**Flesh Tearers** Andy Smillie,2016-02-09 Formed in the aftermath of the Horus Heresy, the Flesh Tearers, veterans of the Blood Angels Legion now cast adrift, gather behind their leader, Chapter Master Amit, and set out to forge their own destiny. None of the scions of Sanguinius are as bloody or wrathful as the Flesh Tearers. The fury of this Chapter, scorned by the Blood Angels and many of their successors, is legendary. Within them, the Black Rage is made manifest, a curse on the Imperium and its enemies. In the uncertain years following the end of the Great Heresy, it fell to Amit to lead this benighted Chapter. Upon his shoulders lay a heavy burden, for to prevent their own self-annihilation, the Flesh Tearers must not only fight their many foes but their very nature itself.

**The Pikeman's Lament** Daniel Mersey,Michael Leck,2017-01-26 Recreate the action and drama of 17th Century warfare on your tabletop with The Pikeman's Lament. Start by creating your Officer – is he a natural leader raised from the ranks, the youngest son of a noble family, or an old veteran who has seen too many battles? As you campaign, your Officer will win honour and gain promotion, acquiring traits that may help lead his men to victory. Before each skirmish, your Officer must raise his Company from a wide range of unit options – should he lean towards hard-hitting heavy cavalry or favour solid, defensively minded infantry? Companies are typically formed from 6-8 units, each made up of either 6 or 12 figures, and quick, decisive, and dramatic games are the order of the day. With core mechanics based on Daniel Mersey's popular Lion Rampant rules, The Pikeman's Lament captures the military flavour of the 17th Century, and allows you to recreate skirmishes and raids from conflicts such as the Thirty Years' War, the English Civil Wars, and the Great Northern War.

**Black Ops** Guy Bowers,2015-10-20 Black Ops is a skirmish wargame of tactical espionage combat that recreates the tension and excitement of modern action-thrillers such as the Bond and Bourne films. The fast-play rules keep all the players in the thick of the action, while the mission generator provides a wide range of options for scenarios – from stealthy extraction or surveillance missions to more overt raids and assaults. Stealth, combat, and technical expertise all have a role to play, and players may recruit a number of different operative types – spies, mercenaries, criminals, hackers, special forces, and many more – to recruit the best possible team for the job. Players may also choose to join a faction – powerful organizations, intelligence agencies, criminal syndicates, militaries, or rebel groups, each with a stake in international affairs. By doing so, their team may receive certain benefits, but may also find itself limited at a crucial time. With the variety offered by the characters, factions, and scenarios, no two games of Black Ops should ever be the same!

**If Anything Happens I Love You** Will McCormack,Michael Govier,2022-09-27 Unimaginable loss yields to the power of human connection in this simple, moving story from the filmmakers of the

eponymous Oscar-winning film. An elegy on grief. Heavy pain exquisitely rendered. Kirkus Starred Review Based on the Academy Award-winning animated short by the same name, *If Anything Happens I Love You* is a young adult graphic novel that follows two parents as they reckon with the loss of their young daughter, Rose, in a school shooting. Readers follow Rose from “above” as she watches her parents slowly break down under the weight and pain of their loss. Throughout the novel, Rose’s soul seeks to help her parents reconnect. We learn who Rose was and how much life she lived in her short time. By incorporating a wide range of characters, her boyfriend, teacher, and her cat, Rose is able to introduce healing into the lives of the people she left behind. If *Anything Happens I Love You* may be a story about loss, but in it we see ourselves—in the grief, the pain, and, most importantly, in the fight toward human connection, love, and acceptance.

*No Exit from Pakistan* Daniel S. Markey,2013-10-07 This book tells the story of the tragic and often tormented relationship between the United States and Pakistan. Pakistan's internal troubles have already threatened U.S. security and international peace, and Pakistan's rapidly growing population, nuclear arsenal, and relationships with China and India will continue to force it upon America's geostrategic map in new and important ways over the coming decades. This book explores the main trends in Pakistani society that will help determine its future; traces the wellsprings of Pakistani anti-American sentiment through the history of U.S.-Pakistan relations from 1947 to 2001; assesses how Washington made and implemented policies regarding Pakistan since the terrorist attacks on the United States on September 11, 2001; and analyzes how regional dynamics, especially the rise of China, will likely shape U.S.-Pakistan relations. It concludes with three options for future U.S. strategy, described as defensive insulation, military-first cooperation, and comprehensive cooperation. The book explains how Washington can prepare for the worst, aim for the best, and avoid past mistakes.
