Saint - Wikipedia

In high-church contexts, such as Anglo-Catholicism, a saint is generally one to whom has been attributed (and who has generally demonstrated) a high level of holiness and sanctity. In this use, a saint is therefore not merely a believer, but one who has been transformed by virtue. In Catholicism, a saint is a special sign of God's activity. The veneration of saints is sometimes ...

Saint | Britannica

Saints are persons believed to be connected in a special manner with what is viewed as sacred reality—gods, spiritual powers, mythical realms, and other aspects of the sacred or holy. The religious person may have various relationships with the sacred: as seer, prophet, saviour, monk, nun, priest, priestess, or other such personage.
