Anne C. Bromer 2007-05 Illuminated manuscripts -- The art of the book -- Drops of heavenly dew -- Almanacs for daily living - - The smallest books -- Books for the young -- Presidents, politics, and propaganda -- Life's pleasures -- Oddities and objects d'art.

The **Big Book of Miniature Horses** Kendra Gale 2018-04-15 Pet, show-ring competitor, pasture companion, driving partner, patient therapy horse—the Miniature Horse does it all. But whether you dream of winning ribbons or just hanging out, it is vital to have a solid understanding of safe handling and proper stabling; grooming needs and feeding requirements; general care and management essentials; special health and wellness concerns; and basic training how-tos. In these pages experienced Miniature Horse breeder Kendra Gale of Circle J Miniature Horses provides the most complete Miniature Horse resource available. You not only learn the ins and outs of making a Miniature Horse a part of your life, you gain invaluable professional insight when it comes to buying and breeding, registering and showing, training and handling, and so much more.

The Toy & Miniature Poodle Janice Biniok 2005-09-01 These smart and loyal canines can be highly trainable but may also be prone to stubbornness. Learn how to bring out the best in these beautiful dogs and allow their personalities to shine. Written by an expert, this book contains valuable information on a variety of topics that are essential for cultivating health and happiness in a canine companion—including feeding, grooming, and training. In addition to an extensive, veterinarian-approved health chapter, the book comes with a bonus DVD that features socialization, safety, and training advice from a professional dog trainer—plus detailed information from a veterinarian on what happens at the vet and how to perform regular health checks at home.

Miniature Final Fantasy Square Enix 2019-12-31 A whimsical collection of iconic scenes from the Final Fantasy series, cheerfully realized by miniature photographer Tatsuya Tanaka! Cloud and Sephiroth reenact their fateful showdown—an open beer can standing in for Nibel Reactor cooling tower. Setzer steers his airship Blackjack, mischievously recreated from corn on the cob. A chocobo flits and frolics across a field of . . . tennis balls. Tatsuya Tanaka's vibrant miniature photography is showcased side-by-side with concept art that details the process of each photo's creation. This tome catalogs fan-favorite moments captured from across the Final Fantasy series, followed by a longform interview with Tatsuya Tanaka himself. Dark Horse Books and Square Enix present Miniature Final Fantasy: No Adventure Too Large--Tatsuya Tanaka's miniature Final Fantasy scenes from his memorable Miniature Calendar series. This joyous collaboration celebrates the Final Fantasy series from a wholly unique perspective.

Miniature Horses Paula M. Wilson 2018-08 So you want a pony? A miniature horse might just be the right pet for you! But before you bring one home, make sure you have the space, time, and know-how to care for a miniature horse. Learn the ins and outs of what it takes keep a pet miniature horse.

Miniature Ship Models Paul Jacobs 2008-05-30 This book is the first comprehensive history of how the 1:1200 scale and its 1:1250 continental equivalent became accepted as the modern standard for miniature ship models. The origins can be traced back to the first years of the twentieth century and their use as identification aids by the military during the First World War, but when peace came the manufacturers aimed their increasingly sophisticated products at collectors, and acquiring, modifying or scratch-building miniature ship models has been an avidly pursued hobby ever since. This book charts the commercial rise and fall of the manufacturers, and the advancing technology that produces ever more detailed and accurate replicas. The author - himself a lifetime collector and builder of models - looks at the products of each manufacturer, past and present, rating their quality and suggesting why some are regarded as more collectible than others. But the book deals with more than off-the-shelf models, covering subsidiary issues like painting, modifying and diorama settings, and is illustrated throughout with many of the finest examples of the genre. The combination of fascinating background information with stunning visual presentation will make this book irresistible to any collector or enthusiast.

