A Net for Small Fishes Lucy Jago 2021-11-16 "A bravura historical debut . . . a gloriously immersive escape." —Guardian Wolf Hall meets The Favourite in Lucy Jago's A Net For Small Fishes, a gripping dark novel based on the true scandal of two women determined to create their own fates in the Jacobean court. With Frankie, I could have the life I had always wanted . . . and with me she could forge something more satisfying from her own . . . When Frances Howard, beautiful but unhappy wife of the Earl of Essex, meets the talented Anne Turner, the two strike up an unlikely, yet powerful, friendship. Frances makes Anne her confidante, sweeping her into a glamorous and extravagant world, riven with bitter rivalry. As the women grow closer, each hopes to change her circumstances. Frances is trapped in a miserable marriage while loving another, and newly-widowed Anne struggles to keep herself and her six children alive as she waits for a promised proposal. A desperate plan to change their fortunes is hatched. But navigating the Jacobean court is a dangerous game and one misstep could cost them everything.

Fake History Otto English 2021-06-10 'A brilliant and important book ... Five Stars!' Mark Dolan, talkRADIO 'An important new book' Daily Express An alternative history of the world that exposes some of the biggest lies ever told and how they've been used over time. Lincoln did not believe all men were created equal. The Aztecs were not slaughtered by the Spanish Conquistadors. And Churchill was not the man that people love to remember. In this fascinating new book, journalist and author Otto English takes ten great lies from history and shows how our present continues to be manipulated by the fabrications of the past. He looks at how so much of what we take to be historical fact is, in fact, fiction. From the myths of WW2 to the adventures of Columbus, and from the self-serving legends of 'great men' to the origins of curry - fake history is everywhere and used ever more to impact our modern world. Setting out to redress the balance, English tears apart the lies propagated by politicians and think tanks, the grand narratives spun by populists and the media, the stories on your friend's Facebook feed and the tales you were told in childhood. And, in doing so, reclaims the truth from those who have perverted it. Fake History exposes everything you weren't told in school and why you weren't taught it.

The School of Greatness Lewis Howes 2015-10-27 When a career-ending injury left elite athlete and professional football player Lewis Howes out of work and living on his sister's couch, he decided he needed to make a change for the better. He started by reaching out to people he admired, searching for mentors, and applying his past coaches' advice from sports to life off the field. Lewis did more than bounce back: He built a multimillion-dollar online business and is now a sought-after business coach, speaker, and podcast host. In The School of Greatness, Howes shares the essential tips and habits he gathered in interviewing "the greats" on his wildly popular podcast of the same name. In discussion with people like Olympic gold medalist Shawn Johnson and Pencils of Promise CEO Adam Braun, Howes figured out that greatness is unearthed and cultivated from within. The masters of greatness are not successful because they got lucky or are innately more talented, but because they applied specific habits and tools to embrace and overcome adversity in their lives. A framework for personal development, The School of Greatness gives you the tools, knowledge, and actionable resources you need to reach your potential. Howes anchors each chapter with a specific lesson he culled from his greatness "professors" and his own experiences to teach you how to

create a vision, develop hustle, and use dedication, mindfulness, joy, and love to reach goals. His lessons and practical exercises prove that anyone is capable of achieving success and that we can all strive for greatness in our everyday lives.

Drawing Ideas Mark Baskinger 2013-11-19 A primer for design professionals across all disciplines that helps them create compelling and original concept designs by hand--as opposed to on the computer--in order to foster collaboration and win clients. In today's design world, technology for expressing ideas is pervasive; CAD models and renderings created with computer software provide an easy option for creating highly rendered pieces. However, the accessibility of this technology means that fewer designers know how

to draw by hand, express their ideas spontaneously, and brainstorm effectively. In a unique board binding that mimics a sketchbook, Drawing Ideas provides a complete foundation in the techniques and methods for effectively communicating to an audience through clear and persuasive drawings.

Did Ye Hear Mammy Died? Séamas O'Reilly 2022-06-07 "In this joyous, wildly unconventional memoir, Séamas O'Reilly tells the story of losing his mother as a child and growing up with ten siblings in Northern Ireland during the final years of the Troubles as a raucous comedy, a grand caper that is absolutely bursting with life."—Patrick Radden Keefe, NYT bestselling author of Say Nothing and Empire of Pain Séamas O'Reilly's mother died when he was five, leaving him, his ten (!) brothers and sisters, and their beloved father in their sprawling bungalow in rural Derry. It was the 1990s; the Troubles were a background rumble, but Séamas was more preoccupied with dinosaurs, Star Wars, and the actual location of heaven than the political climate. An instant bestseller in Ireland, Did Ye Hear Mammy Died? is a book about a family of loud, argumentative, musical, sarcastic, grief-stricken siblings, shepherded into adulthood by a man whose foibles and reticence were matched only by his love for his children and his determination that they would flourish.

