**A Long, Dark Shadow** Allyn Walker 2021-06-22 Challenging widespread assumptions that persons who are preferentially attracted to minors—often referred to as "pedophiles"—are necessarily also predators and sex offenders, this book takes readers into the lives of non-offending minor-attracted persons (MAPs). There is little research into non-offending MAPs, a group whose experiences offer valuable insights into the prevention of child abuse. Navigating guilt, shame, and fear, this universally maligned group demonstrates remarkable resilience and commitment to living without offending and to supporting and educating others. Using data from interview-based research, *A Long, Dark Shadow* offers a crucial account of the lived experiences of this hidden population.  
**Walker's Appeal, in Four Articles** David Walker 2011-09-01 First published in 1829, Walker's Appeal called on slaves to rise up and free themselves. The two subsequent versions of his document (including the reprinted 1830 edition published shortly before Walker's death) were increasingly radical. Addressed to the whole world but directed primarily to people of color around the world, the 87-page pamphlet by a free black man born in North Carolina and living in Boston advocates immediate emancipation and slave rebellion. Walker asks the slaves among his readers whether they wouldn't prefer to "be killed than to be a slave to a tyrant." He advises them not to "trifle" if they do rise up, but rather to kill those who would continue to enslave them and their wives and children. Copies of the pamphlet were smuggled by ship in 1830 from Boston to Wilmington, North Carolina, Walker's childhood home, causing panic among whites. In 1830, members of North Carolina's General Assembly had the Appeal in mind as they tightened the state's laws dealing with slaves and free black citizens. The resulting stricter laws led to more policies that repressed African Americans, freed and slave alike. A DOCSOUTH BOOK. **The Lioness Is the Hunter** Loren D. Estleman 2017-02-28 A hot new Amos Walker mystery by a master of the hard-boiled detective novel. "Loren Estleman is my hero."—Harlan Coben, New York Times bestselling author Detroit entrepreneur Carl Fannon hires Walker to trace Emil Haas, his partner, whose sudden disappearance has jeopardized their firm's plans to purchase the historic Sentinel Building. Almost immediately, the missing man shows up and asks the detective to meet him in the empty Sentinel to discuss a top-secret concern. Walker complies, only to find not Haas, but Fannon's suffocated corpse locked in a basement vault. When Gwendolyn Haas, the partner's adult daughter, enters the picture, the client number rises to three, including one missing and one murdered. But the worst is yet to come: Emil Haas's "concern" is that Fannon's been buying up depressed real estate on behalf of Charlotte Sing, the international fugitive Walker knows only too well as Madam Sing. Madam Sing is believed to have been executed in Asia for capital crimes without number, but instead may be engaged in rebuilding her fortune to relaunch her assault on civilization.  
**Mary Walker Wears the Pants** Cheryl Harness 2013-03-01 Mary Edwards Walker was unconventional for her time: She was one of the first women doctors in the country, she was a suffragist, and she wore pants! And when the Civil War struck, she took to the battlefields in a modified Union uniform as a commissioned doctor. For her service she became the only woman ever to earn the Medal of Honor. This picture book biography tells the story of a remarkable woman who challenged traditional roles and lived life on her own terms  
**Buffalo Dance** Frank X. Walker 2004-02-01 A series of poems in the imagined voice of York, William Clark's slave, during and after the Lewis and Clark expedition.  
**More Conversations with Walker Percy** Walker Percy 1993 This collection of interviews supplements *Conversations with Walker Percy* and occasions an additional two dozen pleasurable encounters with Percy. Primarily from the last ten years of Percy's life, they show how his presence was stimulating thought in much of humanistic America, in literature, linguistics, psychology, and philosophy, and in cultural life in general. Although this acclaimed author of *The Moviegoer*, *Lancelot*, and *Love in the Ruins* never overcame his shyness with interviewers, he continued to grant interviews as long as his health permitted. This act of openness illustrates his humility before his ideas and his desire to help others understand them. Although the questions he was asked almost invariably became predictable, he always managed to add an anecdote, an illustration, a topical reference, that would breathe new life into the responses he was making. The interviews in this collection show him at the height when he knew that his illness would not allow him to write any more books, and that the only way to restate his ideas and offer a valediction to the large audience to whom he had always been kind, patient, and appreciative was to speak out. Percy despised the posture of many modern self-proclaimed intellectuals who delight in cloaking ideas in jargon and abstraction. He always tried to express himself clearly and as free of reservations as possible. These interviews reflect that clarity. With this book readers will welcome yet more close encounters with him.  
**Everyday Use** Alice Walker 1994 Presents the text of Alice Walker's story "Everyday Use"; contains background essays that provide insight into the story; and features a selection of critical response. Includes a chronology and an

interview with the author.