Tasha Tudor's Doll House Harry Davis 1999 Illustrates the one-quarter-human-scale dollhouse version of Corgi Cottage, the early-nineteenth-century style home of children's author Tasha Tudor

The **Miniature Book of Miniature Golf** Mike Vago 2009-01-01 The perfect golfing gift: A book that is a complete, working 9-hole miniature golf course, with miniature golf balls and putter included. The first book you can play through. The book that's a true original. Featuring nine themed courses, from pirates to dinosaurs to the classic windmill, The Miniature Book of Miniature Golf celebrates the silliness and the golf-for-everyone! attitude of Putt-Putt. Each page in the book is a cleverly designed hole, modeled on real mini golf courses. Tap the ball through the grooves and make sure to avoid the obstacles. Then see if you can get it in the clown's mouth on the last hole. Every hole is par fun.

Miniature Books Louis W. Bondy 1981

Miniature Pinschers Augusten S. 2012-03-02 ABOUT THE BOOK Miniature Pinschers are a unique, sassy breed with broad appeal. The Miniature Pinscher has been bred over time to handle the specific demands and requirements of farmers, so these dogs have a high-energy personality that does not waver much between individuals. How did Miniature Pinschers make it into the hearts and homes of millions? We can only answer this question by looking back at their history. The Miniature Pinscher originates in Germany, and is surprisingly unrelated to Doberman Pinschers. This breed’s closest ancestors are the Italian Greyhound and the Dachshund, both of whom also have sleek, sporty frames. Miniature Pinschers were originally bred to be a hunting breed; they were not house pets, but working dogs often left to their own devices. Their characteristic cropped ears and tail, as outlined in the American Kennel Club’s (AKC) guidelines, trace back to the breed’s history as a hunter, as ears and tails were often cropped short to minimize the risk of damage and infection from rodent bites or errant horse hooves. EXCERPT FROM THE BOOK Treat your dog with a flea and tick preventative in the spring and summertime. Fleas, ticks, and other insects carry parasites and other illnesses, making them a risk as well as a nuisance. If your dog spends any time outdoors, he should have a flea and tick preventative to ward off any intruders. This keeps your home and indoor pets safe from pests as well. Your veterinarian will likely have recommendations for safe preventatives, so be sure to ask during your annual visit if you are at all uncertain. Miniature Pinschers are fairly healthy dogs, but they are prone to a few breed-specific conditions. First and foremost, Miniature Pinschers’ skinny legs are prone to injuries. If you have children, special care must be taken to ensure all play is safe. On a similar note, Miniature Pinschers are prone to kneecap displacement. Aging Miniature Pinschers are prone to hip joint degeneration, so regular veterinary examinations and possible supplementation are an excellent idea when your Miniature Pinscher reaches advanced age. Glucosamine supplementation and anti-inflammatory drugs are excellent options for arthritic pets. However, the best medicine is prevention, so do your best to provide your young Miniature Pinscher plenty of exercise to encourage the development of strong joints and bones... Buy a copy to keep reading!

The Spiffiest Giant in Town Julia Donaldson 2005 George the giant, known for wearing his old patched clothes, finally buys new ones, but then gives them away to some needy animals.

Miniature Gardens Katie Elzer-Peters 2014-03-15 DIVA revealing peek into the captivating world of gardening in miniature, complete with inspiring photos and practical step-by-step instructions./divDIV /divDIVA delightful, fun, and endlessly creative new trend is sweeping the gardening world: miniature gardening! With your imagination as the only limit to this infinitely customizable technique, miniature gardening showcases your individuality. Once youâ€™ve learned how to design, create, and grow tiny plant combinations successfully, youâ€™ll be able to let your creativity loose indoors and out. In Miniature Gardens, gardening expert Katie Elzer-Peters demonstrates the latest in plant options and designs through her gorgeous color photography and laser-focused DIY advice. Plenty of good tips and idea-generating information on small-scale furnishings are included as well. From cute home tabletop designs to elaborate mini-villages and everything in between, miniature gardening is a pastime that can be enjoyed by hobbyists and families of all ages and in all sizes of living space. With Miniature Gardens, youâ€™re just a lightning strike of inspiration away from bringing to life the endless creations unique to your own imagination./div