Decline and Fail John Crace 2019-11-05 'Optimism, mojo, complete bollocks. That's what the country is crying out for.' There is now only one certainty in life. When things can't possibly get any worse, they absolutely will. And so, after three years of Maybot malfunctioning and Brexit bungling, welcome to BoJo the clown's national circus - where fun for literally none of the family is guaranteed. Fear not, however: Decline and Fail is your personal survival guide to the ongoing political apocalypse. This unremittingly entertaining collection of John Crace's lifegiving political sketches will get you through the darkest of days - or failing that, will at least make you laugh a bit. Miss it at your peril...

The Book Your Dog Wishes You Would Read Louise Glazebrook 2021-09-14 We'd all love to know what our dog is thinking - if only it could tell us when it's in pain, when it's stressed, whether it's fine being left alone for half a day or whether that makes it sad. Does it enjoy one particular walk more than another? Does it like what you feed it? Why does it chew the sofa when we go out? Why does it bark at joggers but not cyclists? Why does it howl at night? And will it ever stop chasing next door's cat? The truth is that your dog is communicating with you all the time, but unless you know the signs, you aren't picking up on what your dog wants you to know. Louise Glazebrook is a dog trainer, behaviourist, and television presenter, who specialises in teaching people how to understand and connect with their dogs. Most dog trainers focus on the dog, but Louise focuses on you, the owner, giving you the skills and confidence to interpret your dog's needs and behaviour. In The Book Your Dog Wishes You Would Read she shares the advice and expertise that she's used to help countless clients.

Authentic Portraits Chris Orwig The most successful portraits take us well beyond the surface of how someone looks and show us the inner essence of who someone is. They reveal character, soul, and depth. They uncover hidden hopes and profound truths, revealing that authentic and deeply human light that shines within. And while technical expertise is undoubtedly important, it's not the light, camera, or pose that creates a great portrait. It's you, and it's the connection you create with the subject that makes all the difference. In Authentic Portraits, photographer Chris Orwig teaches you that the secret to creating meaningful portraits is simple: curiosity, empathy, kindness, and soul...plus a bit of technique. While Chris spends significant time on the fundamentals of "getting the shot"—working with natural light, nailing focus, dialing in the correct exposure, effectively posing and directing the subject, intentionally composing the frame—he also passionately discusses the need for personal development, creative collaboration, and connection with the subject. Because who you are directly and deeply affects what you create, and it is only through cultivating your own inner light that you will be able to bring it out in your subjects. Filled with instruction, insight, and inspiration, Authentic Portraits is an honest and personal book about creating better frames. It's also about becoming your best self. Take the journey, and you'll learn to find your vision and voice, bring intention to your photography and your life, embrace mystery, and understand the importance of gratitude and empathy. Along the way, you will teach the camera to see in a way that replicates how you feel, and you'll find you have all you need to create work of lasting significance.

Jackpot Rob Davies 2022-02-15 The history of British gambling is a history that stretches back nearly one

thousand years, reaching into some of the nation's most fabled periods. It's now an industry worth billions of pounds. Investigative journalist and Guardian correspondent Rob Davies surveys the development of the gambling industry to explain how the Britain became one of the largest gambling markets in the world. From the turn to deregulation under the Blair administration and the resultant explosion of gambling advertising to predatory targeting and industry lobbying in the halls of power, Davies uncovers the sinister inner workings of one of the country's most nefarious industries. Exploring the fate of gambling in the UK and the uncertain future of the thousands of victims who have been all but abandoned along the way, Jackpot is a stark and vital investigation that forces us to confront deeply disturbing truths about modern British society.

