Welcome to the V Club -- where members embrace abstinence, get off on civic duties, and heat up their chances to clinch the Treemont scholarship. What better way to prove purity than to pledge allegiance to the virginity flag? Besides, chastity belts are sooo 1300s. Kai, Mandy, Debbie, and Eva have put their futures on the line. *The Virgin Club* Kayley Wood, 2019-07-28 Do yourself a favor and read this book. You won't be sorry. - 5-star Recommended Read - Harlie's Books The story was funny, interesting with several surprises. I look forward to reading more!! - 5-star review - Enchanting Reviews Emma Parker has it all. A great job (which comes complete with a boss from hell), a super cute apartment in the city (more like a third-floor studio), a popular blog (is 738 subscribers popular?), and two best friends she wouldn't trade for the world. Love? Okay, maybe she didn't have it all, but what's the rush? At the tender age of twenty-three (almost twenty-four), Emma knows she has plenty of time to find the perfect guy. That is, until her two best friends enter the dating scene and fall in love, leaving Emma to spend most weekends alone, binge-watching Netflix or playing the dreaded role of fifth-wheel. Panic set in at the realization she was officially an outcast. The lone single virgin who sucked at reading signals and had more experience admiring from afar than being in an actual relationship. After a night of one too many appletinis, a semi-meltdown, and a 'Lose My Virginity Challenge' post, Emma's little blog goes viral. When Emma's co-worker crush, Logan--gorgeous and not interested--finds out that she is the anonymous blogger, Emma's besties come up with a brilliant plan to finally win over the untouchable Logan. Perfect! Things are finally looking up again, but then Emma's hot new billionaire boss, Alex, comes into the picture with plans of his own and a surprising secret she is totally unprepared for. What people are saying about The Virgin Club: I was really reminded of beloved authors like Sophie Kinsella, Helen Fielding, Marian Keyes, and other great Indies like Tawdra Kandle, Melissa Baldwin, and Becky Monson. Adding Kayley Wood to my list and definitely reading more of her work. - Books To Light Your Fire This was an amazingly well-written story. I absolutely enjoyed everything about it. It was so good I had trouble putting it down and read it straight through in one sitting. - Kimmie Sue This book was awesome! I have found a new favorite author! I couldn't put it down! The chapters were great and the twist in the story was unexpected. Loved every minute of it! - Bethny I had no idea really what to expect about this KU book because to be honest they are pretty hit or miss. This book hit it out of the park. - CarlaB72 I wasn't quite sure what to expect from this book. It was clever and well written. I was pleasantly surprised to get caught up in the story. - Rachel This book made me smile, tugged my heartstrings, and just gave me an all-around happy feeling from reading a good book... I'm stingy with giving five stars, but this book definitely deserves it! - P.G. Lamb

The Second Virginity of Suzy Green Sara Hantz, 2007 After moving to Adelaide, Australia, seventeen-year-old Suzy finds that completely transforming her life--including joining a Virginity Club and running for class office--has its challenges, especially when a boy from her past recognizes her and asks her out.

*My Wicked Virgin* Ann Mayburn, 2021-02-18 Each book in the Club Wicked series can be read as a stand alone Sunny My friends all say holding onto my virginity is an old fashioned and outdated misogynistic concept, but when your mother is a drug-addicted prostitute you tend to view sex a little differently. Not that they know that. I'm an expert at pretending to be normal, living my life like someone who doesn't have a care in the world. But it's all a lie. Everything is crumbling around me, but I've always relied only on myself and I don't know how to ask for help. Not even from my best friend, the man I'm secretly in love with and have been saving myself for. Hawk I've waited patiently for Sunny to admit her feelings for me for years. Waited for her to finish college, waited for her to trust me, waited for her to love me as much as I love her. I understood her issues, and had some angry personal demons of my own to slay, but I'm done waiting. Though she denies it, I know something is going on with my girl, something that has her terrified. I'm going to claim my sunshine and nothing on heaven or earth is going to stop me. Not even death itself.

