliability methods to estimate not only the net effect of all uncertainty sources, but also the relative contribution of each (e.g., load vs. material property variability). In our ship load application, nonlinear effects are found to increase the relative impact of load (and wave) modelling and its uncertainty."--V.

Jump Ship to Freedom James Lincoln Collier 1987 In 1787 a fourteen-year-old slave, anxious to buy freedom for himself and his mother, escapes from his dishonest master and tries to find help in cashing the soldier's notes received by his father for fighting in the Revolution.

The Antlered Ship Dashka Slater 2018-09-26 An inquisitive fox sets off on a seafaring voyage with a crew of deer and pigeons in this enchanting tale of friendship and adventure. Marco the fox has a lot of questions, like: how deep does the sun go when it sinks into the sea? And why do birds have such lizardy feet? But none of the other foxes share his curiosity. So when a magnificent ship adorned with antlers and with a deer for a captain arrives at the dock looking for a crew, Marco volunteers, hoping to find foxes who are as inquisitive as he is that can answer his questions. The crew finds adventure and intrigue on their journey. And, at last, Marco finds the answer to his most important question of all: What's the best way to find a friend you can talk to?

Ship Construction and Calculations George Nicol 1918
