*The Ghosts of Varner Creek* MICHAEL L. WEEMS 2012-02 Caution: Book contains adult content and themes. Reader discretion advised.In the summer of 1909, in the small town of Varner Creek, Texas, twelve year old Solomon Mayfield awoke one morning to find his mother and sister had disappeared. Through a series of cover-ups and denials, some aimed at protecting Sol, others at hiding the worst of secrets, Sol lived the rest of his life in a fog of half-truths and shadowed lies, haunted by ghosts of the dead with whom he suddenly found himself sharing an inexplicable bond with that he could never fully understand. But when Sol passes away as an old man so many years later, the truth is waiting for him, as are the ghosts of his past. Sol finally discovers what really happened that summer and it is a truth that will change everything he thought he knew about the life he lived and the people he thought he knew. For as Sol is about to find out, even the dead have secrets.Author's Note: 18+ only, please, as some of the subject matter is not suitable at all for younger readers. Also, a few comments noted book starts slow before revving up. The beginning becomes something different by the ending which is how it was written, but fair disclaimer to readers who hate slow starts . . . this one does lay a foundation before it gets going that some may find slower than to their liking. Also, The Ghosts of Varner Creek is more than a ghost story. It could fit into a number of genres . . . historical fiction, southern fiction, mystery, paranormal, and family drama. So for readers seeking a straightforward horror novel, I wouldn't want to disappoint as this isn't really in that category. Otherwise, if you do read, I thank you in advance and hope you enjoy the book.

*The Unofficial Guide to Game of Thrones* Kim Renfro 2019-10-08 The everything-you-missed, wanted-to-know-more-about, and can't-get-enough guide to the Game of Thrones television series—from the first episode to the epic finale. Valar morghulis! Spanning every episode across all eight seasons, INSIDER's entertainment correspondent Kim Renfro goes deep into how the show was made, why it became such a phenomenon and explores every detail you want to know. It's the perfect book to look back at all you may have missed or to jump-start you on a second viewing of the whole series. As an entertainment correspondent, Renfro has covered the show's premieres, broken down key details in scenes, explored characters' histories, and interviewed the cast, directors, and crew. In this book, she sheds new light on the themes, storylines, character development, the meaning of the finale, and what you can expect next. Some of the questions answered here include: What was the Night King's ultimate purpose? How did the show effect George R.R. Martin's ability to finish the book series? Why were the final seasons shorter? Why did the direwolves get shortchanged? How were the fates of Jon Snow and Daenerys Targaryen foretold from the start? Was that really a bittersweet ending? Winter may have come and gone, but there is still plenty to discover and obsess over in this behind-the-scenes fan guide to the Game of Thrones HBO series.

**Lame of Thrones** The Harvard Lampoon 2020-11-10 From Harvard's legendary humor publication comes an outrageous, uproariously funny parody of Game

of Thrones, in the tradition of their previous bestselling parody book classics *Bored of the Rings*, *Nightlight*, and *The Hunger Pains*. An affectionate but take-no-prisoners send-up of the massive literary and television franchise, *Lame of Thrones* offers fans a way of reentering the fictional world they have come to love and merrily explodes all of its conventions -- as well as their expectations of the characters -- to hilarious ends. It may even leave you more satisfied than the actual TV ending of Game of Thrones. In fact, if it doesn't the Lampoon has really dropped the ball. *Lame of Thrones* will take you to Westopolis, where several extremely attractive egomaniacs are vying to be ruler of the realm and sit on the Pointy Chair. Our hero Jon Dough was a likely bet, but his untimely murder at the hands of his own men of the Night's Crotch has made that seem less likely. Will Dragon Queen Denny's Grandslam escape from her Clothkhaki captors and return to conquer the world? Or will she just get left in the desert counting grains of sand for the rest of the book? And what about Jon Dough's siblings? Will they be mentioned? Probably? Almost definitely, yes? It would be weird if they weren't prominent characters in the book, you say? To find out, read the book you wish George R.R. Martin would write but never will. The Lampoon -- the place where such comedy writers and performers as Conan O'Brien, Colin Jost, B.J. Novak, Patricia Marx, Alan Yang, Andy Borowitz and many more all got their start -- is ready to serve parody notice to the most entertaining, infuriating, and inescapable cultural phenomenon of the past decade.

**e-Pedia: Game of Thrones (season 6)** Wikipedia Contributors 2017-02-22 This carefully crafted ebook is formatted for your eReader with a functional and detailed table of contents. The sixth season of the fantasy drama television series Game of Thrones premiered on HBO on April 24, 2016, and concluded on June 26, 2016. It consists of ten episodes, each of approximately 50-60 minutes, largely of original content not found in George R. R. Martin's A Song of Ice and Fire series. Some material is adapted from the upcoming sixth novel *The Winds of Winter* and the fourth and fifth novels, *A Feast for Crows* and *A Dance with Dragons*. The series was adapted for television by David Benioff and D. B. Weiss. HBO ordered the season on April 8, 2014, together with the fifth season, which began filming in July 2015 primarily in Northern Ireland, Spain, Croatia, Iceland and Canada. Each episode cost over \$10 million. This book has been derived from Wikipedia: it contains the entire text of the title Wikipedia article + the entire text of all the 593 related (linked) Wikipedia articles to the title article. This book does not contain illustrations. e-Pedia (an imprint of e-artnow) charges for the convenience service of formatting these e-books for your eReader.
