Trench Phillips and the English Muffin McGuffin Douglas Parker 2014-07-23 Poor Lou! He could never catch a break - even after he was dead! Buffalo Police Detective Trench Phillips has the responsibility of tracking down the brutal executioner who ripped Lou's head from his body! While clashing with his boss, the Sheriff's Office, and a refrigerator full of Budweiser Light Platitudes that frequently call his name, Phillips attacks the case using his wildly unorthodox methods, his cutting, sarcastic humor, and his loyal Kia Sportage named Daisy. Once the FBI becomes involved, Phillips' world really turns into a firestorm - from armed predator drone attacks, to lethal doses of a heavy metal poison being dumped into the country's water supplies, to catastrophes at The Civilian Interstellar Test Center. As the dangers climb and the bodies drop, Phillips becomes the only player left on the field in a very unsporting high stakes game between treachery and triumph that will both delight and dare fans of gritty, hardboiled detective action!

Minions: The Three Little Minions Universal 2015-09-15 The story of Universal Pictures and Illumination Entertainment's Minions begins at the dawn of time. Starting as single-celled yellow organisms, Minions evolve through the ages, perpetually serving the most despicable of masters. Continuously unsuccessful at keeping these masters-from T. rex to Napoleon-the Minions find themselves without someone to serve and fall into a deep depression. But one Minion named Kevin has a plan, and he-alongside teenage rebel Stuart and lovable little Bob-ventures out into the world to find a new evil boss for his brethren to follow. The trio embarks upon a thrilling journey that ultimately leads them to their next potential master, Scarlet Overkill (Academy Award® winner Sandra Bullock), the world's first-ever female super-villain. They travel from frigid Antarctica to 1960s New York City, ending in mod London, where they must face their biggest challenge to date: saving all of Minionkind...from annihilation. Featuring a soundtrack of hit music from the '60s that still permeates our culture today, Minions is produced by Illumination's Chris Meledandri and Janet Healy, and is directed by Pierre Coffin and Kyle Balda. Brian Lynch has written the screenplay for the 3D-CG comedy adventure, and Chris Renaud serves as executive producer of the film. A board book inspired by the new feature film!

Forgiveness and Atonement Jonathan Curtis Rutledge 2022-04-01 This book analyzes the relationship between forgiveness, atonement, and reconciliation from a Christian theological perspective. Drawing on both theological and philosophical literature, it addresses the problem of whether atonement is required for forgiveness and considers important related concepts such as sin and justice. The author develops a sacrificial model of atonement that connects an understanding of Christian forgiveness with the biblical narrative of Christ's sacrifice and makes reconciliation between God and humanity possible. Offering a fresh and coherent argument, the book will be relevant to scholars of Christian theology, biblical studies, and the philosophy of religion.

Latinx Ciné in the Twenty-First Century Frederick Luis Aldama 2019 "A collection of essays that focus on Latinx films in the twenty-first century. It looks at film over a wide variety of genres and their historical, political, and cultural contexts, and considers how production techniques depict the Latinx experience. And it discusses non-Latinx filmmakers who complicate and enrich our understanding of the Latinx experience"--

Bobby Sky: Boy Band or Die Joe Shine 2018-05-08 Robert "Hutch" Hutchinson is out of luck. His charm and singing voice—and penchant for bursting into song at all the wrong times—can't keep him out of trouble anymore. When he's arrested (again), he's given a choice: die in juvie or become a shadow—the fearless, unstoppable, and top-secret guardian of a Future Important Person, or FIP. With nothing to lose, Hutch accepts. After two grueling years at the Future Affairs Training and Education (FATE) Center, Hutch, now 16, can barely remember the boy he once was. Ready for anything, he expects to be plunged into a battle zone. Instead, he learns that his FIP is someone named Ryo Enomoto: the soon-to-be front man of the boy band International. Worse, Hutch has to put his old talents to use. He must join the band and change his name to Bobby Sky. Is this for real? Has he really turned himself into a lethal killing machine . . . only to become a teen pop sensation?

(Re)Creating Language Identities in Animated Films Vincenza Minutella 2020-11-02 This book describes the dubbing process of English-language animated films produced by US companies in the 21st century, exploring how linguistic variation and multilingualism are used to create characters and identities and examining how Italian dubbing professionals deal with this linguistic characterisation. The analysis carried out relies on a diverse range of research tools: text analysis, corpus study and personal communications with dubbing practitioners. The book describes the dubbing workflow and dubbing strategies in Italy and seeks to identify recurrent patterns and therefore norms, as well as stereotypes or creativity in the way multilingualism and linguistic variation are tackled. It will be of interest to students and scholars of translation, linguistic variation, film and media.

Success Michael Edmondson 2016-03-10 To improve an individual's capacity to process information, the self-help genre has a tremendous need for a publication that both summarizes the latest research and provides case studies. This book meets both needs and is valuable for any person interested in achieving personal or professional success.

Divided into seven chapters, this publication examines the theory and practice of success and includes research from history, psychology, sociology, cognitive neuroscience, animal behavior, and other areas.

Influenced Brian Boxer Wachler MD 2022-10-29 Unpacks and pulls the curtain back on what happens to our brains and our behaviors each time we addictively engage social media and the influencers we encounter there.

Individuals seeking to widen their tribes of friends, fans, and followers have an abundance of resources for building their digital footprints and social media popularity. All of this seems well and good from the perspective of revenue, exposure, and perhaps ego-building, but what is the impact of this on the human brain and our behavior?

Is anyone paying attention to the lurking side effects of the social media influencer revolution? As "Dr. Brian" Boxer Wachler—one of the world's most esteemed authorities on human perception—reveals in *Influenced: The Impact of Social Media on Our Perception*, we are oblivious to the mental evolution that is already in process.

Science is proving that our addictive reliance upon social media and its influencers is having a demonstrable impact on how we think, feel, and perceive everything around us— and even how we react to stimuli. One might think that a "Like" is nothing more than a split-second tap on a device. However, brain scans tell a different story. Our brains literally light up with every buzz, ding, alert, and ring in anticipation of how our network is responding to us. As we tap away at our devices, we anxiously seek the approval of others—often people we don't know.

Influenced unpacks what happens to our brains and our behaviors each time we click "Like"; follow an influencer; consume a video; share or reshare an article; post or repost a photograph; write a comment; pile on a trend;; just scroll for new content; and why do we keep coming back for more. Dr. Boxer Wachler includes his own social and medical findings and highlights them with interviews with top influencers, the latest studies, and pop-culture anecdotes.
