2019-09-02
He didn't ask for limitless power. Conthan's only talents are sarcasm and art. That is, until he learns he's a child of Nostradamus with the ability to teleport. When his newfound powers kill a Marine, he finds himself hunted by the military's elite. He is not the only one in danger. Conthan discovers his future entwined with a warden bent on corrupting imprisoned children. As he unravels a conspiracy about to destroy the country, will he sacrifice his humanity to become a hero?
Fans of X-Men & X-Force will love this fast-paced introduction to the children of Nostradamus Universe.

**POPULAR MECHANICS**
2000-01

**FIND KITTY NALA**
**ERIC GOLDMAN**
2016-08-04
Our cat likes to hide. Can you find her? This book contains over 100 photos of our cat, Kitty Nala, who likes to hide in funny and random places. Over 60 of the photos are "puzzles" that challenge you to find her. Each photo puzzle has a matching photo "answer" showing you where she is. It's fun trying to find the kitty, and you'll chuckle at her creative hiding spots and her winning personality.

**TOO MANY TEDDIES**
**SHELLEY ARNUSCH**
2014-01-29
Too Many Teddies tells the story of Trixie, a little girl who has accumulated way too many stuffed toys. Even though Trixie loves all her teddies, she has to admit that things have gotten way out of hand, especially when she's crowded out of her own bed. The solution that Trixie and her mother come up with certainly isn't easy for a girl who is attached to her toys, but in the end, Trixie learns the value of giving and makes a whole bunch of new friends. A fun-to-read story that incorporates themes of philanthropy and generosity and also promotes the value of a less-cluttered living space, Too Many Teddies will win your heart.

**SPARKY THE TOY ROBOT**
**PONK VONSDOWN**
2013-08-23
Sparky the toy robot was a gift for a little boy's eighth birthday. But after Sparky gets lost and is transported all the way across New Los Angeles, he goes on an adventure trying to find his way back home and to his friend, the little boy. Along the way Sparky meets various people who each teach him a different human virtue, which Sparky can understand and that he adds to his personality. But before he finds his way back home Sparky is called upon to do something heroic and he draws upon the virtues he has learned to know to do the right thing.

**SLAUGHTERHOUSE-FIVE**
**KURT VONNEGUT**
1999-01-12
A special fiftieth anniversary edition of Kurt Vonnegut's masterpiece. "A desperate, painfully honest attempt to confront the monstrous crimes of the twentieth century" (Time), featuring a new introduction by Kevin Powers, author of the National Book Award finalist The Yellow Birds Selected by the Modern Library as one of the 100 best novels of all time Slaughterhouse-Five, an American classic, is one of the world's great antiwar books. Centering on the infamous World War II firebombing of Dresden, the novel is the result of what Kurt Vonnegut described as a twenty-three-year struggle to write a book about what he had witnessed as an American prisoner of war. It combines historical fiction, science fiction, autobiography, and satire in an account of the life of Billy Pilgrim, a barber's son turned draftee turned optometrist turned alien abductee. As Vonnegut had, Billy experiences the destruction of Dresden as a POW. Unlike Vonnegut, he experiences the travel, or coming "unstuck in time." An instant bestseller, Slaughterhouse-Five made Kurt Vonnegut a cult hero in American literature, a reputation that only strengthened over time, despite his being banned and censored by some libraries and schools for content and language. But it was precisely those elements of Vonnegut's writing—the political edginess, the genre-bending inventiveness, the frank violence, the transgressive wit—that have inspired generations of readers not just to look differently at the world around them but to find the confidence to say something about it. Authors as wide-ranging as Norman Mailer, John Irving, Michael Crichton, Tim O'Brien, Margaret Atwood, Elizabeth Strout, David Sedaris, Jennifer Egan, and J. K. Rowling have all found inspiration in Vonnegut's words. Jonathan Safran Foer has described Vonnegut as "the kind of writer who made people—young people especially—want to write." George Saunders has declared Vonnegut to be "the great, urgent, passionate American writer of our century, who offers us . . . a model of the kind of compassionate thinking that might yet save us from ourselves." Fifty years after its initial publication at the height of the Vietnam War, Vonnegut's portrayal of political disillusionment, PTSD, and postwar anxiety feels as relevant, darkly humorous, and profoundly affecting as ever, an enduring beacon through our own era's uncertainties. "Poignant and hilarious, threaded with compassion and, behind everything, the cataclyx of a thundering moral statement."—The Boston Globe

**MORE THAN A GAME**
**MARK COLLINS**
2016-05-04
Here is a description of "More Than A Game" in the words of the protagonist, Carter Mason: I know what I look like: a stereotype; a fatherless black kid pinning his hopes on a football scholarship. But I've got the skills and the smarts to back it up. One night, and an innocent dance with a white girl, and my whole world and all my dreams start to unravel. The killing begins. People are looking at me. And the circle of people I can trust is getting smaller by the day. I can feel the net closing in. I have to find the killer before he finds me. I have to play the best football of my life. I have to stay alive long enough to get a ticket out of hell.

