*The UNreal World of Human Rights* Lena J. Kruckenberg 2012 The UNreal World of Human Rights breathes new life into the ethnography of international law at a time when transnational actors challenge its traditional principles. This study investigates the multi-actor relations and micro-practices that constitute international human rights monitoring, through an in-depth exploration of the work of the oldest among the UN human rights treaty bodies, the Committee on the Elimination of Racial Discrimination (CERD). As the study focuses on the practices of (re)constructing, interpreting, and evaluating human rights in a quasi-judicial and politicized context, it analyzes human rights monitoring from an embedded micro-perspective rather than as a functionalist macro-perspective. The book traces three groups of actors through their experiences of the 'UN-real world' of one of CERD's semi-annual sessions: state representatives, non-governmental organizations, and the members of the Committee. Vivid accounts and detailed analyses illuminate the tacit knowledge and subterranean diplomacy through which international human rights law evolves as a 'gentle civilizer' of states. (Series: Law and Society / Vereinigung für Recht und Gesellschaft - Vol. 5)

*Chez Panisse Cooking* Paul Bertolli 1988-10-01 "Extraordinary," "poetic," and "inspired" are only a few words that have been used to describe the food at Chez Panisse. Since the first meal served there in 1971, Alice Waters's Berkeley, California, restaurant has revolutionized American cooking, earning its place among the truly great restaurants of the world. Renowned for the brilliant innovations of its ever-changing menu, Chez Panisse has also come to represent a culinary philosophy inspired by nature -- dedicated to the common interest of environment and consumer in the use of gloriously fresh organic ingredients. In *Chez Panisse Cooking*, chef Paul Bertolli -- one of the most talented chefs ever to work with Alice Waters -- presents the *Chez Panisse* kitchen's explorations and reexaminations of earlier triumphs. Expanding upon -- and sometimes simplifying -- the concepts that have made *Chez Panisse* legendary, Bertolli provides reflections, recipes, and menus that lead the cook to a critical and intuitive understanding of food itself, of its purest

organic sources and most sublime uses. Perhaps best described by Richard Olney, "Paul Bertolli's cuisine is what 'health food' should be and never is: a celebration of purity. The food is imaginative but never complicated; it is art." Enhanced by Gail Skoff's breathtaking hand-colored photographs, Paul Bertolli's recipes remind us of the simple and passionate joys in cooking and of the inspiration to be drawn from each season's freshest foods: glistening local salmon creates a wildly colorful springtime carpaccio or is grilled later in the season with tomatoes and basil vinaigrette; autumn's fresh white truffles are sliced into an extraordinarily textured salad of pastel hues with fennel, mushrooms, and Parmesan cheese; figs left on the tree until they grow heavy and sweet appear in a fall fruit salad with warm goat cheese and herb toast. Season by season, *Chez Panisse Cooking* will captivate the senses and imagination of the cook with such entrancing recipes as Sugar Snap Peas with Brown Butter and Sage; Buckwheat Cakes with Smoked Salmon, Creme Fraiche, and Capers; Grilled Fish Wrapped in Fig Leaves with Red Wine Sauce; Lamb Salad with Garden Lettuces, Straw Potatoes, and Garlic Sauce; Marinated Veal Chops Grilled over an Oak Fire; or Seckel Pears Poached in Red Wine with Burnt Caramel. Here, some of the restaurant's most remarkable recent menus for special occasions are recreated, from a White Truffle Dinner to the *Chez Panisse Tenth Annual Garlic Festival*, to a supper for poet Vikram Seth that began with "The Season's song, a summer ballad/Tomatoes, basil, flowers, beans/In unison dance, Lobster Salad..." Many of these recipes reflect Paul Bertolli's love of northern Italian food; for other dishes, the inspiration is French; in all, there is a keen awareness of the abundance of uncompromisingly pure, seasonal ingredients to be found in America. Above all, the *Chez Panisse* recipes are meant to inspire the cook to create his or her own version; to awaken the senses to the nuances of taste, texture, and color in cooking; to "discover the ecstatic moments when the intuition, skill, and accumulated experience of the cook merge with the taste and composition of the food." Since its original publication in 1988, this classic cookbook has proved to be indispensable to the shelf of

every serious cook and every serious cookbook reader. "From the TradePaperback edition.
