Duck on a Tractor David Shannon 2021-08-03 Bestselling Caldecott Honor artist David Shannon tells the story of a determined duck who decides to jump on a tractor and drive it around the barnyard and through town, with hilarious consequences! Shannon's wildly popular, award-winning *Duck on a Bike* left children begging him to tell them another story about Duck after seeing him pictured alongside a shiny red tractor. Now Duck is back and turning the farm upside down! Flushed with the success of his trailblazing bike ride around the farm, Duck decides he's ready to drive the tractor. As in the bestselling *Duck on a Bike*, all the barnyard animals share their humorous comments as they watch Duck do the unthinkable. Then, one by one, they join him on the tractor for a ride! But what happens when Duck drives the big red tractor through town, past the popular diner where all the locals are having lunch? What will those folks really think when they see Duck and all the other animals riding around on Farmer O'Dell's tractor? Filled

with entertaining detail and sly jokes, readers will pore over each picture again and again. Perfect for reading aloud!

Stress-free Chicken Tractor Plans John Suscovich 2016
"Inside these pages, you will find step-by-step instructions for a mobile broiler chicken shelter for pastured poultry that is used by farmers and homesteaders all over the country. Raising chickens on grass provides them with a healthy lifestyle and a delicious flavor. You can raise just enough of them to feed your family or scale up to include pastured poultry as a profitable part of your farm business. John Suscovich has raised thousands of chickens using these mobile shelters, a main enterprise on his farm in

Connecticut. These chicken tractors were created using the best elements from other designs. They are easy to move and provide a good life for the chickens. With a little bit of creativity, they can also be modified for seasonal egg-layer housing, rabbits, ducks and forts for your kids. Not only does this book contain the plans and supply list to build your first chicken tractor, but it gives you some insight into how to use it and what mindset you should have if you are to become a happy and successful farmer. John also walks you through the light carpentry skills you need to build these chicken tractors and teaches you the most commonly used knots on a farm. You may learn these skills for this project, but you'll be able to apply them on your farm for years to come."--Page [4] of cover.