Building a Miniature Navy Board Model Philip Reed 2017-02-15 Phillip Reed's latest building guide tackles what many regard as the ultimate expression of the ship model maker's art, the Navy Board model. His step-by-step construction of a miniature 1/192 scale model of the Royal George of 1715 demonstrates all the conventions of Navy Board framing and planking. With the aid of nearly 400 photographs, he takes the reader through every building stage. Methods of hull and deck framing, internal and external planking, and the construction of the complex stern are all covered. Reed also shows how to render the multitude of decorative carvings on the figurehead, stern, and broadside. This is the first book in many years to cover the well-known and sought-after early eighteenth-century Navy Board models. The author takes the reader through every stage of the work with the aid of nearly 400 photographs. Methods of hull and deck framing, internal and external planking, the construction of the complex stern with its array of galleries, doors and windows, are all covered; and the rendering of the multitude of decorative carvings on the figurehead, stern and broadside is also demonstrated. A section showing, amongst others, his model of the siren, explains how the techniques used to frame Royal George can be adapted for ships of a later date, using single and double frames closer to full-size practice. Here is an invaluable manual from which any model maker can benefit from the lifetime's experience of one of the world's leading exponents of the art of miniature shipbuilding.

Mix-up in Miniature Margaret Grace 2020-03-12 Tiny Houses Can Hold Big Clues. Geraldine Porter is thrilled to meet bestselling author and miniatures enthusiast Varena Young. The celebrity seems to seek friendship with Gerry and her crafts group, and makes a generous offer of a house from her collection for a library fund-raiser. But Young is suddenly murdered. Gerry and her eleven-year-old granddaughter Maddie delve for information on Young's mysterious past, and find a clue to her murder in a secret room... in a dollhouse. "Perfectly written, with a cast of wonderful characters. This series keeps getting better and better." -- Hannah Reed, Mind Your Own Beeswax

In Miniature Simon Garfield 2019-03-12 Bestselling, award-winning writer Simon Garfield returns with an enthralling investigation of humans' peculiar fascination with small things—and what small things tell us about our larger world. “[Simon Garfield is] an exuberant truffle-hound of the recondite and delightful factoid.” —Sunday Times (London) Simon Garfield writes books that shine a light on aspects of the everyday world in order to reveal the charms and eccentricities hiding in plain sight around us. After beguiling fans with books about everything from typography to time, from historic maps to the color mauve, he’s found his most delightful topic yet: miniatures. Tiny Eiffel Towers. Platoons of brave toy soldiers. A doll’s house created for a Queen. Diminutive crime scenes crafted to catch a killer. Model villages and miniscule railways. These are just a few of the objects you will discover in the pages of *In Miniature*. Bringing together history, psychology, art, and obsession, Garfield explores what fuels the strong appeal of miniature objects among collectors, modelers, and fans. The toys we enjoy as children invest us with a rare power at a young age, conferring on us a taste of adult-sized authority. For some, the desire to play with small things becomes a desire to make small things. We live in a vast and uncertain world, and controlling just a tiny, scaled-down part of it restores our sense of order and worth. As it explores flea circuses, microscopic food, ancient tombs, and the Vegas Strip, *In Miniature* changes the way we perceive our surroundings, encouraging all of us to find greatness in the smallest of things.

The **Miniature**, by Solomon Grildrig Miniature 1806

Murder in Miniature Margaret Grace 2008-02-05 A MINIATURE MYSTERY. First in a big new series. Geraldine Porter thought that being the chairwoman of the local Dollhouse and Miniatures Fair would give her leisure time to spend on her favorite craft. That was before a fellow miniatures aficionado is suspected of murder, leaving Gerry to prove the woman's innocence-or die trying.