Virginity. A Positive Approach to Celibacy for the Sake of the Kingdom of Heaven Raniero Cantalamessa, OFM Cap,

**Finding My Virginity** Richard Branson, 2018-07-10 Twenty years after his iconic memoir *Losing My Virginity*, the world's ultimate entrepreneur is back with the rest of the story. Richard Branson's *Losing My Virginity* shared the outrageous tale of how he built Virgin from a student magazine into one of the greatest brands in history. No challenge was too daunting, no opportunity too outlandish to pursue. And each new adventure started with five simple words: "Screw it, let's do it." Now, fifty years after starting his first business, Branson shares the candid details of a lifetime of triumphs and failures and what he really thinks about his unique life and career. *Finding My Virginity* is an intimate look at his never-ending quest to push boundaries, break rules, and seek new frontiers—even after launching a dozen billion-dollar businesses and hundreds of other companies. As he led Virgin into the new millennium, Branson fearlessly expanded the brand into new categories such as mobile, media, fitness, and banking and into every corner of the globe—all while preserving its iconoclastic, scrappy spirit. He even brought Virgin into space with Virgin Galactic, the world's first commercial spaceline. *Finding My Virginity* takes us behind the scenes of the incredible brains, heart, and sacrifices that have gone into making private spaceflight an imminent reality—even after the biggest crisis Branson has ever faced. But this book is much more than a series of business adventures. It's also the story of Branson's evolution from hotshot entrepreneur to passionate philanthropist and public servant, via Virgin Unite's environmental and health initiatives and through the Elders, a council of influential global leaders. And it's the story of his personal quest to become a better son, husband, father, and "grand-dude" to his four grandchildren. Featuring a supporting cast that includes everyone from Bill Gates to Kate Moss, Nelson Mandela to Barack Obama, this is the gripping account of a man who will never stop reaching for the stars, in more ways than one. Find out how Branson did it for the first time—all over again.

Unintentional Virgin A. J. Bennett, 2013-11-01 Karma Points is cursed. Cursed with a stupid name and the inability to lose her virginity. She's determined to lose her virginity before she turns twenty if it's the last thing she does. One night, her good friend Eva brings her to an underground club where Karma meets a tattooed bouncer. He's far from the clean-cut type she normally falls for, which makes her think this might finally be the night she crosses the threshold of womanhood. Excited, she goes home with the bouncer named Jax and as always, her dreams crash down once again. Jax cannot believe she is willing to give away her virginity to a stranger she met at a club. As the only son with five sisters and a widowed mom, he can't morally go through with it, even though he's never been more tempted in his life. Unwilling to let her walk away he strikes a deal. Karma has to spend three weeks dating him and then decide if she wants to have sex or walk away.

*The V Club* Kate Brian, 2004 Eva, Debbie, Kai and Mandy are best friends. They're also all looking for an escape route from high school - an escape none of them can manage on their own. Which is where Mrs Treemont's scholarship fund comes in... but the girls soon discover that being awarded it depends on more than high grades - they've also got to prove they're still 'pure of soul'. And, in the competition to win the scholarship, the girls are soon playing dirty... ...Welcome to The V Club. Where members embrace abstinence, get off on civic duties, and heat up their chances to clinch the Treemont scholarship.

**Losing My Virginity** Richard Branson, 2010-09-01 The unusual, frequently outrageous autobiography of one of the great business geniuses of our time, Richard Branson. In little more than twenty-five years, Richard Branson spawned nearly a hundred successful ventures. From the airline business (Virgin Atlantic Airways), to music (Virgin Records and V2), to cola (Virgin Cola), and others ranging from financial services to bridal wear, Branson has a track record second to none. Many of his companies were started in the face of entrenched competition. The experts said, Don't do it. But Branson found golden opportunities in markets in which customers have been ripped off or underserved, where confusion reigns, and the competition is complacent. In this stressed-out, overworked age, Richard Branson gives us a new model: a dynamic, hardworking, successful entrepreneur who lives life to the fullest. Branson has written his own rules for success, creating a group of companies with a global presence, but no central headquarters, no management hierarchy, and minimal bureaucracy. Family, friends, fun, and adventure are equally important as business in his life. *Losing My Virginity* is a portrait of a productive, sane, balanced life, filled with rich and colorful stories, including: - Crash-landing his hot-air balloon in the Algerian desert, yet remaining determined to have another go at being the first to circle the globe - Signing the Sex Pistols, Janet Jackson, the Rolling Stones, Boy George, and Phil Collins - Fighting back when British Airways took on Virgin Atlantic and successfully suing this pillar of the British business establishment - Swimming two miles to safety during a violent storm off the coast of Mexico - Staging a rescue flight into Baghdad before the start of the Gulf War And much more. *Losing My Virginity* is the ultimate tale of personal and business survival from a man who combines the business prowess of Bill Gates and the promotional instincts of P. T. Barnum.