**The Water Walker** Joanne Robertson 2021-05-18 The story of a determined Ojibwe Grandmother (Nokomis) Josephine-ba Mandamin and her great love for Nibi (water). Nokomis walks to raise awareness of our need to protect Nibi for future generations, and for all life on the planet. She, along with other women, men, and youth, have walked around all the Great Lakes from the four salt waters, or oceans, to Lake Superior. The walks are full of challenges, and by her example Josephine-ba invites us all to take up our responsibility to protect our water, the giver of life, and to protect our planet for all generations.  
**Social Lives** Wendy Walker 2009-09-01 Step into picture-perfect Wilshire, home to some of the most privileged people in the world, where one woman's desperate act could bring the precariously balanced social order crashing down... Wilshire, Connecticut, the gilded enclave of Manhattan's prosperous elite, appears to be a vision of suburban tranquility: the mansions are tastefully designed, the lawns are expertly manicured, and the streets are as hushed as the complexities in the residents' lives. While Wilshire's husbands battle each other in the financial world, their wives manage their estates and raise the next elite generation. Some women are envied, some respected, and others simply tolerated. But regardless of where they stand, each woman is defined by the world she inhabits and bound by the unyielding social structure that surrounds her. Rosalyn Barlow, the most envied woman in Wilshire, is waging a battle of social manipulation to silence the scandalous gossip that threatens her daughter's reputation while her self-made billionaire husband grows more and more distant in his young retirement. But for fourteen year-old Caitlin Barlow, navigating life as a teenager in a culture of wealth and sexual promiscuity has become far more perilous than either of her parents knows. Newcomer Sarah Livingston has nothing but disdain for everyone and everything around her and a growing terror at having another child in a world she's come to resent. As she is pulled into the Barlow family's storm, the walls begin to close in around her marriage and the life she once thought she wanted. And for Jacqueline Halstead, who's just discovered her husband is under investigation for fraud surrounding his hedge fund, saving her family from total ruin means doing the unthinkable - and shaking the Barlow family, Wilshire's insular community, and herself to the core.  
**An Ocean of Air** Gabrielle Walker 2008 A study of Earth's atmosphere traces a journey of scientific discovery, from the Renaissance scientist who realized that we live at the bottom of a dense ocean of air, to a well-meaning inventor who nearly destroys the ozone layer.  
**Women Talk Money** Rebecca Walker 2022-03-15 A searing and fearless anthology of essays exploring the profound impact of money on women's lives, edited by prominent feminist and writer Rebecca Walker. *Women Talk Money* is a groundbreaking collection that lifts the veil on what women talk about when they talk about money; it unflinchingly recounts the power of money to impact health, define relationships, and shape identity. The collection includes previously unpublished essays by trailblazing writers, activists, and models, such as Alice Walker, Tressie McMillan Cottom, Rachel Cargle, Tracy McMillan, Cameron Russell, Sonya Renee Taylor, Adrienne Maree Brown, and more, with Rebecca Walker as editor. In this provocative anthology, we discover a family that worships money even as it tears them apart; we read about the "financial death sentence" a transgender woman must confront to live as herself. We trace the journey of a Silicon Valley entrepreneur who finally makes enough money to discover her spiritual impoverishment; we follow a stressful email exchange between an unsympathetic university financial officer and a desperate family who can't afford to pay their daughter's tuition, and more. This collection is a clarion call to conduct honest conversations that demystify and transform the role money plays in our lives. Dazzlingly resonant and deeply familiar, *Women Talk Money* is a revelation.

The Age of Miracles Karen Thompson Walker 2013-01-15 NAMED ONE OF THE BEST BOOKS OF THE YEAR BY People • O: The Oprah Magazine • Financial Times • Kansas City Star • BookPage • Kirkus Reviews • Publishers Weekly • Booklist With a voice as distinctive and original as that of *The Lovely Bones*, and for the fans of the speculative fiction of Margaret Atwood, Karen Thompson Walker's *The Age of Miracles* is a luminous and unforgettable debut novel about coming of age set against the backdrop of an utterly altered world. NEW YORK TIMES BESTSELLER "Maybe everything that happened to me and to my family had nothing at all to do with the slowing. It's possible, I guess. But I doubt it. I doubt it very much." Spellbinding, haunting, *The Age of Miracles* is a beautiful novel of catastrophe and survival, growth and change, the story of Julia and her family as they struggle to live in an extraordinary time. On an ordinary Saturday, Julia awakes to discover that something has happened to the rotation of the earth. The days and nights are growing longer and longer, gravity is affected, the birds, the tides, human behavior and cosmic rhythms are thrown into disarray. In a world of danger and loss, Julia faces surprising developments in herself, and her personal world—divisions widening between her parents, strange behavior by Hannah and other friends, the vulnerability of first love, a sense of isolation, and a rebellious new strength. With crystalline prose and the indelible magic of a born storyteller, Karen Thompson Walker gives us a breathtaking story of people finding ways to go on, in an ever-evolving world. Praise for *The Age of Miracles* "A stunner."—Justin Cronin "A genuinely moving tale that mixes the real and surreal, the ordinary and the extraordinary, with impressive fluency and flair."—Michiko Kakutani, *The New York Times* "Gripping drama . . . flawlessly written; it could be the most assured debut by an American writer since Jennifer Egan's *Emerald City*."—*The Denver Post* "If you begin this book, you'll be loath to set it down until you've reached its end."—*San Francisco Chronicle* "Provides solace with its wisdom, compassion, and elegance."—Curtis Sittenfeld Don't miss the exclusive conversation between Karen Thompson Walker and Karen Russell at the back of the book.