**THIS IS WHY WE CAN'T HAVE NICE THINGS**
**MAGGIE LEUNG**
2015-04-09
As a mom of two little boys, I was inspired to share humorous stories of my two sons through their toddler years (which are not yet quite over). This book contains twenty two pages of hand-drawn illustrations showcasing a mother of two little boys coming to the realization she can't have nice things, at least for a little while. While names have been changed to protect the "innocent", these stories are all true. The books ends on a sweet note that all parents share, that sacrificing nice things for our sweet children really isn't difficult at all.

**JAPANESE PAPER TOYS KIT**
**ANDREW DEWAR**
2016-09-27

**DAYS OF WRATH**
**WAYNE VANSANT**
2019-11-06
Wayne Vansant's critically acclaimed World War II comic series that began with Days of Darkness now depicts the gripping war in the Pacific at Guadalcanal and the Battle of Bloody Ridge in the issue collected graphic novel Days of Wrath. When the U.S. Navy orders its ships to run from the Japanese fleet, they abandon American troops on a bloody battered island in the South Pacific. This is the powerful story of the long, vicious battle for Guadalcanal. As the men left on Guadalcanal find out that there will be no prisoners taken on either side. It is a kill or be killed battleground as the stranded U.S. Marines fight against overwhelming odds and hope for reinforcements before it's too

*Free Paper Toy Download*

Late. As the events unfold, a Marine unit is deployed onto a small grassy hill to hold off the onslaught of Japanese assault troops. The three day-three night battle that ensues will go down in history as the Battle of Bloody Ridge. Collects comic book issues 1-4. A Caliber Comics release.

La'shonda Presha
2017-03-31
This book is a detailed depiction of the "cuts" that people incur or will incur over the course of their lives, and how those "cuts" subsequently shape their lives. (Cuts are hurts, experiences, tragedies, and/or various pains incurred). Unfortunately, people will inevitably incur hurts and pains in life, which most are beyond their own control. One simply cannot control what happens to them at the hands of another. People hurt other people. It's not so much the hurt that causes the problem, but more so the effects of the hurt. Oftentimes, people ignore the hurt. They try to live their lives as if the hurt never occurred. Many are oblivious to their deep hurt because they've mastered the art of disguising the pain. The problem ensues when the severely wounded people interact with others, then they subsequently inflict others with the residual hurt that they've been harboring. Because of this, many fail to realize that they've been "cut" and are in need of healing. The purpose of this book is to aid in identifying and healing cuts from one's life (including their past, present, or possibly their future), as these cuts will affect one's life in some regard. Oftentimes, people need healing to recover from some trauma or tragedy that they've endured, yet they're too afraid to ask for help. Many internalize their feelings, never properly articulating their mental anguish, ultimately forsaking the need and opportunity to heal. It's the lack of healing that causes people to hurt others or live unhappy lives. This book was written to aid people with identifying their hurt, their need for healing, and ultimately helping them to heal and subsequently live their best lives.

The Spell Book of a Wicked Witch
Thalia Thorne
2021-02-07
Sometimes the only way to get justice is to make it for yourself. Many modern witches believe that you should only use magic to bring positive energy into the world, and most spell books teach you those types of spells. This spell book is different. This spell book is wicked. There are times when you will be hurt by someone you loved, betrayed by someone you trusted, maligned by someone you thought was your friend. Times when the magic of light and love just will not do. Thalia Thorne is an experienced witch and falls firmly into the camp that knows that there is no such thing as "white magic" or "black magic". Magic is what you turn to when mundane methods have failed or just won't work. If you're not pushing back against those who would walk all over you, then you're just going to end up being a doormat. This spell book will teach you how to make your own justice and stand up for yourself. For example, you'll find:
Agony of Acne Curse - to give someone a pimple
Sour Break Up Spell - to end a relationship
Banish Your Ex Hex - to drive them away forever
Business Butcher Curse - to destroy a business
Liar's Lamentation - to find out who has been spreading lies
And over 60 other spells that use simple ingredients and provide step-by-step directions that a beginner can follow. The next time someone wrongs you, will you turn the other cheek? Or will you be wicked?

