Rayman is a very laid-back character, as he is often seen snoozing either on a hammock or up against a tree, but he is also very athletic and shows great gymnastic skills (able to scale wall sides, and in the Game Boy Advance version of Rayman 3 he is able to do a "body shot", kick enemies and can do monkey bars), especially since being given the power to run in the original game, and then get noticeably better from Rayman 2.

Rayman Legends | Ubisoft (US)

Rayman Legends / Definitive Edition. Rayman, Globox, and the Teensies are off wandering through an enchanted forest when they discover a mysterious tent filled with a series of captivating paintings. As they look more

closely, they notice each painting seems to tell the story of a mythical world. While focusing on a painting that shows a medieval land, they are suddenly sucked into the painting, entering the world, and the adventure begins.