Steampunk in Miniature Julio Cabos 2016

Worlds in Miniature Jack Davy 2019-07-08 Miniaturisation is the creation of small objects that resemble larger ones, usually, but not always, for purposes different to those of the larger original object. Worlds in Miniaturebrings together researchers working across various regions, time periods and disciplines to explore the subject of miniaturisation as a material culture technique. It offers original contribution to the field of miniaturisation through its broad geographical scope, interdisciplinary approach, and deep understanding of miniatures and their diverse contexts. Beginning with an introduction by the editors, which offers one possible guide to studying and comparing miniatures, the following chapters include studies of miniature Neolithic stone circles on Exmoor, Ancient Egyptian miniature assemblages, miniaturisation under colonialism as practiced by the Makah People of Washington State, miniature surf boats from India, miniaturised contemporary tourist art of the Warao people of Venezuela, and dioramas on display in the Science Museum. Interspersing the chapters are interviews with miniature-makers, including two miniature boat-builders at the National Maritime Museum Cornwall and a freelance architectural model-maker. Professor

Susanne Küchler concludes the volume with a theoretical study summarising the current state of miniaturisation as a research discipline. The interdisciplinary nature of the volume makes it suitable reading for anthropologists, archaeologists, historians and artists, and for researchers in related fields across the social sciences.

Miniature Jesus Vol. 1 Ted McKeever 2013-12-04 "Critically-acclaimed writer/artist TED McKEEVER returns to the theater of the bizarre, as a small town pastor thinks that the eight-inch Jesus that descended from a cross on the church's wall is the work of the Devil! Meanwhile, Chomsky, our recovering alcoholic, is about to find out that the constant barrage of screaming voices in his head are not ALL imaginary. Collects MINIATURE JESUS #1-5"

Miniature Needle Painting Embroidery Trish Burr 2015-02 Trish has always been fascinated by miniature art and for years has had a yen to try and embroider smaller pieces, there is something so endearing about little paintings with all the detail and form of a larger piece, not to mention the fact that they are much quicker to stitch! When Trish sat down to consider ideas for this book, she wanted not only something that provided a good choice, with lots of projects, but also to ensure that each project was worthy of stitching. The designs needed to be fresh and appealing, to depict the pretty, romantic illustrations typical of the Victorian and post-Victorian eras. Teaching embroidery has helped Trish to understand the need for clarity in both the technique and project instructions, so instructions on everything about long and short stitch and how to adapt it to fit different situations and projects have been provided. Each project is accompanied by a detailed thread diagram which shows exactly which colour should be used and where. The small size of the designs allows for great flexibility in their final use - such as group framing, making up into cushions, book covers, quilt squares, needle cases, box lids, tote bags, pockets on clothing and so on. Following the portraits, birds and flowers, a section with much smaller Victorian pansies and buds, again with thread diagrams has been added.

Pixar: A Miniature Art Collection (Mini Book) Brooke Vitale 2021-07-20 Celebrate the colorful world of Pixar Animation Studios in this comprehensive miniature art collection. Malice in Miniature Margaret Grace 2009 While teaching her granddaughter, Maddie, the art of creating miniatures, Gerry Porter comes to the aid of her neighbor's friend June who has been wrongfully accused of murder and discovers that sticking her nose where it doesn't belong can be deadly. Original.

