Paul Kingsnorth

Confessions of a Recovering Environmentalist and Other Essays Paul Kingsnorth,2017-08-01 A provocative and urgent essay collection that asks how we can live with hope in “an age of ecocide” Paul Kingsnorth was once an activist—an ardent environmentalist. He fought against rampant development and the depredations of a corporate world that seemed hell-bent on ignoring a looming climate crisis in its relentless pursuit of profit. But as the environmental movement began to focus on “sustainability” rather than the defense of wild places for their own sake and as global conditions worsened, he grew disenchanted with the movement that he once embraced. He gave up what he saw as the false hope that residents of the First World would ever make the kind of sacrifices that might avert the severe consequences of climate change. Full of grief and fury as well as passionate, lyrical evocations of nature and the wild, *Confessions of a Recovering Environmentalist* gathers the wave-making essays that have charted the change in Kingsnorth’s thinking. In them he articulates a new vision that he calls “dark ecology,” which stands firmly in opposition to the belief that technology can save us, and he argues for a renewed balance between the human and nonhuman worlds. This iconoclastic, fearless, and ultimately hopeful book, which includes the much-discussed “Uncivilization” manifesto, asks hard questions about how we’ve lived and how we should live.

Prune Gabrielle Hamilton,2014-11-04 NEW YORK TIMES BESTSELLER From Gabrielle Hamilton, bestselling author of *Blood, Bones & Butter*, comes her eagerly anticipated cookbook debut filled with signature recipes from her celebrated New York City restaurant Prune. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY PUBLISHERS WEEKLY NAMED ONE OF THE BEST BOOKS OF THE SEASON BY Time • O: The Oprah Magazine • Bon Appétit • Eater A self-trained cook turned James Beard Award-winning chef, Gabrielle Hamilton opened Prune on New York’s Lower East Side fifteen years ago to great acclaim and lines down the block, both of which continue today. A deeply personal and gracious restaurant, in both menu and philosophy, Prune uses the elements of home cooking and elevates them in unexpected ways. The result is delicious food that satisfies on many levels. Highly original in concept, execution, look, and feel, the Prune cookbook is an inspired replica of the restaurant’s kitchen binders. It is written to Gabrielle’s cooks in her distinctive voice, with as much instruction, encouragement, information, and scolding as you would find if you actually came to work at Prune as a line cook. The recipes have been tried, tasted, and tested dozens if not hundreds of times. Intended for the home cook as well as the kitchen professional, the instructions offer a range of signals for cooks—a head’s up on when you have gone too far, things to watch out for that could trip you up, suggestions on how to traverse certain uncomfortable parts of the journey to ultimately help get you to the final destination, an amazing dish. Complete with more than 250 recipes and 250 color photographs, home cooks will find Prune’s most requested recipes—Grilled Head-on Shrimp with Anchovy Butter, Bread Heels and Pan Drippings Salad, Tongue and Octopus with Salsa Verde and Mimosa’d Egg, Roasted Capon on Garlic Crouton, Prune’s famous Bloody Mary (and all 10 variations). Plus, among other items, a chapter entitled “Garbage”—smart ways to repurpose foods that might have hit the garbage or stockpot in other restaurant kitchens but are turned into appetizing bites and notions at Prune. Featured here are the recipes, approach, philosophy, evolution, and nuances that make them distinctively Prune’s. Unconventional and honest, in both tone and content, this book is a welcome expression of the cookbook as we know it. Praise for Prune “Fresh, fascinating . . . entirely pleasurable . . . Since 1999, when the chef Gabrielle Hamilton put Triscuits and canned sardines on the first menu of her East Village bistro, Prune, she has nonchalantly broken countless rules of the food world. The rule that a successful restaurant must breed an empire. The rule that chefs who happen to be women should unconditionally support one another. The rule that great chefs don’t make great writers (with her memoir, *Blood, Bones & Butter*). And now, the rule that restaurant food has to be simplified and prettied up for home cooks in order to produce a useful, irresistible cookbook. . . . [Prune] is the closest thing to the bulging loose-leaf binder, stuck in a corner of almost every restaurant kitchen, ever to be printed and bound between cloth covers. (These happen to be a beautiful deep, dark magenta.)”—The New York Times “One of the most brilliantly minimalist cookbooks in recent memory . . . at once conveys the thrill of restaurant cooking and the wisdom of the author, while making for a charged reading experience.”—Publishers Weekly (starred review)

Bank On Yourself Pamela Yellen,2010-03-23 The Wall Street Journal, USA Today, and BusinessWeek bestseller *Bank On Yourself: The Life-Changing Secret to Growing and Protecting Your Financial Future* reveals the secrets to taking back control of your financial future that Wall Street, banks, and credit card companies don’t want you to know. Can you imagine what it would be like to look forward to opening your account statements because they always have good news and never any ugly surprises? More than 100,000 Americans of all ages, incomes, and backgrounds are already using *Bank On Yourself* to grow a nest-egg they can predict and count on, even when stocks, real estate, and other investments tumble. You’ll meet some of them and hear their stories of how *Bank On Yourself* has helped them reach a wide variety of short- and longterm personal and financial goals and dreams in this book.

