Romanesque Architecture and its Sculptural in Christian Spain, 1000-1120

Janice Mann 2009-04-08 The decades following the year 1000 marked a watershed in the history of the Iberian Peninsula when the balance of power shifted from Muslims to Christians. During this crucial period of religious and political change, Romanesque churches were constructed for the first time in Spain. Romanesque Architecture and Its Sculptural Decoration in Christian Spain, 1000-1120 examines how the financial patronage of newly empowered local rulers allowed Romanesque architecture and sculptural decoration to significantly redefine the cultural identities of those who lived in the frontier kingdoms of Christian Spain. Proceeding chronologically, Janice Mann studies the earliest Romanesque monuments constructed by Sancho el Mayor (r.1004-1035) and his wife, daughters, and granddaughters, as well as those that were built by Sancho Ramírez,

king of Aragon (1064-1094). Mann examines groups of buildings constructed by particular patrons against the backdrop of changing social conditions and attitudes that resulted from increased influence from beyond the Pyrenees, the consolidation of royal power, and intensified aggression against Muslims. An in-depth study of the rise of an architectural style, this is the first book to examine early Romanesque architecture and sculpture of the Iberian Peninsula as it relates to frontier culture.

[The Knights Templar at War, 1120-1312](#)
Paul Hill 2018-01-30 A look at the famed medieval Catholic order, with an emphasis on military history—includes numerous illustrations. There are many books about the Knights Templar, the medieval military

order which played a key role in the crusades against the Muslims in the Holy Land, the Iberian peninsula, and elsewhere in Europe. What is seldom explored is the military context in which they operated. This book focuses on how this military order prosecuted its wars. The order was founded as a response to attacks on pilgrims in the Holy Land, and it was involved in countless battles and sieges, always at the forefront of crusading warfare. This absorbing study examines why they were such an important aspect of medieval warfare on the frontiers of Christendom for nearly two hundred years. The author shows how they were funded and supplied, how they organized their forces on campaign and on the battlefield, and the strategies and tactics they employed in the various theaters of warfare in which they fought. Templar leadership and command and control are examined,

The institution of the lay brotherhood was not original to the Cistercians, but they developed it to its fullest extent. Although lay, the conversi were under the same vows as monks and represented a new form of religious life. While monks were bound to the recitation of the Divine Office, the lay brothers were dedicated to a life of toil and acted as the monks' auxiliaries. Their contribution to the spiritual and material life of the Cistercian Order was immense. By consideration of tales from the exemplum literature, evidence from general chapter statutes, and information on the architectural provisions made for the lay brothers in the abbey and on the outlying granges, this book puts flesh on the bare bones of a life directed by their own Usages. The book is richly illustrated with images from manuscripts, stained glass, and architectural sculpture.

What My Pen Thinks Parlin Smith

2019-12-06 WHAT MY PEN THINKS (Volume 1) is a book that contains some selected verses of wise words that can be easily quoted, or used as references whenever one needs thinking source(s) ; mostly when vast task or assignment lies ahead. Chalet on Cliffside Drive Lilly Mirren
2021-02-23 The touching fourth instalment in the Emerald Cove saga from a USA Today Bestselling Author. At forty-four years of age, Ben Silver thought he'd never find love. When he moves to Emerald Cove, he does it to support his birth mother, Diana, after her husband's sudden death. But then he meets Vicky. Vicky Hawkins is younger than Ben, much younger. But there's something about his earnest brown eyes, the sadness behind them, the depth to them, that draws her in. He becomes her friend, but it isn't long before she realises there's more to their relationship than that.

It's time for Cindy to get on with the rest of her life. She'll have to decide if the cafe she's spent her life nurturing will be a part of her retirement or if it's time for her to let it go. Sarah finally finishes the book she's been working so hard to write. But will she be able to rejoin the industry she left behind? Even as she steps forward, she and Mick are considering the next phase of their relationship. If you haven't begun this uplifting ongoing series yet, be sure to start at the beginning. Enjoy these moving stories of love, hope, loss and heartache for fans of Debbie Macomber. Please note: This book is the fourth instalment in the Emerald Cove saga.

Architecture and Society in Normandy 1120-1270 Lindy Grant 2005-01-01 This wide-ranging book explores the architecture—principally ecclesiastical—of Normandy from 1120 to 1270, a period of profound social, cultural, and political

change. In 1204, control of the duchy of Normandy passed from the hands of the Anglo-Norman/Angevin descendants of William the Conqueror to the Capetian kingdom of France. The book examines the enormous cultural impact of this political change and places the architecture of the time in the context of the Normans' complicated sense of their own identity. It is the first book to consider the inception and development of gothic architecture in Normandy and the first to establish a reliable chronology of buildings. Lindy Grant extends her investigation beyond the buildings themselves and also offers an account of those who commissioned, built, and used them. The humanized story she tells provides sharp insights not only into Normandy's medieval architecture, but also into the fascinating society from which it emerged.

Healthy Quick and Easy Smoothies Dana

Angelo White 2018-11-13 Smoothies are a tasty way to satisfy your cravings between meals and pack often-neglected superfoods into your diet.