Breaking Free Herschel Walker 2009-01-13 Presents the life of the Heisman trophy winner, discussing his impoverished childhood, his development as a teenage athlete, his college and NFL professional career, his success as a businessman, and his diagnosis and treatment for dissociative identity disorder.

The Maverick and the Machine Dan Walker 2007-05-23 A reformer who was always colorful, provocative, and controversial, Dan Walker became a political maverick, taking on Mayor Richard J. Daley's vaunted Chicago machine and the powerful incumbent Richard Ogilvie to become the governor of Illinois. *The Maverick and the Machine* tells the dramatic story of Walker's rise from dirt-poor beginnings to the pinnacle of power in Illinois and his conviction on charges of bank fraud that landed him in federal prison. This frank volume also probes the inner sanctum of the governorship and reviews the investigations of Governor Blagojevich's administration and the criminal trial of former governor George Ryan. Best Memoir of 2008, San Diego Book Awards Illinois State Historical Society Certificate of Excellence, 2008

The Crowded Grave Martin Walker 2013-04-09 Another delectable serving of mystery and the pleasures of the Dordogne from the newest master of suspense, Martin Walker. It's spring in the idyllic village of St. Denis, and for Chief of Police Bruno Courrèges that means lamb stews, bottles of his beloved Pomerol, morning walks with his hound, Gigi--and a new string of regional crimes and international capers. When a local archaeological team looking for Cro-Magnon and Neanderthal remains turns up a corpse with a watch on its wrist and a bullet in its head, it's up to Bruno to solve the case. But the task will not be easy, not with a meddling new magistrate eager to make a strong impression, an ongoing series of attacks by animal rights activists on local foie gras producers, and a nearby summit between France and Spain approaching--not to mention two beautiful, brilliant women vying for Bruno's affections. Complicating events even further, the professor in charge of the dig is soon reported missing, leading Bruno to suspect that the past and the present are bound up in dangerous ways. As summer approaches, the wine growing cooler and the fruit sweeter, Bruno's investigations take him indelibly deeper into contemporary Europe's dark history of terrorist and counterterrorist tactics--and toward a dramatic finale. As savory as foie gras, as piquant as vin de noix, and as richly complex as the region's truffles, *The Crowded Grave* is a feast for mystery lovers and Francophiles alike. Bonus material! Martin Walker is often asked by his readers for vacation recommendations in the area where his best-selling series is set. In "A Perfect Weekend in Perigord," Walker shares his itinerary for an ideal vacation in this picturesque region. This edition also includes an excerpt from Martin Walker's *The Devil's Cave*.

David Walker's Appeal to the Coloured Citizens of the World David Walker 2000 In 1829 David Walker, a free black born in Wilmington, North Carolina, wrote one of America's most provocative political documents of the nineteenth century, Walker's *Appeal to the Coloured Citizens of the World*. Decrying the savage and unchristian treatment blacks suffered

in the United States, Walker challenged his "afflicted and slumbering brethren" to rise up and cast off their chains. Walker worked tirelessly to circulate his book via underground networks in the South, and he was so successful that Southern lawmakers responded with new laws cracking down on "incendiary" antislavery material. Although Walker died in 1830, the *Appeal* remained a rallying point for African Americans for many years to come, anticipating the radicalism of later black leaders, from Malcolm X to Martin Luther King, Jr. In this new edition of the *Appeal*, the first in over thirty years, Peter P. Hinks, the leading authority on David Walker, provides a masterly introduction and extensive annotations that incorporate the most up-to-date research on Walker, much of it first reported by Hinks in his highly acclaimed biography, *To Awaken My Afflicted Brethren*. Hinks also includes a unique appendix of documents showing the contemporary response—from North and South, black and white—to the *Appeal* itself and Walker's attempts to distribute it in the South. Historians and political activists have long recognized the importance of Walker's *Appeal*. At last we have an edition worthy of its persuasive immediacy and its enduring place in American history.