Why We Kneel How We Rise Michael Holding 2021-06-24 'To say I was surprised at the volume of positive feedback I received from around the world after my comments on Sky Sports is an understatement. I came to realise I couldn't just stop there; I had to take it forward - hence the book, as I believe education is the way forward.' Michael Holding Rarely can a rain delay in a cricket match have led to anything like the moment when Holding spoke out in the wake of the #BlackLivesMatter protests about the racism he has suffered and has seen all around him throughout his life. But as he spoke, he sought not only to educate but to offer a way forward that inspired so many. Within minutes, he was receiving calls from famous sports stars from around the world offering to help him to spread the message further. Now, in Why We Kneel, How We Rise, Holding delivers a powerful and inspiring message of hope for the future and a vision for change, while providing the background and history to an issue that has dogged the world for many centuries. Through the prism of sport and conversations with its legends, the book explains how racism dehumanises people; how it works to achieve that end; how it has been ignored by history and historians; and what it is like to be treated differently just because of the colour of your skin.

Your First 1000 Copies Tim Grahl 2020-09-09 "If I could give an aspiring writer one piece of advice, it would be to read this book." — Hugh Howey, New York Times best selling author of Wool "Tim Grahl is fast becoming a legend, almost single-handedly changing the way authors around the world spread ideas and connect with readers. If you've got a book to promote, stop what you're doing right now and start reading Your First 1000 Copies." — Daniel H. Pink, New York Times bestselling author of Drive and When "Your First 1000 Copies is a must-read for authors trying to build a connection with their readers." — Dan Heath & Chip Heath, co-authors of Made to Stick, Switch, and Decisive "I watched in awe as Tim Grahl had 5 clients on the New York Times bestseller list in the same week. There is no one I trust more to learn about book marketing." - Pamela Slim, Author, Body of Work "Tim was an early pioneer in teaching book authors how Internet marketing actually works." - Hugh MacLeod, author of Ignore Everybody and Evil Plans Imagine if you had a direct connection with thousands of readers who loved reading your books. And imagine if those readers eagerly awaited the launch of your next book. How would that direct relationship with your readers change your writing career? How would you feel knowing that every time you started a

new book project, you already had people excited to buy it and ready to recommend it to others? In *Your First 1000 Copies*, seasoned book marketing expert Tim Grahl walks you through how successful authors are using the online marketing tools to build their platform, connect with readers and sell more books. Tim has worked with over 100 different authors from top best sellers such as Hugh Howey, Daniel Pink, Barbara Corcoran, Charles Duhigg, Chip and Dan Heath, Ramit Sethi and Pamela Slim to authors just getting started on their first writing project. He has worked with authors across all fiction and non-fiction genres. Along with his client work, he has studied many other successful authors to learn what works and what doesn't. The result is *Your First 1000 Copies* where he walks you through the Connection System, a plan that every author can immediately start using. The plan looks like this: - Permission - How to open up communication with your readers where you can reliably engage them and invite them to be involved. - Content - How to use content to engage with current readers and connect with new ones. - Outreach - How to ethically and politely introduce yourself to new readers. - Sell - How all of these steps can naturally lead to book sales without being pushy or annoying. This is a system that any author can immediately put in place to start building their platform. Whether you're a seasoned author looking to step into the new publishing landscape, or you're a brand new author, *Your First 1000 Copies* will give you the tools to connect with readers and sell more books.

A Farewell to Calm John Crace 2021-11-02 'It's now becoming easier and easier to predict government policy. Just listen to what the prime minister said in the morning and the opposite is likely to be true come the middle of the afternoon.' Throughout another year of bluster and bedlam in Westminster, John Crace's brilliantly acerbic political sketches have once more provided the nation with a much-needed injection of humour. In *A Farewell to Calm*, Crace introduces an infectiously funny selection of his finest pieces from 2020-21, taking in everything from a summer of unfathomable U-turns to Christmas Covid confusion, and from lockdown-lifting to Brexit blithering. Led by Boris's poundshop Churchill tribute act, and featuring a cast of everyone's least favourite pantomime villains, from Classic Dom Cummings to Door Matt Hancock, the end result is a brilliantly entertaining chronicle of another tumultuous year on these benighted islands.