The Road to Results Linda G. Morra-Imas,Linda G. Morra,Ray C. Rist,2009 'The Road to Results: Designing and Conducting Effective Development Evaluations' presents concepts and procedures for evaluation in a development context. It provides procedures and examples on how to set up a monitoring and evaluation system, how to conduct participatory evaluations and do social mapping, and how to construct a rigorous quasi-experimental design to answer an impact question. The text begins with the context of development evaluation and how it arrived where it is today. It then discusses current issues driving development evaluation, such as the Millennium Development Goals and the move from simple project evaluations to the broader understandings of complex evaluations. The topics of implementing 'Results-based Measurement and Evaluation' and constructing a 'Theory of Change' are emphasized throughout the text. Next, the authors take the reader down 'the road to results, ' presenting procedures for evaluating projects, programs, and policies by using a 'Design Matrix' to help map the process. This road includes: determining the overall approach, formulating questions, selecting designs, developing data collection instruments, choosing a sampling strategy, and planning data analysis for qualitative, quantitative, and mixed method evaluations. The book also includes discussions on conducting complex evaluations, how to manage evaluations, how to present results, and ethical behavior--including principles, standards, and guidelines. The final chapter discusses the future of development evaluation. This comprehensive text is an essential tool for those involved in development evaluation.

Billion Dollar Whale Bradley Hope,Tom Wright,2018-09-18 Named a Best Book of 2018 by the Financial Times and Fortune, this thrilling (Bill Gates) New York Times bestseller exposes how a modern Gatsby swindled over \$5 billion with the aid of Goldman Sachs in the heist of the century (Axios). Now a #1 international bestseller, *Billion Dollar Whale* is an epic tale of white-collar crime on a global scale (Publishers Weekly), revealing how a young social climber from Malaysia pulled off one of the biggest heists in history. In 2009, a chubby, mild-mannered graduate of the University of Pennsylvania's Wharton School of Business named Jho Low set in motion a fraud of unprecedented gall and magnitude--one that would come to symbolize the next great threat to the global financial system. Over a decade, Low, with the aid of Goldman Sachs and others, siphoned billions of dollars from an investment fund--right under the nose of global financial industry watchdogs. Low used the money to finance elections, purchase luxury real estate, throw champagne-drenched parties, and even to finance Hollywood films like *The Wolf of Wall Street*. By early 2019, with his yacht and private jet reportedly seized by authorities and facing criminal charges in Malaysia and in the United States, Low had become an international fugitive, even as the U.S. Department of Justice continued its investigation. *Billion Dollar Whale* has joined the ranks of *Liar's Poker*, *Den of Thieves*, and *Bad Blood* as a classic harrowing parable of hubris and greed in the financial world.

The 9.9 Percent Matthew Stewart,2022-10-11 A trenchant analysis of how the wealthiest 9.9 percent of Americans -- those just below the tip of the wealth pyramid -- have exacerbated the growing inequality in our country and distorted our social values--

Clean My Space Melissa Maker,2017-03-07 The wildly popular YouTube star behind CLEAN MY SPACE presents the breakthrough solution to cleaning better with less effort Melissa Maker is beloved by fans all over the world for her completely re-engineered approach to cleaning. As the dynamic new authority on home and living, Melissa knows that to invest any of our precious time in cleaning, we need to see big, long-lasting results. So, she developed her method to help us get the most out of our effort and keep our homes fresh and welcoming every day. In her long-awaited debut book, she shares her revolutionary 3-step solution: • Identify the most

important areas (MIAs) in your home that need attention • Select the proper products, tools, and techniques (PTT) for the job • Implement these new cleaning routines so that they stick Clean My Space takes the chore out of cleaning with Melissa’s incredible tips and cleaning hacks (the power of pretreating!), her lightning fast 5–10 minute “express clean” routines for every room when time is tightest, and her techniques for cleaning even the most daunting places and spaces. And a big bonus: Melissa gives guidance on the best non-toxic, eco-conscious cleaning products and offers natural cleaning solution recipes you can make at home using essential oils to soothe and refresh. With Melissa’s simple, groundbreaking method you can truly live in a cleaner, more cheerful, and calming home all the time.

Trust Me, I'm a Banker David Charters,2012-07-17 This book was originally published in two volumes in Great Britain under the titles At bonus time, no one can hear you scream and Trust me, I'm a banker by Elliot and Thompson Limited--T.p. verso.

