Catalogue de Timbres de France 2020-2021 Spink Maury,2019-08-31 The Spink Maury Catalogue has traditionally provided the highest level of detail for the stamps and covers of France and the French colonies, with thousands of top quality illustrations and prices updated every year. It was acquired by Spink in 2015, and the editors have since endeavoured to make this the premium reference work of its kind.

Catalogue de Timbres de France 2019 Spink Maury,2018-09-01 A catalogue made by collectors for collectors. This year the Spink Maury Catalogue, heir to the prestigious Maury, Ceres and Dallay catalogues, continues its work of research, compiled over generations of philately. It covers all French

stamps from 1849 to the present day, offering hundreds of changes – with oddities, new varieties and discoveries presented, as always, in an exceptional way. Included in the new material is the continuation of the monographic studies, presenting a stamp per page with all varieties known until the First World War; a redesign of types Merson and Pasteur; and a specialised part devoted to Marianne de Beaujard, reviewed in depth. In addition the section on current usage stamps (TUC) is fully updated following feedback from our contributors and readers. France has one of the most beautiful philatelic legacies in the world, and we are pleased to be its modest ambassador to the numerous international readers who join us each year. “Layout and coverage are sumptuous ... The trite phrase “mine of information” does not begin to do justice to this immense achievement. To any collector of France beyond the elementary stage, this would be a bargain at twice the official retail price ... Highly recommended. ....an absolute must for collectors of French stamps...” Michael Round, Journal of the France & Colonies Philatelic Society