**Virgin for Sale** Cassandra Dee, 2019-04-24 I sold my virginity to make ends meet. Everything went down the hole after my dad lost his job. We lost our house, staying in a shelter, and my dead-end position wasn't nearly enough. But there's a place in Vegas where you can sell your virginity to billionaires. So I did it. I put myself up for auction. But I never expected to be bought by someone like Andrew Fire. Mr. Fire was rich, handsome, and devastatingly charming. But ultimately, this was a transaction. And falling in love definitely wasn't part of the bargain! Hey Readers – This is a sexy, steamy romance that will make your cheeks burn and your panties melt. Guaranteed HEA. Enjoy! Xoxo, Cassie

**Prude: Misconceptions of a Neo-Virgin** Carrie Lloyd, 2016-02-02 SEX. LOVE. VIRGINITY? In the dating game, the V-word has become as strange and complicated as the L-word, with purity as outdated as pay phones. What is an ex-athiest, post-porn addict, unorthodox Christian girl to do these days? How can she create boundaries without scaring off every available guy? Is purity even possible without being puritanical? In this candid, humorous account of the true-life trials of Christian dating, the author shares the wisdom she's gleaned in her quest for love in a modern world. She guides with grace and honesty through the often hush-hush topics of sex, porn, shame, female competition, misconceptions about purity, and those dreaded "waiting till marriage" conversations. Meet Carrie Lloyd. -- Carrie Lloyd

Virginity Or Death! Katha Pollitt, 2006 Collection of Pollitt's columns in the Nation about political, social and cultural trends in the United States.

A Virgin Conceived Mary F. Foskett, 2002-06-25 The virginity of Mary has been an influential tenet of Christian belief, a catalyst for Marian devotion, and a foundation for the construction of female Christian piety and practice. In contrast to previous biblical interpreters who have drawn on either linguistic or

historical evidence to ponder whether Mary the parthenos is indeed a virgin, in this study Mary F. Foskett takes a different course. Rather than investigating the meaning and implications of the Virgin as a reified symbol, *A Virgin Conceived* examines the portrayal of Mary as a virgin in two important early Christian narratives: the canonical Luke-Acts and the second-century Protevangelium of James. Foskett explores the multiple meanings and images that parthenos and virginity display in two sources and describes how they exploit this range of possible meanings in their representations of Mary. Her study departs from earlier biblical interpretation by emphasizing neither the ambiguity of the term parthenos nor the history of tradition concerning Mary. Instead, it displays the multiple meanings of virginity and their implications for understanding representations of the Virgin Mary.

**Versions of Virginity in Late Medieval England** Sarah Salih,2001 Medieval virginity theory explored through study of martyrs, nuns and Margery Kempe.

**Diseases and Diagnoses** Sander L. Gilman,2011-12-31 *Diseases and Diagnoses* discusses why such social problems as addiction, sexually transmitted diseases, racial predisposition for illness, surgery and beauty, and electrotherapy, all of which concerned thinkers a hundred years ago, are reappearing at a staggering rate and in diverse national contexts. In the twentieth century such problems were viewed as only historical concerns. Yet in the twenty-first century, we once again find ourselves confronting their implications. In this fascinating volume, Gilman looks at historical and contemporary debates about the stigma associated with biologically transmitted diseases. He shows that there is no indisputable way to measure when a disease or therapy will reappear, or how it may be perceived at any given moment in time. Consequently, Gilman focuses on the socio-cultural and political implications that the reappearance of such diseases has had on contemporary society. His approach is to show how culture (embedded in cultural objects) both feeds and is fed by the claims of medical science-as for example, the reappearance of race as a cultural as well as a medical category. If the twentieth century was the age of physics, in the latter part of the past century and certainly in the twenty-first century biological concerns are recapturing central stage. Achievements of the biological sciences are changing the public's sense of what constitutes cutting-edge science and medicine. None has captured the public imagination more effectively than the mapping of the human genome and the promise of genetic manipulation, which fuel what Gilman calls a second age of biology. Although not without controversy, the role of genetics appears to be key. Gilman puts contemporary debates in historical context, showing how they feed social and cultural concerns as well as medical possibilities.
