Environmental Rights Chris Miller,2012-11-12 Environmental Rights offers new perspectives on contemporary debates over rights and environmental issues. It draws on key theories of contemporary philosophers and jurists and case reports from decisions in English, European and US courts. It also examines recent developments within environmental law and policy in the UK and the EU. Specific rights of the individual are examined - the right to clean air and water, access to information, the right to participate in environmental decisions - as well as the practical obstacles to the exercising of these rights.

If Anything Happens I Love You Will McCormack,Michael Govier,2022-09-27 Unimaginable loss yields to the power of human connection in this simple, moving story from the filmmakers of the eponymous Oscar-winning film. An elegy on grief. Heavy pain exquisitely rendered. Kirkus Starred Review Based on the Academy Award-winning animated short by the same name, *If Anything Happens I Love You* is a young adult graphic novel that follows two parents as they reckon with the loss of their young daughter, Rose, in a school shooting. Readers follow Rose from “above” as she watches her parents slowly break down under the weight and pain of their loss. Throughout the novel, Rose’s soul seeks to help her parents reconnect. We learn who Rose was and how much life she lived in her short time. By incorporating a wide range of characters, her boyfriend, teacher, and her cat, Rose is able to introduce healing into the lives of the people she left behind. *If Anything Happens I Love You* may be a story about loss, but in it we see ourselves—in the grief, the pain, and, most importantly, in the fight toward human connection, love, and acceptance.

Achtung-Panzer! Heinz Guderian,1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

Work Is Hell Matt Groening, 1997-08 Laugh off your work worries, employment disappointment and career cares with Blinky, Bongo, Jeff and Akbar as they guide you safely through the 9 to 5 battle-zone that is work. As someone once said: 99% of success is simply turning up. From the first tentative step onto the greasy corporate ladder, to the inevitable slump to the bottom of the food-chain, Matt Groening draws on all the back-stabbery, gossip-mongery and skullduggery of modern office life to create a hilarious masterpiece to help you transcend the work-a-day blues. Whether you feel like a battery hen or a battering ram at work, you will laugh at your peers, recognise your younger naive self, and poke fun at your boss. Say goodbye to boredom and hello to squeals of laughter as Matt Groening races through Bad Job Checklists, How to Kill 8 Hours a Day and Still Keep Your Job, and The 81 Types of Employees. Life in Hell was the syndicated newspaper cartoon strip by Matt Groening which ran in the States during the 80s and early 90s. Asked to turn the characters into TV animation, Groening instead developed The Simpsons, retaining many of the characteristics of Binky, Bongo, Sheba, Jeff and Akbar in the series. In a world w