Insatiable Daisy Buchanan 2022-02-08 'Extremely funny, touching and wonderfully refreshing on women and sexual desire' Marian Keyes 'As filthy as it is funny, you won't be able to put it down' Dolly Alderton Stuck in a dead-end job, broken-hearted, broke and estranged from her best friend: Violet's life is nothing like she thought it would be. She wants more - better friends, better sex, a better job - and she wants it now. So, when Lottie - who looks like the woman Violet wants to be when she grows up - offers Violet the chance to join her exciting start-up, she bites. Only it soon becomes clear that Lottie and her husband Simon are not only inviting Violet into their company, they are also inviting her into their lives. Seduced by their townhouse, their expensive candles and their Friday-night sex parties, Violet cannot tear herself away from Lottie, Simon or their friends. But is this really the more Violet yearns for? Will it grant her the satisfaction she is so desperately seeking? *Insatiable* is about women and desire - lust, longing and the need to be loved. It is a story about being unable to tell whether you are running towards your future or simply running away from your past. The result is at once tender and sad, funny and hopeful.

I Wanna Be Yours John Cooper Clarke 2020-10-15 'One of Britain's outstanding poets' Sir Paul McCartney 'Riveting' Observer 'An exuberant account of a remarkable life' New Statesman This is a memoir as wry, funny, moving and vivid as its inimitable subject himself. This book will be a joy for both lifelong fans and for a whole new generation. John Cooper Clarke is a phenomenon: Poet Laureate of Punk, rock star, fashion icon, TV and radio presenter, social and cultural commentator. At 5 feet 11 inches (32in chest, 27in waist), in trademark dark suit, dark glasses, with dark messed-up hair and a mouth full of gold teeth, he is instantly recognizable. As a writer his voice is equally unmistakable and his own brand of slightly sick humour is never far from the surface. *I Wanna Be Yours* covers an extraordinary life, filled with remarkable personalities: from Nico to Chuck Berry, from Bernard Manning to Linton Kwesi Johnson, Elvis Costello to Gregory Corso, Gil Scott Heron, Mark E. Smith and Joe Strummer, and on to more recent fans and collaborators Alex Turner, Plan B and Guy Garvey. Interspersed with stories of his rock and roll and performing career, John also reveals his boggling encyclopaedic take on popular culture over the centuries: from Baudelaire and Edgar Allan Poe to Pop Art, pop music, the movies, fashion, football and showbusiness - and much, much more, plus a few laughs along the way.

The Hellbound Heart Clive Barker 2009-03-17 Frank Cotton's insatiable appetite for the dark pleasures of pain led him to the puzzle of Lemarchand's box, and from there, to a death only a sick-minded soul could invent. But his brother's love-crazed wife, Julia, has discovered a way to bring Frank back—though the price will be bloody and terrible . . . and there will certainly be hell to pay.

Lighting Essentials Don Giannatti 2012-04-01 The core goal of photography is representing subjects that have depth and texture in a medium that inherently lacks both those qualities, and this book shows the best way to rise to that challenge: through the careful application and capture of lighting. It demonstrates how to accentuate or minimize textures, add or subtract highlights, and create or combat shadows to showcase the subjects in the best way and create the illusion of a third dimension in the images. Exploring techniques for lighting portraits, still-life subjects, nature images, and architectural shots, both studio and location lighting are covered in detail. The book teaches photographers how to study their subjects—then visualize the image as a finished photograph before the photography actually begins. With chapters that thoroughly cover the science of lighting and visualization, photographers can apply that knowledge and successfully create artful images.

Dishonesty is the Second-Best Policy David Mitchell 2019-11-05 ** THE NEW BOOK FROM THE AWARD-WINNING COMEDIAN AND WRITER** 'Mitchell is an exceptionally clever, eloquent and spot-on commentator. We should be grateful for him.' Daily Mail David Mitchell's 2014 bestseller *Thinking About It Only Makes It Worse* must really have made people think - because everything's got worse. We've gone from UKIP surge to Brexit shambles, from horsemeat in lasagne to Donald Trump in the White House, from Woolworths going under to all the other shops going under. It's probably socially irresponsible even to try to cheer up. But if you're determined to give it a go, you might enjoy this eclectic collection (or election) of David Mitchell's attempts to make light of all that darkness. Scampi, politics, the Olympics, terrorism, exercise, rude street names, inheritance tax, salad cream, proportional representation and farts are all touched upon by Mitchell's unremitting laser of chit-chat, as he negotiates a path between the commercialisation of Christmas and the true spirit of Halloween. Read this book and slightly change your life! 'Mitchell combines breathtaking general knowledge with withering wit.' Guardian