Class Paul Fussell,1992 This book describes the living-room artifacts, clothing styles, and intellectual proclivities of American classes from top to bottom.

When Genius Failed Roger Lowenstein,2001-10-09 “A riveting account that reaches beyond the market landscape to say something universal about risk and triumph, about hubris and failure.”—The New York Times NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BUSINESSWEEK In this business classic—now with a new Afterword in which the author draws parallels to the recent financial crisis—Roger Lowenstein captures the gripping roller-coaster ride of Long-Term Capital Management. Drawing on confidential internal memos and interviews with dozens of key players, Lowenstein explains not just how the fund made and lost its money but also how the personalities of Long-Term’s partners, the arrogance of their mathematical certainties, and the culture of Wall Street itself contributed to both their rise and their fall. When it was founded in 1993, Long-Term was hailed as the most impressive hedge fund in history. But after four years in which the firm dazzled Wall Street as a \$100 billion moneymaking juggernaut, it suddenly suffered catastrophic losses that jeopardized not only the biggest banks on Wall Street but the stability of the financial system itself. The dramatic story of Long-Term’s fall is now a chilling harbinger of the crisis that would strike all of Wall Street, from Lehman Brothers to AIG, a decade later. In his new Afterword, Lowenstein shows that LTCM’s implosion should be seen not as a one-off drama but as a template for market meltdowns in an age of instability—and as a wake-up call that Wall Street and government alike tragically ignored. Praise for When Genius Failed “[Roger] Lowenstein has written a squalid and fascinating tale of world-class greed and, above all, hubris.”—BusinessWeek “Compelling . . . The fund was long cloaked in secrecy, making the story of its rise . . . and its ultimate destruction that much more fascinating.”—The Washington Post “Story-telling journalism at its best.”—The Economist

Trash Andy Mulligan,2010-10-12 In an unnamed Third World country, in the not-so-distant future, three “dumpsite boys” make a living picking through the mountains of garbage on the outskirts of a large city. One unlucky-lucky day, Raphael finds something very special and very mysterious. So mysterious that he decides to keep it, even when the city police offer a handsome reward for its return. That decision brings with it terrifying consequences, and soon the dumpsite boys must use all of their cunning and courage to stay ahead of their pursuers. It’s up to Raphael, Gardo, and Rat—boys who have no education, no parents, no homes, and no money—to solve the mystery and right a terrible wrong. Andy Mulligan has written a powerful story about unthinkable poverty—and the kind of hope and determination that can transcend it. With twists and turns, unrelenting action, and deep, raw emotion, Trash is a heart-pounding, breath-holding novel.

Moneyland Oliver Bullough,2018-09-06 A SUNDAY TIMES BESTSELLER PRESENTER OF THE BBC RADIO 4 SERIES 'HOW TO STEAL A TRILLION' SHORTLISTED FOR THE ORWELL PRIZE 2019 SUNDAY TIMES BUSINESS BOOK OF THE YEAR AN ECONOMIST POLITICS AND CURRENT AFFAIRS BOOK OF THE YEAR A DAILY MAIL AND TIMES BOOK OF THE YEAR 'You cannot understand power, wealth and poverty without knowing about Moneyland.' Simon Kuper, New Statesman 2019: democracy is eating itself, inequality is skyrocketing, the system is breaking apart. Why? Because in 1962, some bankers in London had an idea that changed the world. That idea was called 'offshore'. It meant that, for the first time, thieves could dream big. They could take everything. Join investigative journalist Oliver Bullough on a journey into the hidden world of the new global kleptocrats. See the poor countries where public money is stolen and the rich ones where it is laundered and invested. Watch the crooks at work and at play, and meet their respectable, white-collar enablers. Learn how the new system works and begin to see how we can tackle it.

The 4-hour Chef Timothy Ferriss,2012 Building upon Timothy Ferriss's internationally successful 4-hour franchise, The 4-Hour Chef transforms the way we cook, eat, and learn. Featuring recipes and cooking tricks from world-renowned chefs, and interspersed with the radically counterintuitive advice Ferriss's fans have come to expect, The 4-Hour Chef is a practical but unusual guide to mastering food and cooking, whether you are a seasoned pro or a blank-slate novice.

Liar's Poker Michael Lewis,2010-03-15 The time was the 1980s. The place was Wall Street. The game was called Liar’s Poker. Michael Lewis was fresh out of Princeton and the London School of Economics when he landed a job at Salomon Brothers, one of Wall Street’s premier investment firms. During the next three years, Lewis rose from callow trainee to bond salesman, raking in millions for the firm and cashing in on a modern-day gold rush. Liar’s Poker is the culmination of those heady, frenzied years—a behind-the-scenes look at a unique and turbulent time in American business. From the frat-boy camaraderie of the forty-first-floor trading room to the killer instinct that made ambitious young men gamble everything on a high-stakes game of bluffing and deception, here is Michael Lewis’s knowing and hilarious insider’s account of an unprecedented era of greed, gluttony, and outrageous fortune.

