**Born in Concrete** Derek Stenning 2013-11-12 After a 12 year absence from creating his own art, Derek started to focus on his personal work in 2009. His first personal project, Born in Concrete, was undertaken to dispel his biases towards expressive art, overcome his own perceived limitations and to rejuvenate his creative spirit. This collision of Soviet inspired retro sci-fi and Jewish mystical and qabalistic symbolism has evolved into a filter, or framework, that emotions, ideas and images are pushed through to be given shape and form. This project has been well received, being featured in numerous exhibits, international publications, as well as book and album covers. It continues to unfold and expand.... This book will feature a gallery section of artwork, a chapter on the artwork created for use as graphics on snowboards, the snowboards and the corresponding marketing material as well as a chapter on the creation of a resin model kit by Industria Mechanika. A section of the book will also be dedicated to a step-by-step breakdown of how one of the art pieces was created. *Beartato and the Incredible Event* 2017-03-04 Funny, all-ages comic strips starring Reginald (a bird) and his best friend Beartato (a bear-potato). **Achtung-Panzer!** Heinz Guderian 1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

Camilla D'Errico Postcards Camilla D'Errico 2009-12-01 A set of 30 postcards reproducing paintings by manga-influenced artist Camilla d'Errico. Beautiful girls are rendered in bright, eye-catching colors. The girls in d'Errico's paintings express myriad emotions at once, with realistically painted animals that perch above them as 'headgear' reflecting the emotional state of the girl below. This postcard set presents d'Errico's portraits in a delicate package, reflecting the light, soulful, and fantasy-rich world she creates.
