The book is filled with numerous sketches and diagrams to accompany the text. This second edition has additional sections on fighting in space and combating the alien Tau.

A Call to Duty David Weber,Timothy Zahn,2014-09-16 Growing up, Travis Uriah Long yearned for order and discipline in his life . . . the two things his neglectful mother couldn't or wouldn't provide. So when Travis enlisted in the Royal Manticoran Navy, he thought he'd finally found the structure he'd always wanted so desperately. But life in the RMN isn't exactly what he expected. Boot camp is rough and frustrating; his first ship assignment lax and disorderly; and with the Star Kingdom of Manticore still recovering from a devastating plague, the Navy is possibly on the edge of budgetary extinction. The Star Kingdom is a minor nation among the worlds of the Diaspora, its closest neighbors weeks or months away, with little in the way of resources. With only modest interstellar trade, no foreign contacts to speak of, a plague-ravaged economy to rebuild, and no enemies looming at the hyper limit, there are factions in Parliament who want nothing more than to scrap the Navy and shift its resources and manpower elsewhere. But those factions are mistaken. The universe is not a safe place. Travis Long is about to find that out. At the publisher's request, this title is sold without DRM (Digital Rights Management). The World of Throne of Glass Sarah J. Maas,2018-05-01

The League of Elder Ren Garcia,2009-02 In the far distant future, man is no longer man--he is Elder, awash in life-long youth, health, and Gifts of the Mind. Serving celestial beings known as the Elders, man formed the League--a collection of Great Houses scattered on numerous worlds dedicated to defending life and serving the benevolent will of the Elders. For ages League mothers have told their children terrifying stories about the Black Hats: the enemy. A sect of murderous women eager to slay anyone who falls into their grasp, always searching for their next victim. Only the League's ruling body, the Sisterhood of Light, has been able to counter their evil. When a Black Hat is taken prisoner aboard Captain Davage's ship, the Sisters have every intention of executing her, to put her to a slow, painful death. That is what's done to Black Hats. And no one would dare challenge the Sister's authority. They are astounded when the Captain refuses to allow it. Using his Gift of Sight, Captain Davage, the Lord of the Great House of Blanchefort, has gotten a glimpse of the Black Hat's face, and is shocked. Though no one but a Sister would ever willingly face a Black Hat and hope to survive, he enters her cell. The woman sitting there bears an exact resemblance to a beloved friend of the Captain's a friend who is dead, murdered, lost in space along with her ship and her crew. There she sits, Captain Davage's friend, apparently reborn as a Black Hat murderess, identical in every way except for the Black Hat's mark on her face. The Black Hat known as Sygillis of Metatron, vile and evil, immediately plots Captain Davage's killing and, though the Sisters are near, none can protect him from her fury. She will come for his soul. Is it possible that two sworn enemies may fall in love? Can remorseless evil be redeemed in the end? Good and evil, love and hate, only one side can triumph in The League of Elder: Sygillis of Metatron, a galactic journey full of romance, suspense, and the unexpected.

Slave Stealers Timothy Ballard, 2018 Follow two abolitionists who fought one of the most shockingly persistent evils of the world: human trafficking and sexual exploitation of slaves. Told in alternating chapters from perspectives spanning more than a century apart, read the riveting 19th century first-hand account of Harriet Jacobs and the modern-day eyewitness account of Timothy Ballard. Harriet Jacobs was an African-American, born into slavery in North Carolina in 1813. She

thwarted the sexual advances of her master for years until she escaped and hid in the attic crawl space of her grandmother's house for seven years before escaping north to freedom. She published an autobiography of her life, *Incidents in the Life of a Slave Girl*, which was one of the first open discussions about sexual abuse endured by slave women. She was an active abolitionist, associated with Frederick Douglass, and, during the Civil War, used her celebrity to raise money for black refugees. After the war, she worked to improve the conditions of newly-freed slaves. As a former Special Agent for the Department of Homeland Security who has seen the horrors and carnage of war, Timothy Ballard founded a modern-day underground railroad which has rescued hundreds of children from being fully enslaved, abused, or trafficked in third-world countries. His story includes the rescue and his eventual adoption of two young siblings--Mia and Marky, who were born in Haiti. Section 2 features the lives of five abolitionists, a mix of heroes from past to present, who call us to action and teach us life lessons based on their own experiences: Harriet Tubman--The Conductor; Abraham Lincoln--the Great Emancipator; Little Mia--the sister who saved her little brother; Guesno Mardy--the Haitian father who lost his son to slave traders; and Harriet Jacobs--a teacher for us all.

Athletico Mince Bob Mortimer,Andy Dawson,2017 For the first book inspired by their popular podcast, Bob Mortimer and Andy Dawson considered producing an authoritative guide to the past, present and future world of football. But, as in the podcast, they got a bit side-tracked. As well as bringing you some (more or less) completely genuine football facts, Bob and Andy speculate about the lifestyle of baked bean-loving, yellow snake-owning ex-England boss Steve McClaren, and investigate the 'Gangs of the EPL', where football meets infantile bullying. There's also input from the Secret Soccer Superstar - a former player who lifts the lid on what it's really like to be a top, top pro - and the lyrics from some of Bob's most memorable Scottish songs, so that you can sing them to your children, elderly relatives or, indeed, yourself, should you need to be soothed after learning about Robson Green's Extreme Bangers. In summary, it's a bit of a mess - but - it's a beautiful, glorious, hilarious mess and if you're not reduced to at least one convulsion while reading it, Bob and Andy are going to be very disappointed with you.

Medical Anthropology Andrea S. Wiley,John Scott Allen,2013 An ideal core text for introductory courses, *Medical Anthropology: A Biocultural Approach*, Second Edition, offers an accessible and contemporary overview of this rapidly expanding field. For each health issue examined in the text, the authors first present basic biological information on specific conditions and then expand their analysis to include evolutionary, historical, and cross-cultural perspectives on how these issues are understood. *Medical Anthropology* considers how a biocultural approach can be applied to more effective prevention and treatment efforts and underscores medical anthropology's potential to improve health around the world.