The Walker Matthew Beaumont 2020-11-10 From Dickensian London to today's megacities—what urban walking tells us about modern life There is no such thing as a false step. Every time we walk we are going somewhere. Especially if we are going nowhere. Moving around the modern city is not a way of getting from A to B, but of understanding who and where we are. In a series of riveting intellectual rambles, Matthew Beaumont retraces episodes in the history of the walker since the mid-nineteenth century. From Dickens's insomniac night rambles to restless excursions through the faceless monuments of today's neoliberal city, the act of walking is one of self-discovery and self-escape, of disappearances and secret subversions. Pacing stride for stride alongside literary amblers and thinkers such as Edgar Allan Poe, André Breton, H. G. Wells, Virginia Woolf, Jean Rhys and Ray Bradbury, Beaumont explores the relationship between the metropolis and its pedestrian life. Through these writings, Beaumont asks: Can you get lost in a crowd? What are the consequences of using your smartphone in the street? What differentiates the nocturnal metropolis from the city of daylight? What connects walking, philosophy and the big toe? And can we save the city—or ourselves—by taking to the pavement?

The Reveries of the Solitary Walker Jean-Jacques Rousseau 1992 An exploration of the soul in the form of a final meditation on self-understanding and isolation.

Walker's Pediatric Gastrointestinal Disease (2 Vols) Ronald E. Kleinman 2017-08-30 The revision of this definitive, two-volume reference work is dedicated to the maintenance of a comprehensive approach to the practice of pediatric gastroenterology. The text of the fifth edition was extensively reviewed to assess the continuing relevance and, as a result, the size and content of various sections have been modified and new chapters have been added. Each author, selected because of particular expertise in the field, has provided an authoritative and comprehensive account of his or her topic. In addition, new sections have been added to reflect the expanding complexity of the field, particularly new techniques now used to accurately establish complex diagnoses. As with previous editions, the size and content of each section has been modified and new chapters added to reflect an increasing evolution of subspecialty programs within gastroenterology and a better understanding of subspecialty conditions (motility, inflammation, and autoimmune bowel disease) that have emerged in pediatric gastroenterology. As the importance of genetics and molecular biology in the pathophysiology and diagnosis of complex pediatric conditions of the gut, pancreas, and liver have become appreciated, expanded chapters cover their importance in the field. Furthermore, a more comprehensive representation of world leaders in pediatric gastroenterology among the editors of this edition has expanded the authorship to reflect experts in specific diseases within various continents rather than principally in North America. In other words, the edition is dedicated to a comprehensive, worldwide approach to the practice of pediatric gastroenterology.

Why We Sleep Matthew Walker 2017-10-03 "Sleep is one of the most important but least understood aspects of our life, wellness, and longevity ... An explosion of scientific discoveries in the last twenty years has shed new light on this fundamental aspect of our lives. Now ... neuroscientist and sleep expert Matthew Walker gives us a new understanding of the vital importance of sleep and dreaming"--Amazon.com.

Fyodor Dostoevsky, Walker Percy, and the Age of Suicide John F. Desmond 2019 "A study of the phenomenon of suicide, both actual and spiritual, in the major fictional works of Fyodor Dostoevsky and Walker Percy, drawing lines of continuity between the two authors and noting their differences. In the epilogue, Desmond offers a Christian counter-vision to the 'suicidal' ethos he has documented"--

Walker Percy Gary M. Ciuba 2010-09-01 In *Walker Percy: Books of Revelations*, Gary M. Ciuba examines how Percy's apocalyptic vision inspires the structure, themes, and strategies of his fiction. This book explores the unity of the southern novelist's fiction by focusing on its religious and artistic design—one of the first studies to approach Percy's work from this perspective. Ciuba considers Percy's six published novels—*The Moviegoer*, *The Last Gentleman*, *Love in the Ruins*, *Lancelot*, *The Second Coming*, and *The Thanatos Syndrome*—and also offers the first extended critical analysis of his unpublished work "The Gramercy Winner." Although the novels are often seen as increasingly satiric jeremiads about the possible doom of America, Ciuba argues that Percy's fiction is principally shaped by a demythologized and partially realized form of eschatology. This apocalyptic vision has less to do with the end of the external world than with the demise of the protagonists' internal worldviews. According to Ciuba, Percy does more than offer dire comic warnings about the end of the world; he shows how the world actually ends and then may begin again in the everyday lives and extraordinary loves of his astonished seers.

Fleet Walker's Divided Heart David W. Zang 1998-02-01 Moses Fleetwood Walker was the first black American to play baseball in a major league. He achieved college baseball stardom at Oberlin College in the 1880s. Teammates as well as opponents harassed him; Cap Anson, the Chicago White Stockings star, is blamed for driving Walker and the few other blacks in the major leagues out of the game, but he could not have done so alone. A gifted athlete, inventor, civil rights activist, author, and entrepreneur, Walker lived precariously along America's racial fault lines. He died in

1924, thwarted in ambition and talent and frustrated by both the American dream and the national pastime.