Early American Portrait Painters in Miniature Theodore Bolton 1921

Life In Miniature Linda Schlossberg 2010-12-01 From a powerful new voice in fiction comes a compelling debut about the delicate bond between daughters and mothers, and about leaving everything you know in order to find the place where you belong. Adie has always known she was different. There's her size, for one thing. Born three months premature, Adie is the smallest of her peers. Then there's Adie's mother, who at first glance seems like so many other 1980s moms--clipping coupons and attending Feel the Burn aerobics classes. But beneath the surface is something erratic and unpredictable, something that makes her drag Adie and her older sister, Miriam, from one rental apartment to the next--until Miriam runs away. Adie is left behind with her mother, who is convinced their lives are in real danger and takes Adie on a crazy run across northern California. Now Adie faces a stark choice: submit to this increasingly surreal adventure, or grow up in ways she never imagined. . . "Life in Miniature is a stunning double portrait, subtly capturing a daughter's misconceptions of her mother's delusions--while simultaneously revealing the consequences for both--in a compulsively readable and deeply insightful first novel." --Jonathon Keats, author of *The Book of the Unknown* ". . . a book of intelligence and grace that will make you laugh and cry." --Terry Gamble, author of *Good Family* Linda Schlossberg received her PhD in English literature from Harvard University, where she is the Assistant Director of the Women, Gender, and Sexuality Studies program. Her fiction has been recognized by the Pacific Northwest Writers Association, the National League of American PEN Women, and Writers at Work. She has also received research and writing grants from the Andrew W. Mellon Foundation, as well as several awards for excellence in teaching. Linda lives in Cambridge, Massachusetts.

In **Miniature SIMON. GARFIELD** 2019-07-04 In Miniature is a delightful, entertaining and illuminating investigation into our peculiar fascination with making things small, and what small things tell us about the world at large.Here you will find the secret histories of tiny Eiffel Towers, the truth about the flea circus, a doll's house made for a queen, eerie tableaux of crime scenes, miniature food, model villages and railways, and more. Simon Garfield brings together history, psychology, art and obsession, to explore what fuels the strong appeal of miniature objects among collectors, modellers and fans, and teaches us that there is greatness in the diminutive.

A Russian Fantasy Sara Wallace 2020-09 Over the past 40 years, Sara Wallace has created more than 20 miniatures. In this, her first publication, Wallace takes us on a tour of her most ambitious miniature, named *The Russian Fantasy*. The exterior is modeled after St. Basil's Cathedral, a Russian Orthodox church in Red Square, built in the sixteenth century, while the interior is an entirely original design, complete with a museum, a workshop, an astronomical observatory, and living quarters. A tribute to all of the artisans who contributed their work, this photojournal documents the elaborate craftsmanship that brings the miniature to life.

Everything is possible in the Kathleen Savage Browning Miniatures Collection, where one woman's affection for perfectly scaled tiny items grew into one of the most acclaimed collections of fine art miniatures in the world.Today, thousands of 1/12-scale art objects are displayed in fully furnished homes, room boxes, and vignettes in the gallery at the Kentucky Gateway Museum Center in Maysville, Kentucky, and collector Kaye Browning is known internationally for her quest to preserve the art form. She shares her stories of collecting over four decades in an intensely personal account of her journey, her relationships with master craftsmen, and her sincere love of the age-old art. You'll feel like you've made a new friend as you discover her joy for miniatures, find out what makes them collectible, and see them up close on the pages of her first book.

Murder in Miniature at Honeychurch Hall Hannah Dennison 2021-11-04 A fortune in the attic... When one of the villagers asks Kat to clear out her dead sister's bedroom, Kat is thrilled to find a miniature replica of her mother's Carriage House among jumble of car boot sale junk. When Kat shares her discovery with the dowager countess, Lady Edith is eager to show her the matching replica of Honeychurch Hall that has been languishing in the vast attic for decades. Unfortunately, when they look in there, it seems to have been stolen.... Suspicion falls on a mysterious woman who is holidaying in the newly installed shepherd's hut in the walled garden-one of Lady Lavinia's latest hare-brained moneymaking scheme. Although there is something off about the tourist, Kat believes the culprit is fellow antique dealer, the odious widower Sir Monty Stubbs-Thomas who has been showing an interest in the missing dolls house. As the body count begins to rise, Kat realises that the missing miniature harbours a vital secret that one particular person is willing to kill for.

Miniature Books Kristina Myrvold 2019 This volume addresses miniature books with a special focus on religious books in Jewish, Christian, Muslim, Hindu and Buddhist traditions. The book presents various empirical contexts for how the smallest books have been produced, distributed, and used in different times and cultures.