Putin's People Catherine Belton,2020-06-23 A New York Times and Sunday Times bestseller | A New York Times Book Review Editors' Choice Named a best book of the year by The Economist | Financial Times | New Statesman | The Telegraph [Putin's People] will surely now become the definitive account of the rise of Putin and Putinism. —Anne Applebaum, The Atlantic This riveting, immaculately researched book is arguably the best single volume written about Putin, the people around him and perhaps even about contemporary Russia itself in the past three decades. —Peter Frankopan, Financial Times Interference in American elections. The sponsorship of extremist politics in Europe. War in Ukraine. In recent years, Vladimir Putin’s Russia has waged a concerted campaign to expand its influence and undermine Western institutions. But how and why did all this come about, and who has orchestrated it? In Putin’s People, the investigative journalist and former Moscow correspondent Catherine Belton reveals the untold story of how Vladimir Putin and the small group of KGB men surrounding him rose to power and looted their country. Delving deep into the workings of Putin’s Kremlin, Belton accesses key inside players to reveal how Putin replaced the freewheeling tycoons of the Yeltsin era with a new generation of loyal oligarchs, who in turn subverted Russia’s economy and legal system and extended the Kremlin's reach into the United States and Europe. The result is a chilling and revelatory exposé of the KGB’s revanche—a story that begins in the murk of the Soviet collapse, when networks of operatives were able to siphon billions of dollars out of state enterprises and move their spoils into the West. Putin and his allies subsequently completed the agenda, reasserting Russian power while taking control of the economy for themselves, suppressing independent voices, and launching covert influence operations abroad. Ranging from Moscow and London to Switzerland and Brooklyn’s Brighton Beach—and assembling a colorful cast of characters to match—Putin’s People is the definitive account of how hopes for the new Russia went astray, with stark consequences for its inhabitants and, increasingly, the world.

Rich Dad's Guide to Investing Robert T. Kiyosaki,Sharon L. Lechter,2001-01-15 Rich Dad's Guide to Investing is a guide to understanding the real earning power of money by learning some of the investing secrets of the wealthy.

Hard Times Charles Dickens,1854

Integration of the Armed Forces, 1940-1965 Morris J. MacGregor,2020-06-18 In the quarter century that followed American entry into World War II, the nation's armed forces moved from the reluctant inclusion of a few segregated Negroes to their routine acceptance in a racially integrated military establishment. Nor was this change confined to military installations. By the time it was over, the armed forces had redefined their traditional

obligation for the welfare of their members to include a promise of equal treatment for black servicemen wherever they might be. In the name of equality of treatment and opportunity, the Department of Defense began to challenge racial injustices deeply rooted in American society. For all its sweeping implications, equality in the armed forces obviously had its pragmatic aspects. In one sense it was a practical answer to pressing political problems that had plagued several national administrations. In another, it was the services' expression of those liberalizing tendencies that were permeating American society during the era of civil rights activism. But to a considerable extent the policy of racial equality that evolved in this quarter century was also a response to the need for military efficiency. So easy did it become to demonstrate the connection between inefficiency and discrimination that, even when other reasons existed, military efficiency was the one most often evoked by defense officials to justify a change in racial policy. Morris J. MacGregor, Jr., received the A.B. and M.A. degrees in history from the Catholic University of America. He continued his graduate studies at the Johns Hopkins University and the University of Paris on a Fulbright grant. Before joining the staff of the U.S. Army Center of Military History in 1968 he served for ten years in the Historical Division of the Joint Chiefs of Staff.

House of Cards William D. Cohan,2010-02-09 A blistering narrative account of the negligence and greed that pushed all of Wall Street into chaos and the country into a financial crisis. At the beginning of March 2008, the monetary fabric of Bear Stearns, one of the world’s oldest and largest investment banks, began unraveling. After ten days, the bank no longer existed, its assets sold under duress to rival JPMorgan Chase. The effects would be felt nationwide, as the country suddenly found itself in the grip of the worst financial mess since the Great Depression. William Cohan exposes the corporate arrogance, power struggles, and deadly combination of greed and inattention, which led to the collapse of not only Bear Stearns but the very foundations of Wall Street.

The National System of Political Economy Friedrich List,1904

The Enthralling World of Kindle Books: A Comprehensive Guide Revealing the Benefits of E-book Books: A World of Ease and Flexibility E-book books, with their inherent mobility and simplicity of access, have freed readers from the limitations of physical books.
