10 Wacky Facts You Don't Know about Oscar the Grouch Krishu80 Moorthy 2020-04-11 10 Always green? Jim Henson's original idea for Oscar was for him to be purple. Despite this fact, in the first season in 1969, he was actually orange. It wasn't until the following year that Oscar the Grouch took on his trademark green color.In order to explain the switch from orange to green, Oscar in a couple of extraordinary interviews explains about a visit to Swamp Mushy Muddy for his vacation. He says the dampness caused him to be covered in mold, therefore explaining his overnight color change.9 The political commentators The most recent visit Oscar had with a political commentator was his April 2019 visit to Stephen Colbert's The Tonight Show during which they performed a duet together and discuss the state of the world as it pertains to politics. Then Colbert tricks Oscar into admitting it will all get better.In 2012 on the Daytime Emmy Awards, Oscar got together with Anderson Cooper to help officiate the awards. Anderson clearly has a blast talking with Oscar and Oscar sang a song about how much he hates the daytime. Naturally, we all recognize what's going to happen next, Anderson reminds Oscar that his show is in the daytime which appears to bum Oscar out even more.8 The Pets Over the years Oscar has had a menagerie of pets, with his most favorite being Slimy the Worm. We all remember Slimy the Worm and his impressive feats. He was the first worm on the Moon and he often helped Oscar when no one else could. For example, Oscar locked himself in his can on one episode and Slimy pushed a key through the top of the lid for him.In fact, Sesame Place Theme Park loved Slimy so much; they produced a plush doll of him in 2017.Oscar's other pets have included ants, elephants, goats, skunks, donkeys, pigs, and a hippo and rhino just to name a few.7 Transportation Most of us know from watching Sesame Street as kids that Oscar is not stuck to being just in his trash can all the time. Although he presumably could have if he had chosen to since he has an Olympic sized swimming pool in there! Did you know Oscar even found a way to walk around? Oscar put two holes in his trash can so he could force his legs through them and convey himself and his trash can wherever he wants to. Of course, he had a bit of help from the actor Hervé Villechaize who becomes the puppet's legs.But that's not the only way Oscar gets around. Oscar actually appears to have multiple forms of transportation. One of those other forms is Bruno the Trash Man. Bruno is a mostly silent guy who carries Oscar around in his trash can to wherever he wants to go.While these are the main ways Oscar gets around, they positively aren't the only ones. In The Adventures of Elmo in Grouchland, Oscar has a portal in his trash can that goes directly to Grouchland.Finally, in one episode of Sesame Street, Oscar dug a tunnel between his trash can and the trash can at Mr. Hooper's store. As a result, where there's a will, there's a way with Oscar; if he wants to go somewhere, he will get there, even if it means digging a tunnel, opening a portal or getting chauffeured around by a sanitation engineer.

If you’re looking for wisdom and joy in your life, go straight to Sesame Street and heed the words of its most beloved and profound resident, Caroll Spinney, who has spent the past thirty-four years in a bird costume (and a trash can) as Big Bird and Oscar the Grouch. Three decades inside a giant puppet have taught Spinney a valuable and surprising lesson: Being a bird can make you a better person. In The Wisdom of Big Bird, the living legend of Sesame Street describes how we can all find our inner bird (or grouch). Each chapter illustrates a piece of useful wisdom Spinney has gleaned from a career in feathers. The lessons Big Bird teaches children every day on Sesame Street are the same ones that have brought Spinney success and satisfaction in his own life. Warm, witty, and affirming, Caroll Spinney’s memoir proves that being a bird can make you a better and happier person. “Every day on Sesame Street, we strive to give our innocent young audience the basis of a lifelong education. It is no accident that spending the past thirty-four years in the Bird suit teaching these lessons to others has taught me a few things, too.”—from The Wisdom of Big Bird (and the Dark Genius of Oscar the Grouch)