Shadow State Luke Harding 2020-06-30 A thrilling account of how Russia is waging a hidden war against America and the West, using espionage, corruption, fake news, and KGB-style murder March 2018. Two Russian assassins arrive in a provincial English city to kill a former officer from Russia's GRU intelligence agency. His crime? Passing secrets to British spies. The poison? A lethal nerve agent, novichok. The attempted execution was a reminder - as if one were needed - of Russia's contempt for international norms. The Soviet Union and its doctrine are long gone, but the playbook used by the Kremlin's spies during that

long confrontation with the West is back. And the underlying goal remains the same: to undermine democracy and exploit divisions within American and European society and politics. Moscow's support for Donald Trump in the 2016 presidential election has grown into the biggest political scandal of modern times. Its American players are well-known. In *Shadow State*, award-winning journalist and bestselling author Luke Harding reveals the Russians behind the story: the spies, hackers and internet trolls. Harding charts how the Kremlin has updated Communist-era methods of influence and propaganda for the age of Facebook and Twitter, and considers the compelling question of our age: what exactly does Vladimir Putin have on President Trump? Similar to those of the Cold War, Putin's ambitions are truly global. His emissaries include oligarchs, bankers, lawyers, mercenaries, and agents of influence. They roam from Salisbury to Helsinki, Ukraine to Central Africa, London to Washington, D.C. *Shadow State* is the singular account of how the Kremlin seeks to reshape the world, to divide the US from its European friends, and to remake America in its own dark and kleptocratic image. This is an essential read for anyone who wants to understand how our politics came to be so chaotic and divided. Nothing less than the future of Western democracy is at stake.

Bible Nation Candida R. Moss 2019-07-16 How the billionaire owners of Hobby Lobby are spending hundreds of millions of dollars to make America a "Bible nation" The Greens of Oklahoma City—the billionaire owners of the Hobby Lobby chain of craft stores—are spending hundreds of millions of dollars in an ambitious effort to increase the Bible's influence on American society. In *Bible Nation*, Candida Moss and Joel Baden provide the first in-depth investigative account of the Greens' sweeping Bible projects. Moss and Baden tell the story of the Greens' efforts to place a Bible curriculum in public schools; their rapid acquisition of an unparalleled collection of biblical antiquities; their creation of a closely controlled group of scholars to study and promote the collection; and their construction of a \$500 million Museum of the Bible in Washington, D.C. Revealing how all these initiatives promote a very particular set of beliefs about the Bible, the book raises serious questions about the trade in biblical antiquities, the integrity of academic research, and the place of private belief in public life.

Theoretical and Practical Advances in Computer-based Educational Measurement Bernard P. Veldkamp 2019-07-05 This open access book presents a large number of innovations in the world of operational testing. It brings together different but related areas and provides insight in their possibilities, their advantages and drawbacks. The book not only addresses improvements in the quality of educational measurement, innovations in (inter)national large scale assessments, but also several advances in

psychometrics and improvements in computerized adaptive testing, and it also offers examples on the impact of new technology in assessment. Due to its nature, the book will appeal to a broad audience within the educational measurement community. It contributes to both theoretical knowledge and also pays attention to practical implementation of innovations in testing technology.

The Posthumous Papers of the Pickwick Club Charles Dickens 1837 First published in serial form, "The Pickwick Papers" tells the story of Samuel Pickwick, a good natured elderly gentleman and president of the Pickwick Club. With three other members of the club, Pickwick travels around the English countryside, where he becomes caught up in a series of comic adventures, from romantic and legal misunderstandings. Although light in tone, the novel foreshadows the social concerns that would emerge in Dickens' later work.

[The Joy of Small Things](#) Hannah Jane Parkinson 2021-10-05 'This book is a not-so-small joy in itself.' NIGELLA LAWSON 'Parkinson has the gift of making you look with new eyes at everyday things. Three Apples Fell from the Sky Narine Abgaryan 2020-03-05 The Russian bestseller about love and second chances, brimming with warmth and humour In the tiny village of Maran nestled high in the Armenian mountains, a place where dreams, curses and miracles are taken very seriously, a close-knit community bickers, gossips and laughs, untouched by the passage of time. A lifelong resident, Anatolia is happily set in her ways. Until, that is, she wakes up one day utterly convinced that she is dying. She lies down on her bed and prepares to meet her maker, but just when she thinks everything is ready, she is interrupted by a surprise visit from a neighbour with an unexpected proposal. So begins a tale of unforeseen twists and unlikely romance that will turn Maran on its head and breathe a new lease of life into a forgotten village. Narine Abgaryan's enchanting fable is a heart-warming tale of community, courage, and the irresistible joy of everyday friendship.