**BULLETIN OF THE ATOMIC SCIENTISTS**

Keith C. Blackmore
2011
"Boonsticker. Samurai bat. Motorcycle leather. And the will to live amongst the unliving. Augustus Berry lives a day-to-day existence comprised of waking up, getting drunk, and preparing for the inevitable day when "they" will come up the side of his mountain and penetrate his fortress. Living on the outskirts of a city and scavenging for whatever supplies remain since the demise of civilization, Gus knows that his next visit to undead suburbia could be his last. Not only does he face a corpse-infested urban hell, human scavengers, and unending loneliness, but now a new mystery has risen... The undead are disappearing from the streets. A force is gathering, beyond the mountain man's wildest nightmares, even more relentless and terrifying than the robbing tides of dead flesh. And it's preparing to hunt." -- Back cover.

The Door Is Open
Arend Cort
2012-05-01
"A wondrous, sparkling fusion of wisdom and insight." - Patricia Santhuff
What do the wonderful myths of ancient Greece, the beautiful stories in the Bible and Qur'an, and all the sacred stories from traditions around the world, have in common? They open our hearts to wonder, mystery, passion, and joy. I know, on the outside these stories seem very different, confusing, conflicting, and often violent and divisive. But when read symbolically and internally, they are all telling the same story. They show us the path of spiritual awakening and enlightenment. Sometimes the story is called "Returning to the Promised Land," Sometimes it's called "Seeking the Holy Grail." Sometimes it's called "Persephone's Return to Olympus." But whatever it's called, the inner meaning and purpose is always the same. The stories are all a call to awaken, to live passionately and consciously, and to enter the door that leads to enlightenment and communion with the divine. The door is always open. The light is always ready to receive us. But we have to learn how to tread the path! Fortunately, that's what all the sacred stories are really about. The Door Is Open uncovers the 7 Universal Steps that are found within the symbols and allegories of all great mythology and scripture. Each chapter ends with a series of practical and enjoyable spiritual exercises and activities. You can do this work on your own, or together with a group. It could be a church or synagogue group, a book club, a classroom, or any group of friends who want to get together and expand their spiritual horizons.

**HARRIET AND THE PIPER (EASYREAD COMFORT EDITION)**
Kathleen Thompson Norris
2008-11-07

**LITTLE WARS AND FLOOR GAMES**
**H. G. WELLS**
2016-01-05
Ironically enough, one of the twentieth century's leading pacifists wrote Little Wars, a book that has entertained and enlightened war buffs for the past hundred years. H. G. Wells, the great science-fiction pioneer, turned his attention from tales of the travel and alien invasions to write the first classic book of war games. His simulations of past battles and hypothetical future clashes allow readers to test their tactical and strategic skills and attempt to rewrite history. The companion piece, Floor Games, offers a more lighthearted look at war games. Based on the playful battles Wells waged with his sons, the narrative describes how creative play with miniature figures can transform an ordinary room into a magical world. The book has since been hailed as an inspiration for the development of a nonverbal psychotherapeutic method employed in the treatment of adults and children. Both Little Wars and Floor Games feature winsome illustrations by J. R. Sinclair that enhance their antique charm.

Elizabeth Keller
2017-02-11
This 2nd edition is in black and white, for those who would like a less-expensive version of the book. The Crystal Skull Messenger tells the story of Thelma Daisy Moran, and introduces the extraordinary "Group of 8" Himalayan crystal skulls. These crystal skulls were discovered in caves in Tibet in 2002, and are believed by some to be ancient, and taken to Tibet before the fall of Atlantis. The book chronicles the meeting of Thelma and Elizabeth Heart-Star Keller, and their journey as the guardians of the Himalayan crystal skulls Heart-Star and Yangtze, and the work they have done from their homes in Sedona, Arizona and Gastonbury, England. The Crystal Skull Messenger features many photographs, including the "Group of 8" Himalayan crystal skulls, shown for the first time. Thelma is a pure channel, bringing through beautiful inspired poetic messages from the crystal skulls, which allows their story to be told. She has received poetic messages from many crystal skulls, including the Mitchell-Hedges skull, that are shared throughout the book. Here is the first poem channeled to Thelma from the Mitchell-Hedges crystal skull on 11:11:07. All directions flow through me in that I am alone. I unify the Earth with stars, alignment is my throne. From East to West and North and South, My energies hold fast. I also am a pathway. To the future and the past. All tribal children soon will come and gather near a mountain. Pulsating stars will touch their hearts. Expect Unification! A wondrous band of Golden Light will touch the hearts of all. And God's new time will then emerge to sanctify us All. Popular Mechanics 2000-01 Popular Mechanics inspires, instructs and influences readers to help them master the modern world. Whether it's practical DIY home-improvement tips, gadgets and digital technology, information on the newest cars or the latest breakthroughs in science -- PM is the ultimate guide to our high-tech lifestyle.
